Zombies!!! the Best Weapons for Obliterating Zombies in the Apocalypse Zombie Slayer,2012-04-04 If we consider the possibility of zombie apocalypse seriously, we must also consider what types of weapons will be most useful against these foes of the dark. Even though most weapons and most household items with heft (like a good French rolling pin) will damage a zombie to some level, there is a hierarchy of weapons. Weapons such as guns, grenades, crossbows, knives, or energy-based weapons are generally preferred. However, what is most important, for any weapon you choose, is the length of time it takes to kill the zombie or zombies while using it. For example, weapons which damage the head (or remove it completely) are generally preferred. This will eliminate the zombie in the shortest period of time. However, if the number of zombies you are facing is great, then a more broad-focused weapon that impedes them enough so you can make your getaway without being bitten is the best option.

The Zombie Apocalypse Farmers Taylor Ellwood,2022-08-01 It was just another day on the farm for Sue and Jared; another day of chores, arguments, and trying to figure out how to keep the farm. Then the zombie apocalypse happened. Now they're having to fight off former neighbors, stock up on food and ammo, while trying to stay alive. But surviving the zombie apocalypse isn't easy when there's only two of you and you don't agree on anything. To get the supplies they need Sue and Jared will need to venture into town, somehow evade the zombies and get everything they need so they can be prepared for the inevitable onslaught when the zombie hordes find them on their farm. Can Sue and Jared find the extra food and guns they'll need? Can they fight off the zombies and marauders that are coming for them? Can their marriage survive a zombie apocalypse? Sue and Jared will have to work together like they never have before to help each other survive. If they don't, they'll lose more than their farm. They'll lose each other.

Undead in the West II Cynthia J. Miller,A. Bowdoin Van Riper,2013-10-18 The undead are back! In *Undead in the West*:

Vampires, Zombies, Mummies, and Ghosts on the Cinematic Frontier, Cynthia J. Miller and A. Bowdoin Van Riper assembled a collection of essays that explored the unique intersection of two seemingly distinct genres in cinema: the western and the horror film. In this new volume, *Undead in the West II: They Just Keep Coming*, Miller and Van Riper expand their examination of undead Westerns to include not only film, but literature, sequential art, gaming, and fan culture (fan fiction, blogging, fan editing, and zombie walks). These essays run the gamut from comics and graphic novels such as *American Vampire*, *Preacher*, and *Priest*, and games like *Darkwatch* and *Red Dead Redemption*, to novels and short stories by celebrated writers including Robert E. Howard, Joe R. Lansdale, and Stephen King. Featuring a foreword by renowned science fiction author William F. Nolan (*Logan's Run*) and an afterword by acclaimed game designer Paul O'Connor (*Darkwatch*), this collection will appeal to scholars of literature, gaming, and popular culture, as well as to fans of this unique hybrid.

Zompoc Michael G. Thomas,Nick S. Thomas,2010-03 How do you fight a zombie if you are armed with only a shovel and are being pursued down a street? How can you raise a body of like minded individuals to defend your territory or to expand during the Zompoc? What is the Zompoc and what is a zombie? This book was written to answer these questions and much more. Many books recommend particular weapon types but they are always described by those with no experience of these items. As well as providing information we think is important we also offer more specific advice and guidance based upon the many questions we received from the readers of our first book. In *Zompoc: How to Survive a Zombie Apocalypse* (HTSAZA) we covered all the key areas that would be of concern with regards to survival, basic combat and overall strategies for the apocalypse. Some of the most popular parts of the book were the sections on long term survival and on the specifics of weapons and tactics when fighting zombies. It was with these points in mind that we produced this new addition to the Zompoc library.
