The Great Search John Philip Newell, 2024-08-20 “If I could introduce you to ten amazing people whose influence could transform your life by energizing your spiritual quest, they would be the nine visionaries featured in *The Great Search* . . . plus a tenth, John Philip Newell himself. What a treasure this book is. Enthusiastically recommended!”—Brian D. McLaren, author of *Life After Doom* In the great tradition of authors who leave church but remain spiritual—such as Barbara Brown Taylor, Rob Bell—the author of *Sacred Earth*, *Sacred Soul* forges a new path toward a true spiritual home, embracing a deep connection to the natural world. The story of Adam and Eve’s fall from innocence in the Garden of Eden is a mythical account of humanity’s broken relationship with the divine, with Earth, and with themselves. In contrast, Celtic wisdom is built on a strong bond with Earth. In the prophetic figures that Newell draws from, the Garden of Eden represents the inner garden of our souls and the outer garden of Earth, which are seen as essentially one. To live in relation to what is deepest in us is to live in relation to the ground from which we and all things have come. Where are we today, in relation to our true selves and the sacredness of Earth? And how are we to find our way home again? This life-affirming, nourishing book contemplates these questions at a moment of great spiritual awakening, an era characterized by religious exile on a vast scale. We need a new sense of home spiritually, deeply rooted within ourselves and in our shared journey with each other and Earth.

Sacred Earth, Sacred Soul John Philip Newell, 2021-07-06 A leading spiritual teacher reveals how Celtic spirituality—listening to the sacred around us and inside of us—can help us heal the earth, overcome our conflicts, and reconnect with ourselves. John Philip Newell shares the long, hidden tradition of Celtic Christianity, explaining how this earth-based spirituality can help us rediscover the natural rhythms of life and deepen our spiritual connection with God, with each other, and with the earth. Newell introduces some of Celtic Christianity’s leading practitioners, both saints and pioneers of faith, whose timeless wisdom is more necessary than ever, including: Pelagius, who shows us how to look beyond sin to affirm our sacredness as part of all God’s creation, and courageously stand up for our principles in the face of oppression. Brigid of Kildare, who illuminates the interrelationship of all things and reminds us of the power of the sacred feminine to overcome those seeking to control us. John Muir, who encourages us to see the holiness and beauty of wilderness and what we must do to protect these gifts. Teilhard de Chardin, who inspires us to see how science, faith, and our future tell one universal story that begins with sacredness. By embracing the wisdom of Celtic Christianity, we can learn how to listen to the

sacred and see the divine in all of creation and within each of us. Human beings are inherently spiritual creatures who intuitively see the sacred in nature and within one another, but our cultures—and at times even our faiths—have made us forget what each of us already know deep in our souls but have learned to suppress. Sacred Earth, Sacred Soul offers a new spiritual foundation for our lives, once centered on encouragement, guidance, and hope for creating a better world.

A New Harmony J Philip Newell,2014-08-07 In a world that seems increasingly fragmented, J. Philip Newell calls us to a vision of life's essential oneness. He invites us to listen for the heartbeat of God and to be part of a new harmony. A New Harmony is based on a Christianity more integrated with the earth and with the rest of humanity and we are taken on a pathway towards transformation in our lives. A New Harmony communicates across the boundaries of religion and race that have separated us and honours our distinct inheritances by serving what is deeper still—the oneness of our origins and the oneness of Earth's destiny.

Sacred Earth, Sacred Soul John Philip Newell,2022-07-07 Leading spiritual teacher John Philip Newell reveals how Celtic spirituality, listening to the sacred around us and inside of us, can help to heal the earth, overcome our conflicts and reconnect with ourselves.

Celtic Treasure J. Philip Newell,2005-10-04 Daily prayer book from Scripture and Celtic Christianity.

Great Creating Spirit (Leaders Edition) John Philip Newell,2015-05-15 John Philip Newell's beloved Celtic Mass for Peace, now entitled Great Creating Spirit is available in a Leader's Version form and Congregational pamphlet. The Leader's Version contains 3 distinct settings of the mass with an introduction by John Philip Newell and an appendix on musical settings and suggestion for use.

Praying with the Earth John Philip Newell,2011-01-01 Following the pattern of his bestselling Celtic Benediction, Philip Newell provides lyrically beautiful and profoundly theological prayers for morning and evening for each day of the week. Each begins with a Beatitude and is followed by a Prayer of Awareness, Scripture readings for meditation, a Prayer for the Life of the World and a Prayer of Blessing. It is richly illustrated throughout. Their theme could hardly be more critical. Divisions between Jews, Christians and Muslims are at the centre of much of the world's most serious places of conflict. Yet all three share the same spiritual descent from the household of Abraham. Praying With the Earth articulates the longings for peace that are closer to the heart of the world's spiritual traditions than their divisions. Morning and evening we open ourselves to the wisdom of our inherited Scriptures, to be enriched by others' understanding of the one God whom we call by different names, and especially to pray for peace.

Praying with the Earth John Philip Newell,2022-06-02 Morning and evening prayers for the peace of the whole world. We as Jews, Christians, and Muslims share a common spiritual descent, yet painful divisions between us lie at the center of much conflict and war in the world today. Praying with the Earth: A Prayerbook for Peace articulates the deep longings for

peace that unite these great spiritual traditions. For each morning and evening of the week, John Philip Newell provides strikingly beautiful and profound prayers that call us to be the people Jesus named blessed: those who know their need, those who weep, the humble, those who hunger for earth's oneness, the forgiving, the clear in heart, and the peacemakers. Whether prayed alone or with others, these richly illustrated, simple liturgies invite and inspire us to live as those whose hearts yearn for peace.

The Rebirthing of God John Philip Newell, 2014-06-21 Internationally respected spiritual leader and author John Philip Newell challenges us to explore the major features of a new beginning for Christianity. Speaking directly to the heart of all Christians - as well as to the faithful and seekers of other traditions - he invites us to be part of a new holy birth of sacred living.

Echo of the Soul J. Philip Newell, 2002-11-01 An exploration of what it means to be in the "image of God," using the Bible and ancient texts. What does it mean to be made in the "image and likeness" of God? That's the first-and defining—characteristic of our humanity, celebrated in the opening pages of the Bible. Western Christian tradition, however, has often led us to think of the body and soul as a separate element, with the soul good and the body evil. This profound and challenging book clears away centuries of misunderstanding and shame that have damaged the way we see ourselves—and the way we see God. Author J. Philip Newell, acclaimed for his work on Celtic spirituality, goes back to our spiritual roots in the bible, and in mystical Celtic and Jewish writings, to weave together a deeper, more complete understanding of our bodies as an outward expression our spiritual selves.

Celtic Benediction J. Philip Newell, 2000-10-12 This lavishly illustrated daily prayer book draws on the great spiritual insights and wisdom of the Celtic church, offering prayers and Scripture readings for every morning and evening of the week. Each day Celtic Benediction invites readers to meditate on a different aspect of the creation story from Genesis. On Sunday the theme is light. In the morning, the prayers and readings lead us to seek the light of the life of God in all his creatures. At night, we meditate on the light that no darkness can overcome as we bring the world and its needs to God. And so on through each day of the week: water, the fruitful earth, the animal world, humanity, playful rest, and all that God has made draw us into intimate prayer. Related Scripture readings are also given for each day of the year, making this a book to use constantly. Illustrated throughout with colored panels from the Lindisfarne Gospels, Celtic Benediction offers contemporary Christians a unique devotional experience to treasure for a lifetime.

The Rebirthing of God John Philip Newell, 2014-06-06 Dare to imagine a new birth from deep within Christianity, a fresh stirring of the Spirit. "The walls of Western Christianity are collapsing. In many parts of the West that collapse can only be described as seismic.... There are three main responses or reactions to this collapse. The first is to deny that it is happening. The second is to frantically try to shore up the foundations of the old thing. The third, which I invite us into, is to ask what is

trying to be born that requires a radical reorientation of our vision. What is the new thing that is trying to emerge from deep within us and from deep within the collective soul of Christianity?” —from the Introduction In the midst of dramatic changes in Western Christianity, internationally respected spiritual leader, peacemaker and scholar John Philip Newell offers the hope of a fresh stirring of the Spirit among us. He invites us to be part of a new holy birth of sacred living. Speaking directly to the heart of Christians—those within the well-defined bounds of Christian practice and those on the disenchanting edges—as well as to the faithful and seekers of other traditions, he explores eight major features of a new birthing of Christianity: Coming back into relationship with the Earth as sacred Reconnecting with compassion as the ground of true relationship Celebrating the Light that is at the heart of all life Reverencing the wisdom of other religious traditions Rediscovering spiritual practice as the basis for transformation Living the way of nonviolence among nations Looking to the unconscious as the wellspring of new vision Following love as the seed-force of new birth in our lives and world

Christ of the Celts J. Philip Newell, 2008-03-30 An exploration of what makes Celtic spirituality, with its focus on the environment and its sense of the sacred existing in all things and creatures, particularly relevant for the modern world.

Summary of John Philip Newell's Sacred Earth, Sacred Soul Everest Media, 2022-03-23T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Around 50 CE, a shift began to occur in parts of the Celtic world, from Druidic to Christian wisdom. The first Christian teacher to emerge in Celtic territory was Irenaeus of Lyons, who had studied in Asia Minor under Polycarp, who in turn had been a student of St. John in Ephesus. #2 Irenaeus was a priest in the second century who was against the way in which celibacy was beginning to be seen as a higher path than marriage. He insisted that the divine and the human are inseparable, and that heaven is found in the things of earth. #3 Irenaeus's teachings on earth's sacredness and humanity's primal instinct for it represent a betrayal of humanity's deep natural knowing. Christ, according to Irenaeus, is a radical affirmation of this knowing. #4 Pelagius was a teacher who arrived in Rome in the 380s. He became a spiritual adviser to some of the leading families of the church in Rome. But controversy engulfed him almost immediately, as the church father Jerome and others relentlessly criticized him.

A New Ancient Harmony John Philip Newell, 2019-08 A reprint of his visionary book A New Harmony with a new preface. A more holistic and natural way of thinking about faith In his previous book, Christ of the Celts, J. Philip Newell emphasized the Celtic view of the oneness of creation and humanity as expressed through Christ. In that poetic treatment of the wisdom of Celtic spirituality, Newell pointed the way to a more peaceful, harmonious, integrated Christianity. A New Ancient Harmony takes the next step forward in emphasizing the need to overcome divisions and find common ground and to reclaim the best of ancient Christian spirituality and a more holistic, natural way of thinking about faith. Offers a view of spirituality rooted in ancient insights that includes and extends beyond Christianity Presents the case for the need for a new harmony that is both mystical and relational The author J. Philip Newell is a well-known expert on Celtic Christianity and the author of the

acclaimed Listening for the Heartbeat of God

The Rebirthing of God John Philip Newell, 2014-06-20 Internationally respected spiritual leader and author John Philip Newell challenges us to explore the major features of a new beginning for Christianity. Speaking directly to the heart of all Christians - as well as to the faithful and seekers of other traditions - he invites us to be part of a new holy birth of sacred living.

Listening for the Heartbeat of God Reissue Newell, 2008-09-01 Listening for the Heartbeat of God presents a spirituality for today, modeled on the vital characteristics of Celtic spirituality throughout the centuries. The emphasis is on the goodness of creation and of humanity made in the image of God.

Rooted Faith Sarah Renee Werner, 2023-09-19 Embrace the call to live differently on this fragile planet. As temperatures rise, natural disasters wreak devastation, and precious species die off one by one, we know we must change how we live in the world. But how? What would it look like if we took seriously the biblical charge to live more peacefully and gently on our fragile planet, if we understood ourselves as neighbors in a community of creation? Rooted Faith explores the future of the church called to live differently—one of reinhabiting our particular landscapes and confronting the assumptions of consumer culture head-on through our lives and actions. Drawing on Scripture, Christian history, and practical theology, author Sarah Renee Werner invites readers into a new way of seeing ourselves in relationship with the rest of creation. She offers tangible practices for opening up our hearts to both the beauty and tragedy around us and guides us toward meaningful action to restore creation. There has never been a more crucial moment to reclaim this overlooked aspect of our faith as we seek to live differently—live well—on this fragile planet.

The Ancient Way River Jordan, 2020-10-13 For years, from her home on a hill outside Nashville, River Jordan felt a call to travel to the mystical Isle of Iona, off the coast of Scotland--the island that gave birth to Celtic Christianity. In *The Ancient Way* she invites us to leave the sacred space of our homes and our lives and join her on this pilgrimage. With the help of friends and the kindness of strangers, Jordan winds her way across green mountains to late-night ferries, across islands and down one-way roads led by the light of Iona and a trust in God. Along the way she explores ancient Celtic Christian practices such as cherishing creation, trusting spiritual friendship, offering hospitality, creative imagination, and honoring community--carrying them home with her to infuse her daily life. This is an intimate story of imagination, of personal transformation, of stillness and prayer. It's also a quirky, thoughtful guide for cultivating divine connection and creativity as we embark on our own wild adventures, chasing after the mystery that calls us all.

Soulful Nature Brian Draper, Howard Green, 2020-01-30 In our busy, pressured world, the natural world can be a powerful counter-balance, offers wisdom for the challenges, pain and dislocations of life as well as for beauty, wonder and healing. In *Soulful Nature*, Brian Draper and Howard Green encourage you to get outside and make deeper connections with

creation and its creator. They charts walking journeys through rural landscapes and town streets over the course of a year, showing how the natural cycle of the changing seasons can awaken us to the rhythms of our own lives. Each chapter explores a different landscape, zooming in on the small details of the natural world as well as panning out to the wide-screen beauty of time and place. Simple and practical spiritual exercises are provided throughout.
