Have Pool Cue Will Travel Mark C. O'Brien, 2020-07

The Black Widow Jeanette Lee, Dana Benbow, Billie Jean King, 2024-08-13 A candid and moving autobiography by the 'Black Widow' of billiards Jeanette Lee was 18 years old when she walked into a New York City pool hall and became enamored by the elegant geometry of the game. Before long, she was an unmistakable figure on the international competition circuit, dressed head-to-toe in black, stalking the billiards table and gazing down her cue as if tracking her prey. In this new memoir, the woman nicknamed 'The Black Widow' opens up about her legendary career and the rich, unpredictable life she's woven around it. Lee details her upbringing in a Korean-American household in Brooklyn, her single-minded drive to reach the pinnacle of her sport, and her unlikely entry into the realm of mainstream celebrity in an era where female athletes rarely got their share of the limelight. Lee also reflects on her lifelong struggle with scoliosis, which necessitated over twenty operations during her playing career; her public battle with Stage 4 ovarian cancer; and the communities that gave her strength throughout. Written with warmth and candor, this is the definitive story of a true icon.

Playing Off the Rail David McCumber, 1996 Award-winning author David McCumber reveals the unknown world of the pool hustler as he travels across the country with one of America's top players, Tony Annigoni. From elegant snookers clubs to high-pressure tournaments to chancy dives, this wise-cracking and occasionally hair-raising road trip explores a distinctive American subculture.

Frozen in Time Adam Raider, 2014-12-01 In 1967 the National Hockey League decided to double its size from six teams to twelve. This expansion was the first of its kind, and Minnesota, with its rich hockey history, was a natural choice for a new franchise. Thus the Minnesota North Stars were born. Frozen in Time examines the organization's signature seasons, from the late 1970s, when the club was at its worst, to its two surprising runs to the Stanley Cup Finals. The book recalls the exploits of characters such as Wren Blair, the firebrand ex-scout who would become the team's first coach and general manager, and owner Norm Green, the man who moved the team to Texas in 1993, making him one of the most hated men in

Minnesota. Here, too, is the tragic story of Bill Masterton, an original North Star whose death in 1968 as the result of an on-ice injury remains the only one in the history of the league. The team's engaging history is brought to life with vivid recollections from former players and legends, including Cesare Maniago, Tom Reid, and Bobby Smith, and from journalists, broadcasters, front office executives, and faithful fans. Also including season-by-season summaries, player profiles, and statistics, *Frozen in Time* offers an authoritative and nostalgic look at Minnesota's still-beloved North Stars and a bygone era of pro hockey.
