Courageous World Changers Shirley Raye Redmond, 2020-01-07 WINNER OF CHRISTIANITY TODAY'S 2021 BOOK AWARD FOR CHILDREN & YOUTH Women of Fearless Faith Meet women who have used their God-given talents to live out their faith to the fullest. They come from a variety of backgrounds, eras, and ethnicities, but each one has answered the Lord's call on their life in bold and innovative ways. Children of all ages will be inspired by the stories of Corrie ten Boom—activist, author, and Holocaust survivor Laurie Hernandez—gymnast who won both gold and silver medals in her sport Florence Nightingale—health care reformer Madeline L'Engle—author of children's literature Katherine Johnson—trailblazing NASA mathematician These and the 45 other female spiritual role models featured in this book have made a profound impact on the world around them, and in many cases changed the course of history. Strong, smart, and sometimes outspoken, these women are tremendous examples of God's love in action. These inspiring profiles will captivate kids' imaginations and encourage them to discover their own gifts and how they can use them to glorify God.

The Writings of Harriet Beecher Stowe Stowe, 1896

America Aflame David Goldfield, 2011-03-15 In this spellbinding new history, David Goldfield offers the first major new interpretation of the Civil War era since James M. McPherson's *Battle Cry of Freedom*. Where past scholars have limned the war as a triumph of freedom, Goldfield sees it as America's greatest failure: the result of a breakdown caused by the infusion of evangelical religion into the public sphere. As the Second Great Awakening surged through America, political questions became matters of good and evil to be fought to the death. The price of that failure was horrific, but the carnage accomplished what statesmen could not: It made the United States one nation and eliminated slavery as a divisive force in the Union. The victorious North became synonymous with America as a land of innovation and industrialization, whose teeming cities offered squalor and opportunity in equal measure. Religion was supplanted by science and a gospel of progress, and the South was left behind. Goldfield's panoramic narrative, sweeping from the 1840s to the end of

Reconstruction, is studded with memorable details and luminaries such as Harriet Beecher Stowe, Frederick Douglass, and Walt Whitman. There are lesser known yet equally compelling characters, too, including Carl Schurz-a German immigrant, warhero, and postwar reformer-and Alexander Stephens, the urbane and intellectual vice president of the Confederacy. *America Aflame* is a vivid portrait of the fiery trial that transformed the country we live in.

Harriet Beecher Stowe Jean Ashton, 1977

The Publishing History of Uncle Tom's Cabin, 1852-2002 Dr Claire Parfait, 2013-04-28 *Uncle Tom's Cabin* continues to provoke impassioned discussions among scholars; to serve as the inspiration for theater, film, and dance; and to be the locus of much heated debate surrounding race relations in the United States. It is also one of the most remarkable print-based texts in U.S. publishing history. And yet, until now, no book-length study has traced the tumultuous publishing history of this most famous of antislavery novels. Among the major issues Claire Parfait addresses in her detailed account are the conditions of female authorship, the structures of copyright, author-publisher relations, agency, and literary economics. To follow the trail of the book over 150 years is to track the course of American culture, and to read the various editions is to gain insight into the most basic structures, formations, and formulations of literary culture during the period. Parfait interrelates the cultural status of this still controversial novel with its publishing history, and thus also chronicles the changing mood and mores of the nation during the past century and a half. Scholars of Stowe, of American literature and culture, and of publishing history will find this impressive and compelling work invaluable.
