The Complete Idiot's Guide to Rock Guitar Songs Alfred Music,2007-08-01 The Complete Idiot's Guide songbooks are designed to get novice guitarists playing immediately, and playing the songs that inspired them to pick up a guitar in the first place. Each song in The Complete Idiot's Guide books is preceded by a lesson that focuses on the most important technical and musical features. Fingerings, patterns, and techniques are discussed and broken down to help make learning smooth and simple. Most guitar songs are relatively easy to play, and the arrangements in these books are simplified just enough to show those core, natural guitar parts without being overcomplicated, just the way a friend might show someone how to play a song one-on-one. Learning is made even simpler with each song written in standard music notation plus TAB and guitar chord diagrams. Learning hit rock songs was never so easy! Pick up The Complete Idiot's Guide to Rock Guitar Songs and learn all 30 tunes from acclaimed artists like Cream, AC/DC, Guns N' Roses, Jimi Hendrix, Green Day, and many more.

The True Adventures of the Rolling Stones Stanley Booth,Greil Marcus,2014-10-01 Stanley Booth, a member of the Rolling Stones' inner circle, met the band just a few months before Brian Jones drowned in a swimming pool in 1968. He lived

with them throughout their 1969 tour across the United States, staying up all night together listening to blues, talking about music, ingesting drugs, and consorting with groupies. His thrilling account culminates with their final concert at Altamont Speedway—a nightmare of beating, stabbing, and killing that would signal the end of a generation's dreams of peace and freedom. But while this book renders in fine detail the entire history of the Stones, paying special attention to the tragedy of Brian Jones, it is about much more than a writer and a rock band. It has been called—by Harold Brodkey and Robert Stone, among others—the best book ever written about the 1960s. In Booth's afterword, he finally explains why it took him 15 years to write the book, relating an astonishing story of drugs, jails, and disasters. Updated to include a foreword by Greil Marcus, this 30th anniversary edition is for Rolling Stones fans everywhere.
