633 Days Inside: Lessons on Life and Leadership Greg Lindberg,2022-09-19 In March of 2020, Greg Lindberg was wrongfully convicted and sentenced to 87 months in Federal Prison. He appealed on the ground that the district court violated his constitutional right to due process and a fair trial by taking away from the jury the most critical issue in the case. In June of 2022, the United States Court of Appeals for the Fourth Circuit unanimously agreed and vacated his convictions on both counts. This book tells Greg's story while in prison: what he learned and how he turned the adversity of prison into an even greater advantage. This book will help you turn your own failures, challenges, and adversities into even greater success.
