

On Ideology By Louis Althusser

Angela Franks

On Ideology Louis Althusser, 2020-03-24 The publication of *For Marx* and *Reading Capital* established Louis Althusser as one of the most influential figures in the Western Marxist tradition. *On Ideology* charts Althusser's critique of the theoretical system unveiled in his own major works, and his developing practice of philosophy as a revolutionary weapon.

On The Reproduction Of Capitalism Louis Althusser, 2014-02-04 Louis Althusser's renowned short text 'Ideology and Ideological State Apparatuses' radically transformed the concept of the subject, the understanding of the state and even the very frameworks of cultural, political and literary theory. The text has influenced thinkers such as Judith Butler, Ernesto Laclau and Slavoj Žižek. The piece is, in fact, an extract from a much longer book, *On the Reproduction of Capitalism*, until now unavailable in English. Its publication makes possible a reappraisal of seminal Althusserian texts already available in English, their place in Althusser's oeuvre and the relevance of his ideas for contemporary theory. *On the Reproduction of Capitalism* develops Althusser's conception of historical materialism, outlining the conditions of reproduction in capitalist society and the revolutionary struggle for its overthrow. Written in the afterglow of May 1968, the text addresses a question that continues to haunt us today: in a society that proclaims its attachment to the ideals of liberty and equality, why do we witness the ever-renewed reproduction of relations of domination? Both a conceptually innovative text and a key theoretical tool for activists, *On the Reproduction of Capitalism* is an essential addition to the corpus of the twentieth-century Left.

Essays on Ideology Louis Althusser, 1984

Lenin and Philosophy and Other Essays Louis Althusser, 2001 Louis Althusser has tackled a wide variety of subjects, including philosophy, economics, psychology, aesthetics and political science. This book contains a selection of his writings.

Marx, Durkheim, Weber Ken Morrison, 2006-08-11 This Second Edition is a thoroughly revised, expanded version of the bestselling student text in classical social theory. Author Kenneth Morrison provides an authoritative, accessible undergraduate guide to the three pivotal figures in the classical tradition. Readable and stimulating, the Second Edition of *Marx, Durkheim, Weber: Formations of Modern Social Thought* explains the key ideas of these thinkers and situates them in their historical and philosophical contexts.

For Marx Louis Althusser, 2020-05-05 This is the work in which Louis Althusser formulated some of his most influential

ideas. For Marx, first published in France in 1968, has come to be regarded as the founding text of the school of structuralist Marxism which was presided over by the fascinating and enigmatic figure of Louis Althusser. Structuralism constituted an intellectual revolution in the 1960s and 1970s and radically transformed the way philosophy, political and social theory, history, science, and aesthetics were discussed and thought about. For Marx was a key contribution to that process and it fundamentally recast the way in which many people understood Marx and Marxism. This book contains the classic statements of Althusser's analysis of the young Marx and the importance of Feuerbach during this formative period, of his thesis of the epistemological break between the early and the late Marx, and of his conception of dialectics, contradiction and overdetermination. Also included is a study of the materialist theater of Bertolazzi and Brecht and the critique of humanist readings of Marxism. Since his death in 1990, Althusser's legacy has come under renewed examination and it is increasingly recognized that the influence of his ideas has been wider and deeper than previously thought: reading For Marx, in its audacity, originality and rigor, will explain why this impact was so significant.

Performance Analysis Colin Counsell, Laurie Wolf, 2001 Brings together texts in critical theory and shows how these texts can be used in the analysis of performance. Themed sections include decoding the sign; the politics of performance; the politics of gender and sexual identity; performing ethnicity; the performing body; the space of performance; audience and spectatorship; and the borders of performance--From publisher description.

Ideology & Ideological State Apparatus, 2012

Louis Althusser ,

Ideology and Ideological State Apparatuses (notes Towards an Investigation). Louis Althusser, 1971

The Spectre of Hegel François Matheron, Louis Althusser, 2014-01-07 Louis Althusser is remembered today as the scourge of humanist Marxism, but that was his later incarnation, an identity formed by years grappling with the intellectual inheritance of Hegel and Catholicism. The Spectre of Hegel collects the writings of the young Althusser, before his final epistemological break with the philosopher's work in 1953. The Spectre of Hegel gives a unique insight into Althusser's engagement with a philosophy he would later renounce.

On Law and Ideology Paul H. Hirst, 1979-07-04

Machiavelli and Us Louis Althusser, 2011-01-10 "We do not publish our own drafts, that is, our own mistakes, but we do sometimes publish other people's," Louis Althusser once observed of Marx's early writings. Among his own posthumously released drafts, one, at least, is incontestably neither mistake nor out-take: the text of his lecture course on Machiavelli, originally delivered at the École Normale Supérieure in 1972, intermittently revised up to the mid-1980s, and carefully prepared for publication after his death in 1990. Though only appearing as an occasional reference in the Marxist

philosopher's oeuvre, Machiavelli was an unseen constant presence. For together with Spinoza and Marx, Machiavelli was a veritable Althusserian passion. Machiavelli and Us reveals why, and will be welcomed for the light it sheds on the richly complex thought of its author.

Critical Discourse Analysis of Chinese Advertisement Chong Wang, 2017-07-04 This book reflects the chronological changes in Chinese cultural values, social relations, economy and politics by critically analyzing the Chinese advertising discourse. The work is based on research into the ideological values portrayed in Chinese household appliance advertisements in the 1980s – 1990s. The analytical framework covers a variety of methods: critical discourse analysis, chronological analysis, visual and verbal analysis, and qualitative and quantitative analysis. The findings suggest that ideological values consciously or unconsciously manifested by the visual and verbal devices in the Chinese advertisements moved in a pattern from simplicity to diversity, from being politically-oriented to being economically and profit-oriented, from conservatism to globalization and westernization, in keeping with the progression of the Chinese economic reform. The findings further indicate that the ideological values in the Chinese household appliance advertisements are embedded in the advertising language and illustrations. Lastly, the work reveals the reality of Chinese politics, economy and society at a time when China experienced the growth of the market economy and evolution of Chinese mainstream ideologies, and demonstrates the impacts of these changes on the ideological meanings in advertisements. This book will help readers discover the more profound meanings behind the superficial content of Chinese advertisements.

Body and Identity Angela Franks, 2025-08-15 Angela Franks provides a sweeping intellectual history of identity, particularly in terms of how identity relates to the body, with an emphasis on the importance of Christianity to this understanding. Modern questions about our bodies and how we see ourselves are often complex and problematic. To better answer these contemporary questions and navigate “identity politics,” Angela Franks seeks to provide a better understanding of identity. She begins by giving three basic meanings of the term: identity through time, the “true” or authentic self, and our awareness of ourselves. She engages with thinkers from antiquity to present day and investigates the decisive developments that Christianity provided. Within Christianity came a new awareness of the distinctive individuality of each person—the “true self”—called by God in a way that often breaks away from the “solid” or fixed structures of identity formation, such as family, class, and nation. This more “liquid” idea of identity continues to evolve in modern times, though without its theistic emphasis on God’s call. The result is a purely liquid self that consists of consciousness and activity, but without a grounded self that is either the object or the subject of consciousness. This is the empty self we have today, one that is given much more to do and less to be. A comprehensive history of identity, *Body and Identity* brings the theological history of the self to the forefront in order to address the empty self and how identity is defined today.

Encountering Althusser Katja Diefenbach, Sara R. Farris, Gal Kirn, Peter Thomas, 2013-01-10 French philosopher Louis

Pierre Althusser (1918 -1990) helped define the politico-theoretical conjuncture of pre- and post-1968. Today, there is a recrudescence of interest in his thought, especially in light of his later work, published in English as *Philosophy of the Encounter* (Verso, 2006). This has led to renewed debates on the reformulation of conflicting notions of materialism, on the event as both philosophical concept and political construction, and on the nature of politics and the political. These original essays by leading scholars aim to provide a new assessment of Althusser's thought, especially in relation to contemporary debates. Organized in four sections that represent the main currents in Althusser's scholarship, the book discusses materialism and the different formulations of the relationship between politics and philosophy, Althusser's interpretations of political thinkers (including Machiavelli, Deleuze and Gramsci), the resources he provides to critique political economy and politics in post-Marxist thought, and the theorization of ideology and politics. *Encountering Althusser* is a groundbreaking resource that highlights Althusser's continuing relevance to contemporary radical thought.

On Ideology By Louis Althusser Introduction

In today's digital age, the availability of On Ideology By Louis Althusser books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and

carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of On Ideology By Louis Althusser books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of On Ideology By Louis Althusser books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing On Ideology By Louis Althusser versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, On Ideology By Louis Althusser books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for

textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing On Ideology By Louis Althusser books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for On Ideology By Louis Althusser books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, On Ideology By Louis Althusser books and
