How to Shoot Friends and Influence People: Chopper 3 Mark Brandon "Chopper" Read, Mark Brandon Read, 2012-02-15 'Crims and screws agree on one thing: that the people who run prisons wouldn't know if a tram was up them unless you rang the bell.' How to Shoot Friends and Influence People, Mark Brandon 'Chopper' Read's third book, was written behind bars as Chopper faced life in prison for a shooting he claimed he didn't commit. For this book, Chopper obtained confidential and extensive prison files relating to him under the Freedom of Information Act. These included psychological assessments, plus prison classification and discipline records. They provide a fascinating insight into how this maverick criminal dealt with the prison system over two decades. Featuring the infamous story of Tanya and Eddy, Chopper's coming-of-age yarn from his 18th birthday, plus reflections on the end of his long-term relationship and what it's like to be the most famous author-in-residence at Risdon Prison, this third volume of his memoirs contains more tales of the criminal underworld told in Chopper's unique style.

Hits and Memories: Chopper 2 Mark Brandon "Chopper" Read, Mark Brandon Read, 2012-02-15 'It was just after dawn on Thursday, November 14, 1991. The hatch on the cell door slid back. I could see the screw's face through the slit. I've seen better heads on a pig dog, but this time I could have kissed him.' Underworld standover man and executioner Mark Brandon 'Chopper' Read was released from Pentridge Prison in November, 1991, vowing never to return. He became an instant celebrity when his autobiography Chopper: From the Inside hit the bestseller lists (it also holds the record as Australia's most shop-lifted book). Six months later, he was back in jail charged with the shooting of a biker, and busy writing his second volume of memoirs. In this sequel, Chopper gives us more stories of crime and criminals that made his first book an international publishing sensation, from bookie robberies to hitmen, slavery and kidnapping. Written with dark humour and an intimate knowledge of some of Australia's most notorious criminals and crimes, Hits and Memories is a unique look at Australia's underbelly.

Chopper Unchopped Mark Brandon "Chopper" Read, Mark Brandon Read, 2012-12-01 All eleven volumes of Chopper's original memoirs ... unchopped Mark Brandon Chopper Read is Australia's most famous standover man and one of its most prolific authors. Now, for the very first time, all eleven volumes of Chopper's memoirs are together in this special collector's edition. From his criminal youth to his time in prison to his life as a reformed man, the entire journey is here. This omnibus

edition contains the following complete and unabridged books: From the Inside: Chopper 1 Hits and Memories: Chopper 2 How to Shoot Friends and Influence People: Chopper 3 For the Term of His Unnatural Life: Chopper 4 Pulp Faction: Chopper 5 No Tears for a Tough Guy: Chopper 6 The Singing Defective: Chopper 7 The Sicilian Defence: Chopper 8 The Final Cut: Chopper 9 The Popcorn Gangster: Chopper 10.5 Last Man Standing: Chopper 11 Chopper is an icon in popular Australian culture and in the criminal underworld. Find out why in Chopper's own words.

Last Man Standing: Chopper 11 Mark Brandon "Chopper" Read, Mark Brandon Read, 2012-02-15 'I've dug a few graves in my time. But I have never made a man dig his own grave. There's no need to go that far - it would be plain bad manners.' Mark Brandon 'Chopper' Read grew up hungry for revenge. He ended up cleaning the streets as an underworld standover man and executioner. He was released from Pentridge Prison in 1991 and became a bestselling author with his autobiography Chopper: From the Inside. Chopper's adventures, however, were far from over. The smart money said that Chopper would be the first to go in any underworld war but the smart money was wrong. He vowed to outlive his enemies and write their epitaphs and he did so, predicting who would be killed long before the assassins' guns were loaded. Only Chopper would live to tell the tale, with Last Man Standing the final instalment of his series of morbidly funny and often brutal memoirs.

Road to Nowhere Mark Read, 2011-10-01 Meet Mark 'Chopper' Read. You think you know him. His books have sold hundreds of thousands of copies in Australia. He's been the subject of an internationally successful film. His one-man shows have toured Australia to sell-out crowds. He's the most recognisable criminal brand name in Australia. But the truth is, you don't know him at all. The real Chopper has been an enigma - until now, that is. This is the definitive Chopper story. From his strange, tortured childhood, to the formative years as a young gang member and developing criminal, to his decades in and out of prison in Victoria and Tasmania, to his friends and enemies, and his crimes and punishments, this book gives us the true stories that lie behind the Chopper myths, as well as the stories he's never revealed before.

Brotherhoods Arthur Veno, Edward Gannon, 2009 More than fifty thousand copies sold in Australia, now fully updated and

revised. Bikies consider themselves 'the last free people in society'; unrestricted by the laws that rule ordinary citizens. Yet they have strict joining rules and jealously guard their privacy. The twenty-first century has seen bikie culture move from secretive disorganised crime to far more threatening organised criminal activities that led to the death of a Hells Angel's associate at Sydney airport in 2009, and the gang-style killings that preceded it. Arthur Veno's account of bikie culture is as close to firsthand as is ever likely to be published. Australia's leading bikie expert, Veno reveals the true picture of the brotherhoods. Drawing on in-depth interviews, personal stories and years of meticulous research, he explains the rules and rituals of the clubs, tells of landmark incidents and profiles some famous bikies. In this fully revised edition of *The Brotherhoods* he outlines the rise of the so-called Nike bikies whose drugs and turf wars threaten to spill onto our streets, and the attempts by governments to introduce controversial laws to control the violence. *The Brotherhoods* is the definitive account of bikie culture in Australia.

Hard Road Peter Edwards, 2017-05-02 You could call Bernie Guindon the Sonny Barger of Canadian bikers (but not to his face). The founder of Satan's Choice, Guindon led what was in the 1960s the second-largest biker club in the world to national prominence and international infamy. His life wasn't all bikes and crime. He was also a medalist in boxing for Canada at the Pan Am Games. That tension between the very rough life he was born into and the possibility for success in the straight world (and how aspirations in each fed his success in the other) layer Guindon's story, one of the great untold stories in biker history.

Hell's Angel Ralph Barger, Sonny Barger, 2000 A tale of loyalty and betrayal, brotherhood and liberation, *Hell's Angel* is the bestselling story of the group's visionary founder and his fight for personal freedom and the right to live the outlaw life on the open road. 50 photos.
