He was startled for a moment, then smiled bitterly and said, Mom, why do you always come to tease me so early in the morning? You won't even let me get a good night's sleep!

**The Outsider** Jimmy Connors,2013-05-14 The Outsider is a no-holds-barred memoir by the original bad boy of tennis, Jimmy Connors. Connors ignited the tennis boom in the 1970s with his aggressive style of play, turning his matches with John McEnroe, Bjorn Borg, and Ivan Lendl into prizefights. But it was his prolonged dedication to his craft that won him the public's adoration. He capped off one of the most remarkable runs in tennis history at the age of 39 when he reached the semifinals of the 1991 U.S. Open, competing against players half his age. More than just the story of a tennis champion, The Outsider is the uncensored account of Connors' life, from his complicated relationship with his formidable mother and his storybook romance with tennis legend Chris Evert, to his battles with gambling and fidelity that threatened to derail his career and his long-lasting marriage to Playboy playmate Patti McGuire. When he retired from tennis twenty years ago, Connors all but disappeared from public view. In The Outsider, he is back at the top of his game, and as feisty, outspoken, and defiant as ever. This autobiography includes original color photographs from the author.

**An Impossible Dream Story** J. V. Petretta,2011-10 Vinny tells his roller-coaster story with passion and humor, inviting all of us to join his bicycle ride through the many winding paths of his life. Coming out, growing up, serving his country and fighting for others against all odds: This journey gives hope to anyone on the front line of our equality struggle. Lt. Dan Choi West Point Graduate, Iraq War Veteran and Infantry Officer, honorably discharged for telling the truth and starting a group of West Point LGBT Graduates. An accomplished, aging man is preparing for yet another dream-to conduct the first known bicycle-book tour (which will require peddling both miles and books.) Who will believe 2,500 miles is possible for a man with gravely serious medical issues-at age sixty-five? Witnessing the lifetime spiritual journey of Vinny Pirelli, starting at age six with his very first bicycle, you track his development of being the only boy among many siblings, through growing pains of adolescence and teen years. He struggles with, and represses homosexual tendencies, putting his emotions into bicycling and writing songs. As a young adult, Vinny proves successful at whatever he attempts-even in building a family with the first girl he had sexual feelings for. As a ten-year Army leader, he learns hard lessons of losing friendships, love and trust, with the ultimate betrayal of his own father. J.V. Petretta is a graduate of U. of Maryland, European Division. He is a ten-year U.S. Army Veteran with three overseas tours, including Vietnam. After his honorable discharge, he received a Meritorious Service Medal for distinguished service as 1st Armored Division's Nuclear Control Chief. In addition to earning numerous business accolades, he organized and conducted a 5,000 mile bicycle tour in 1995, bringing critical awareness and funding for AIDS. Author's proceeds from the sale of this book will be divided among selected cycling and LGBT advocate groups, and his own

future work in Africa. Contact: archismo1@yahoo.com
