And her silence is what has protected her family for years. Bryce Bishop doesn't know her past, he only knows she has coins to sell from her grandfather's estate--and that the FBI director for the Chicago office made the introduction. The more he gets to know Charlotte, the more interested he becomes, an interest encouraged by those closest to her. But nothing else is working in his favor--she's decided she is single for life, she struggles with her faith, and she's willing to forego a huge inheritance to keep her privacy.
