Who You Choose to Be Carrie Spratley, 2019-06-13 We all have choices in life in both the big and the little, and ultimately Who You CHOOSE to be matters, according to the author, Carrie Spratley. Carrie came to a place where she realized how much more impactful it was when she chose to steward everything that happened as a gift. Carrie wrote this book to inspire others, so that they, too, could see things in a way that would generate more hope, more confidence, and more impact for this side of eternity. 17 years ago, Carrie was diagnosed with an illness that took away her ability to be a great wife, mom and friend. She knew that she had a choice, deciding how to navigate this illness. Everything in her said fight and fight hard. She had people who were counting on her, and she knew she was worth being set free. Carrie put on her manufactured smile and implemented everything she could to become well. After 10 years, Carrie finally began having more wins than losses and God graciously blessed her with the gift of healing. She chose wellness. She chose to fight. She chose to be a victor and not a victim. Being grateful for what God had done, Carrie decided to pay it forward and help other people with similar struggles; a holistic health coach was born. Carrie has collected proven tools and strategies to guide people into their purpose-filled, most authentic life possible. After 25 years of marriage to her husband, Eric, being on the other side of illness, and having raised three amazing young men, Jared, Garrett, and Caleb, Carrie realized that she has had some really contrasting life experiences. By the world's standards, she has been living what some would call the highlight reel. However, most of those experiences paled in comparison to what space filled Carrie's heart when she decided to move in the direction of serving others. She did some serious heart-searching on what it was she was specifically being called to do. Carrie became a health coach, because being sick robbed her from 10 years of being the best version of herself possible. She was given the gift of healing, and she wanted to make sure that people knew there was a better way. Carrie wanted to learn everything she could so she could help others with their health issues. Carrie understands that what helped her nutritionally may not be best for each individual she desires to help. Therefore, she learned a broad spectrum of different nutrition theories, and she values helping people find what works best for them on a bio-individual basis. If having a better understanding of whom God created you to be interests you, and if you have a nagging space in your heart you need to fill, Carrie invites you to take a journey with her through this book to help discover how to tap into the good life: the life God intended you to live! Who You CHOOSE to be matters, and you do get to CHOOSE!

You Are Not Stuck Becky Vollmer,2023-01-03 Becky Vollmer's You Are Not Stuck is a blend of straight talk, humor, and clear steps for action to help change-seekers reset their priorities, drown out the naysaying voices in their heads, and make bold choices. We all feel stuck sometimes: in our jobs, our relationships, our habits, or when the life we're living simply doesn't add up to the one we want. We feel stuck when it seems like we don't have options, or when we don't trust or allow ourselves to make the changes we so deeply long to make. Speaker and yoga teacher Becky Vollmer believes that, when we feel paralyzed by our fears, the answer isn't just courage—it's choice. Because we all have choices, we just have to be brave enough to make them. You Are Not Stuck is the key to breaking the cycle of fear and making bold choices for real change. Sometimes this transformation looks like an audacious Thelma and Louise-style leap; more often, though, it is a series of small, deliberate actions based on personal values that yield more clarity, alignment, and, ultimately, long-term contentment than driving off a cliff. If what you seek is a tried-and-true process of empowerment that unlocks the true north already inside you, look no further. This book is a unique blend of permission and spirituality that will help you excavate your divine inner badass, close the gap between intention and action, and develop a strategic path forward that's as unique as your thumbprint. Through warm and straightforward wisdom, a modern and approachable take on ancient yoga philosophy, a series of practical and insightful grounding exercises, and a healthy dose of laugh-out-loud humor, you'll learn how to make soul-guided choices in support of the life you've desired all along.

Ten Words to Live By Jen Wilkin,2021-03-09 New from the Best-Selling Author of Women of the Word Christianity isn't about following rules, it's about a relationship. The rise in popularity of this phrase coincides with a growing disinterest and misunderstanding regarding the role of God's life-giving, perfect law in the Christian life. Rather than the source of joy it was intended to be, the law is viewed as an angry god's restrictions for a rebellious people. In Ten Words to Live By, Jen Wilkin presents a fresh biblical look at the Ten Commandments, showing how they come to bear on our lives today as we seek to love God and others, to live in joyful freedom, and to long for that future day when God will be rightly worshiped for eternity. Learn to see the law of God as a feast for your famished soul, open to anyone who calls on the name of the Lord.

Plot Twist Jana Firestone,2024-04-03 A candid field guide to growing through grief and navigating change when life takes an unexpected turn, from an expert therapist and the host of The Curious Life podcast. Humans are undeniably creatures of habit. So when sudden, unexpected plot twists pull the metaphorical rug from beneath our feet, it can sometimes feel impossible to regain our footing. Therapist and podcaster Jana Firestone knows this better than most, after losing her mum suddenly at the age of twenty-one and spending many years providing professional counselling to her clients during

their darkest days. But in bearing witness to outpourings of grief, loss and pain on a daily basis, Jana also experienced and observed remarkable resilience, transformation and hope. Sharing her own stories, as well as the hard-won wisdom of people who have been sideswiped by curveballs, Jana applies a warm and practical therapist's lens to learning to survive and eventually thrive during the most challenging days of our lives. Heidegger's Alternative History of Time Emily Hughes, Marilyn Stendera,2024-04-02 This book reconstructs Heidegger's philosophy of time by reading his work with and against a series of key interlocutors that he nominates as being central to his own critical history of time. In doing so, it explains what makes time of such significance for Heidegger and argues that Heidegger can contribute to contemporary debates in the philosophy of time. Time is a central concern for Heidegger, yet his thinking on the subject is fragmented, making it difficult to grasp its depth, complexity, and promise. Heidegger traces out a history that focuses on the conceptualisations of time put forward by Aristotle, Plotinus, Augustine, Kant, Hegel, Bergson, and Husserl – an “alternative history of time” that challenges how time has been defined and studied within both philosophy and the sciences. This book explores what happens when we take seriously Heidegger's claim that these seven figures are essential to any understanding of time, setting out what this can tell us about existence, possibility, and philosophy as a historical discipline. Heidegger's Alternative History of Time will appeal to scholars and advanced students working on Heidegger, phenomenology, the philosophy of time, and the history of philosophy.

Luke: Jesus Christ, Savior for the Nations Practical Christianity Foundation,2020-08-08 Jesus Christ is a light that will reveal salvation to the nations... So wrote Luke, the only Gentile writer found in the New Testament Scriptures. Luke saw in Jesus Christ the fulfillment of Isaiah's prophecy: Arise! Shine! Your light has come, and the glory of the Lord has dawned. Nations will come to your light, and kings to the brightness of your dawn. In clearly described themes, Luke takes his readers on a journey of discovery, finding in Jesus Christ, not only the light for Israel, but for people of all nations of the world. The book you hold in your hands is no dry seminary text, nor is it a feel-good self-help devotional. There is a wealth of information here, presented in a clear and accessible writing style that makes this commentary a great read for new believers and seasoned theologians alike. Luke's Gospel is examined not in a vacuum, but in the context of the totality of Scripture where frequent references to supporting verses serve as roadsigns, assuring the reader that he is on the right road. This commentary informs and delights!
