One Last Breath P S Cunliffe, 2024-01-16 'The twists were WOW! I did not want to stop reading because I wanted to know what was next' Reader review, 5 stars 'This book blew my mind! You know it's good when you get past half way in one sitting!' Reader review, 5 stars The water's rising, the temperature's dropping. Time is running out... I wake up to darkness, my head pounding. As I reach out, my hands meet cold hard stone, and I realise in one single terrifying moment that I'm back where it all started - trapped at the bottom of the well where my best friend Amy's body was found fifteen years ago. My husband Martin warned me not to come back here. Westhaven turned its back on me a long time ago, after my hit true crime documentary freed Amy's murderer and made our small town infamous. But when another teenager turned up dead, I knew I couldn't stay away... Did I get too close to the truth? Is that why my captor put me down here? But the way they're taunting me from the top of the well feels too personal. They say if I want to live, I have to tell the truth. If I want to hold my little girl again, I have to figure out who put me down here and what secret they claim I'm keeping. But how long until I have only one last breath? A totally gripping, dark and twisty psychological thriller that will leave you breathless. Perfect for fans of Lisa Jewell, Mark Edwards and Freida McFadden. Readers have been loving One Last Breath: 'Heart-pounding thriller that left me on the edge of my seat. Definitely one of the best books this year' Reader review, 5 stars 'Riveting and engaging ... a testament to Cunliffe's storytelling prowess, delivering a gratifying and suspenseful experience' Reader review, 5 stars 'White knuckles from the very first page and the tension does not let up!' Reader review, 5 stars

**One Last Breath** Lisa Jackson, Nancy Bush, 2018-04-24 A society wedding interrupted by deadly violence sends the bride into hiding in this romantic thriller by two New York Times bestselling authors. Rory Abernathy's wedding to Liam Bastian was supposed to be the event of the season. Instead, it was a bloodbath. Rory fled after stabbing a masked intruder, just before a gunman opened fire on the wedding party. Five years on, Rory still has no idea who was behind the attacks. Fearful she and her daughter remain targets, she's made a new life far from Liam and the wealthy, powerful Bastians. But even in remote Point Roberts, Washington, Rory can't hide from the past. Liam tracks her down, stunned to learn they have a child. Did someone in Rory's family try to kill him for his portion of the Bastian estate? As they gradually overcome distrust in search of the truth, Rory knows one thing for certain: someone is watching her... Time has passed, but the killer's need for vengeance hasn't. And as a nightmare stirs to life again, Rory will find that this time, there's nowhere left to run . . .

**One Last Breath** Laura Griffin,2007-09-25 When a woman starts investigating her wealthy ex-husband's shady dealings she collides with an ex-cop out for revenge. When pampered former cheerleader Feenie Malone takes a job writing fluff pieces for her South Texas paper, she has no idea she's about to stumble into a juicy news story that could launch her career—if it doesn't get her killed first. Almost as soon as she breaks out her press pass, she crosses paths with Marco Juarez, the macho PI obsessed with solving his sister's murder. The information he has might be the perfect lead but his dangerously sexy looks could be a deadly distraction. Juarez has zero patience for reporters, especially mouthy blond ones. But with the evidence pointing to Feenie's ex-husband, Marco thinks she could be useful. Confident he can keep her on a tight leash, he lets her in on his investigation. He quickly discovers he's underestimated his new partner, as well as the danger they both face. Now he must protect her—to the very last breath.

**The Rainbreaker** Steve Simon,2007-07 You just watched the 6 o'clock news. Now ask yourself, When is God going to throw in the towel? God came close once before: The Flood of Genesis. And John, in the last book of the Bible, wrote the newscast for the Armageddon. So where do we stand right now? Steve Simon doesn't presume to know. After all, he's an agnostic. But he does choose to believe in God. However, he's losing his faith in man. On the other hand, he hasn't lost his sense of humor and he has a cat to guide him through the hard times. Makes sense. The Rainbreaker is a fable that attacks some tough moral issues with a lot of good-natured fun. Lest you think that the author is poking fun at God, rest assured. God always comes out on top. It's stupid human tricks (such as the failure of nearly all human institutions) that convince Steve Simon that God will not destroy the world but simply replace humans with animals. Or something like that. Adults who've enjoyed *Marley & Me* and the satire of Amrose Bierce, P.J. O'Rourke, and Chris Buckley will laugh out loud at this genre-bender with a message.

*Impact* Rob Boffard,2024-09-24 Following *Tracer* and *Zero-G* comes *Impact*, the explosive conclusion to the Outer Earth trilogy -- a heart-pounding thriller set in space where the hero moves like lightning and the consequences for failure are deadly. A signal has been picked up from Earth. The planet was supposed to be uninhabitable. But it seems there are survivors down there -- with supplies, shelter and running water. Perhaps there could be a future for humanity on Earth after all. Riley Hale will find out soon enough. She's stuck on a spaceship with the group of terrorists that is planning to brave the

planet's atmosphere and crash-land on the surface. But when the re-entry goes wrong, Riley ends up hundreds of miles from her companions Prakesh and Carver, alone in a barren wilderness. She'll have to use everything she knows to survive. And all of them are about to find out that nothing on Earth is what it seems . . .

*Understanding World Christianity* Kim-kwong Chan, 2019-09-03 Christianity is a global religion! It's an obvious fact, but one often missed or ignored in too many books and conversations. In a world where Christianity is growing everywhere but the West, the Understanding World Christianity series offers a fresh, readable orientation to Christianity around the world. Understanding World Christianity is organized geographically, by nation and region. Noted experts, in most cases native to the area of focus, present a balanced history of Christianity and a detailed discussion of the faith as it is lived today. Each volume addresses six key intersections of Christianity in a given context including the historical, denominational, sociopolitical, geographical, biographical, and theological settings. Accessible in tone and brief in length, the volume on China in the Understanding World Christianity series is an ideal introduction for students, mission leaders, and any others who wish to know how Christianity is influenced, and is influenced by, the Chinese context.
