

Book About Candy Montgomery

Judd E. Hollander

Evidence of Love John Bloom, Jim Atkinson, 2016-12-20 The fascinating true story behind the HBO Max and Hulu series about Texas housewife Candy Montgomery and the bizarre murder that shocked a community (Los Angeles Times Book Review). Candy Montgomery and Betty Gore had a lot in common: They sang together in the Methodist church choir, their daughters were best friends, and their husbands had good jobs working for technology companies in the north Dallas suburbs known as Silicon Prairie. But beneath the placid surface of their seemingly perfect lives, both women simmered with unspoken frustrations and unanswered desires. On a hot summer day in 1980, the secret passions and jealousies that linked Candy and Betty exploded into murderous rage. What happened next is usually the stuff of fiction. But the bizarre and terrible act of violence that occurred in Betty's utility room that morning was all too real. Based on exclusive interviews with the Gore and Montgomery families, Edgar Award finalist *Evidence of Love* is the superbly written account of a gruesome tragedy and the trial that made national headlines when the defendant entered the most unexpected of pleas: not guilty by reason of self-defense (Fort Worth Star-Telegram). Adapted into the Emmy and Golden Globe Award-winning television movie *A Killing in a Small Town*—as well as the new limited series *Candy* on Hulu and *Love and Death* on HBO Max—this chilling tale of sin and savagery will fascinate true crime aficionados (Kirkus Reviews).

Summary of John Bloom & Jim Atkinson's Evidence of Love Everest Media, 2022-04-26T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Candy's parables were always enjoyed by the kids, and she was always joyfully childlike in her delivery. She would always point toward the ceiling, just like she had practiced the night before, and the kids would be enthralled. #2 The beginning of June, 1980, was a punishing Texas summer, and Candy Montgomery had arrived at the United Methodist Church of Lucas, Texas, a little before nine that morning. She had to take care of five errands in five different towns. #3 Candy had always loved Lucas Church, and she was excited to be the church's lay delegate. She had never spoken about her feelings for the church to anyone except Jackie, the previous pastor, but she felt like she had a home there. #4 Candy had the children bow their heads for a final prayer, and then they all scurried off to their 9:30 classes. Afterward, she went to visit her favorite babysitter, Connie Holmes, who was teaching the six-year-olds that day.

The Southern Book Club's Guide to Slaying Vampires Grady Hendrix, 2020-04-07 "This funny and fresh take on a classic

tale manages to comment on gender roles, racial disparities, and white privilege all while creeping me all the way out. So good.”—Zakiya Dalila Harris, author of *The Other Black Girl* Steel Magnolias meets Dracula in this New York Times best-selling horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town. Bonus features: • Reading group guide for book clubs • Hand-drawn map of Mt. Pleasant • Annotated true-crime reading list by Grady Hendrix • And more! Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted—including the book club—but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.

Murder Cases of the Twentieth Century David K. Frasier, 2024-10-14 From Jack Henry Abbott, who stabbed a waiter through the heart for not allowing him to use the toilet, to the Zodiac, an unknown California serial killer who may have murdered as many as 37 people, this reference work details 280 of the most famous murder cases of the twentieth century. Each entry contains, when applicable, birth and death dates, aliases, occupation, location of the murders, weapons used, number of victims, and the time period when the killings occurred. Films, plays, television shows, videos and audio programs based on or inspired by the case are then cited, followed by a brief overview of the murder case and a bibliography of English-language works related to it.
