

Quote About Seeing Clearly

S Nieto

I Can See Clearly Now Dr. Wayne W. Dyer, 2015-02-24 For many years, Dr. Wayne W. Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-empowerment and the best-selling author of more than 40 books, Wayne has finally done just that! However, he has written it in a way that only he can—with a remarkable take-home message for his longtime followers and new readers alike—and the result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In this revealing and engaging book, Wayne shares dozens of events from his life, from the time he was a little boy in Detroit up to present day. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Yet then he views the events from his current perspective, noting what lessons he ultimately learned, as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service. As a reader, you will feel as if you are right there with Wayne, perusing his personal photo album and hearing about his family, his time in the service, how he writes his best-selling books, and so much more. In the process, you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now. Wayne has discovered that there are no accidents. Although we may not be aware of who or what is moving the checkers, life has a purpose, and each step of our journey has something to teach us. As he says, I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply grateful for all of it. *I Can See Clearly Now* is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses, helping us accomplish the mission we came here to fulfill.

The Problem of Relativism in the Sociology of (Scientific) Knowledge Richard Schantz, Markus Seidel, 2013-05-02 This volume comprises original articles by leading authors - from philosophy as well as sociology - in the debate around relativism in the sociology of (scientific) knowledge. Its aim has been to bring together several threads from the relevant disciplines and to cover the discussion from historical and systematic points of view. Among the contributors are Maria Baghramian, Barry Barnes, Martin Endreß, Hubert Knoblauch, Richard Schantz and Harvey Siegel.

Bodies and Souls John Rechy, 2007-12-01 "A memorable feast . . . powerful, chilling, moving . . . extraordinary" from the bestselling author of *City of Night* and *The Sexual Outlaw* (Los Angeles Times). An exceptional novel from the bestselling author of the modern classic *City of Night*, *Bodies and Souls* is a portrait of modern Los Angeles on an epic scale, "the most spiritual and physical of cities." Gorgeous, seedy, and striving, the Los Angeles of Rechy's imagination is a magnetic city that draws to it the nation's brightest and darkest energies—characters that include a female porn superstar; a young Chicano punk-rock fan; a Bel Air matron and her tyrannical husband, a Supreme Court judge; an aging male stripper; a black maid with apocalyptic visions; and a cynical TV anchorwoman. Through this rich tapestry of human struggle, Rechy paints a lush portrait of a paradise lost but also a heroic odyssey in search of redemption. "Masterful . . . one of the most important novels of the year." —Dallas Times Herald "There's so much energy, ambition, and humor in *Bodies and Souls* that the phrase 'scarred beauty' might well describe the novel." —The New York Times Book Review "Brilliant portraits of modern lives . . . superb." —San Francisco Chronicle "Rechy is very good at evoking the seamier side of the streets, and he is masterful in funny, graphic sex scenes." —Publishers Weekly
