

The Book Of The Disquiet

Geneviève Robichaud

The Book of Disquiet Fernando Pessoa, 2010-12-09 Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

The Book of Disquiet Fernando Pessoa, 2002-05-30 With its astounding hardcover reviews Richard Zenith's new complete translation of *THE BOOK OF DISQUIET* has now taken on a similar iconic status to *ULYSSES*, *THE TRIAL* or *IN SEARCH OF LOST TIME* as one of the greatest but also strangest modernist texts. An assembly of sometimes linked fragments, it is a mesmerising, haunting 'novel' without parallel in any other culture.

The Book of Disquiet Fernando Pessoa, 2018-08-02 *The Book of Disquiet* is one of the great literary works of the twentieth century. Written over the course of Fernando Pessoa's life, it was first published in 1982, pieced together from the thousands of individual manuscript pages left behind by Pessoa after his death in 1935. Now this fragmentary modernist masterpiece appears in a major new edition that unites Margaret Jull Costa's celebrated translation with the most complete version of the text ever produced. It is presented here, for the first time in English, by order of original composition, and accompanied by facsimiles of the original manuscript. Narrated principally by an assistant bookkeeper named Bernardo Soares - an alias of sorts for Pessoa himself - *The Book of Disquiet* is 'the autobiography of someone who never existed', a mosaic of dreams, of hope and despair; a hymn to the streets and cafés of 1930s Lisbon, and an extraordinary record of the inner life of one of the century's most important writers. This new edition represents the most complete vision of Pessoa's genius.

The Book of Disquiet - Fernando Pessoa Fernando Pessoa, 2025-04-30 *The Book of Disquiet* by Fernando Pessoa is a deeply introspective and fragmentary work that defies traditional narrative structures, offering instead a mosaic of reflections on identity, solitude, dreams, and the elusive nature of reality. Written under the heteronym Bernardo Soares, the book presents a semi-fictional diary filled with philosophical musings, emotional detachment, and lyrical prose. Pessoa delves

into the inner life of his narrator, revealing a world shaped more by thought than by action, where introspection becomes both a refuge and a burden. Since its posthumous publication, *The Book of Disquiet* has been celebrated for its existential depth and literary innovation. The work challenges readers with its lack of linear plot and its persistent questioning of selfhood and meaning. Pessoa's mastery of paradox and his ability to capture the subtle dissonances of human experience have made this book a cornerstone of modernist literature. Its lasting significance lies in its honest portrayal of inner turmoil and its exploration of consciousness as a fragmented and ever-shifting reality. *The Book of Disquiet* remains a haunting meditation on the complexities of being, offering readers a mirror to their own uncertainties and inner contradictions.

The Book of Disquietude Fernando Pessoa, 1996 This is the factless autobiography of Bernardo Soares, one of the 72 literary personae or heteronyms with which Fernando Pessoa created the theatre of himself. Conceived in 1916, Soares is, Pessoa declares, 'a mutilation' of his own personality. The circular text returns again and again to a protagonist desperate to find out who he is.

The Book of Disquiet Fernando Pessoa, 1991

The Book of Disquiet Fernando Pessoa, 1998 By Fernando Pessoa. Translated and with an Introduction by Alfred Mac Adam.

An Unwritten Novel: Fernando Pessoa's The Book of Disquiet Thomas Cousineau, 2013-07-16 A richly insightful guide to Fernando Pessoa's masterpiece, for both students and the common reader. "Anything and everything, depending on how one sees it, is a marvel or a hindrance, an all or a nothing, a path or a problem," says Bernardo Soares, the putative author of Fernando Pessoa's classic *The Book of Disquiet*. Thomas Cousineau's *An Unwritten Novel* offers the general reader, as well as students and teachers, an "Ariadne's thread" that will help them to find their way through this labyrinthine masterpiece: a self-proclaimed "factless autobiography" in which all the expected elements of the contemporary novel remain "unwritten."

Embodying Pessoa Anna Klobucka, Mark Sabine, 2007-01-01 The multifaceted and labyrinthine oeuvre of the Portuguese poet Fernando Pessoa (1888–1935) is distinguished by having been written and published under more than seventy different names. These were not mere pseudonyms, but what Pessoa termed 'heteronyms,' fully realized identities possessed not only of wildly divergent writing styles and opinions, but also of detailed biographies. In many cases, their independent existences extended to their publication of letters and critical readings of each other's works (and those of Pessoa 'himself'). Long acclaimed in continental Europe and Latin America as a towering presence in literary modernism, Pessoa has more recently begun to receive the attention of an English-speaking public. *Embodying Pessoa* responds to this new growth of interest. The collection's twelve essays, preceded by a general introduction and grouped into four themed sections, apply a range of current interpretative models both to the more familiar canon of Pessoa's output, and to less familiar texts – in many cases only recently published. As a whole, this work diverges from traditional Pessoa criticism by testifying to the importance of

corporeal physicality in his heteronymous experiment and to the prominence of representations of (gendered) sexuality in his work.

The Poetics of Translation Geneviève Robichaud, 2024-07-15 Translation is a vital method of not just reading but writing and forms the basis of an exciting range of critical, artistic, and literary opportunities. Combining close readings of literary texts alongside astute critical observations from works by Avital Ronell and Walter Benjamin, amongst others, *The Poetics of Translation* re-examines key translation studies concepts, challenging our sometimes pragmatic understanding of translation and asking what it is that the discipline can make visible. By highlighting the possibilities of translation as an art form in contemporary innovative writing practices, Geneviève Robichaud reveals translation's creative and critical potential, arguing that even those literary works that are not exactly translations gain in being apprehended as such. *The Poetics of Translation* values oblique, even unfinished sources of meaning, dwelling in the speculative spaces of texts and drawing attention to translation as poesis, as creating that which is tangible and valuable. Situated at the juncture of translation poetics and literary studies, the book celebrates the uncertainty of translation, the plasticity of language and ideas, and the desire to interpret rather than reiterate.

Pessoa's Geometry of the Abyss Paulo De Medeiros, 2017-07-05 Fernando Pessoa wrote prolifically in many genres until his untimely death in 1935, and he has long been widely recognized as Portugal's most influential twentieth century writer. The publication of the *Book of Disquiet* in 1982, however, caused a seismic change in the appreciation of his work and its place in Modernism. In that great and vast collection of fragments, Pessoa firmly established his place among the canon of European modernists and radically questioned many of Modernity's assumptions. Alain Badiou, for example, has argued that philosophers are not yet able to assimilate Pessoa's thinking. Paulo de Medeiros's new study, one of the first to be dedicated to the *Book of Disquiet*, takes up that challenge, exploring the text's connections with photography, film, politics and textuality itself, and developing comparisons with D. H. Lawrence, Walter Benjamin, and Franz Kafka. Paulo de Medeiros is Professor of Modern and Contemporary World Literatures in the Department of English and Comparative Literary Studies at the University of Warwick.

Virtual Subjects, Fugitive Selves Jonardon Ganeri, 2020-11-19 *Virtual Subjects, Fugitive Selves* is a sustained analytical exploration of the rich philosophy of self of the Portuguese poet Fernando Pessoa (1888-1935). Pessoa has become many things to many people in the years that have passed since his untimely death. For some, he is simply the greatest Portuguese poet of the twentieth century. For others, he has gradually emerged as a forgotten voice in 20th century modernism. And yet Pessoa was also a philosopher, and it is only very recently that the philosophical importance of his work has begun to attract the attention it deserves. Pessoa composed systematic philosophical essays in his pre-heteronymic period, defending rationalism in epistemology and sensationism in the philosophy of mind. His heteronymic work, decisively

breaking with the conventional strictures of systematic philosophical writing, is a profound and exquisite exploration in the philosophy of self. In *Virtual Subjects, Fugitive Selves*, Jonardon Ganeri pulls together the strands of Pessoa's philosophy and rearticulates it in a way that does justice to its breathtaking originality. He reveals the extraordinary power of Pessoa's theory by applying it to the analysis of some of the trickiest and most puzzling problems about the self to have appeared in the global history of philosophy.

Fernando Pessoa, *The Book of Disquiet*, Translated by Margaret Jull Costa ,2017

***The Book Buyer* ,1901**

The Book of Literary Design Siu-kit Wong, Allan Chung-hang Lo, Kwong-tai Lam, 1999-08-01 The earliest book-length treatise in Chinese literary criticism, the *Wenxin diaolong* is of central importance in the Chinese tradition. The work was compiled in the sixth century, one of the most fertile and original periods in Chinese critical thinking. Its author, Liu Xie, was a Buddhist monk as well as a Confucian scholar, and so represented the main persuasions of China. The *Wenxin diaolong* first came to be noted in the seventeenth century, when it was studied by scholars and edited by Mei Qingsheng. When the study of literary criticism became an independent discipline early in the twentieth century, it developed into a cynosure that was widely discussed and provided with learned annotations. This volume presents a fresh translation of the *Wenxin diaolong* that is at once authoritative and elegant. It may well be regarded as a standard reference by students of sinology and comparative literature.

Scottish liturgies of the reign of James VI. The Book of common prayer ... with other rites and ceremonies ... before the change made by the archb. of Canterburie, ed. by G.W. Sprott Church of Scotland, 1901

The Book of Enoch Robert Henry Charles, 1893

The Book and Disquiet: Fernando Pessoa Between Literature and Philosophy Odelia Hitron, 2018

The Selected Prose of Fernando Pessoa Fernando Pessoa, 2007-12-01 A selection of prose by "Portugal's greatest writer of the twentieth century . . . as addictive, and endearing, as Borges and Calvino" (*The Washington Post Book World*). Building on the wonderful *Fernando Pessoa & Co.: Selected Poems*, which was acclaimed by *Booklist* as "a beautiful one-volume course in the soul of the twentieth century," translator Richard Zenith has now edited and translated selections from Pessoa's prose, offering a second volume of this forgotten master's flights of imagination and melancholy wit. Though known primarily as a poet, Pessoa wrote prose in several languages and every genre—the novel, short stories, letters, and essays. The pieces collected here span intellectual inquiry, Platonic dialogue, and literary rivalries between Pessoa's many alter egos—a diverse cast of literary voices he called 'heteronyms'—who launch movements and write manifestos. There are appreciations of Shakespeare, Dickens, Wilde, and Joyce; critical essays in which one heteronym derides the work of another; experiments with automatic writing; and works that toy with the occult. Also included is a generous selection from Pessoa's

masterpiece, *The Book of Disquiet*, freshly translated by Richard Zenith from newly discovered materials. Fernando Pessoa was one of the greatest exponents of modernism. *The Selected Prose of Fernando Pessoa* is an important contribution to literature that brings back to life a forgotten but crucial part of the canon.

The book of disquiet Michel van der Aa, Ana Moura, João Reis, 2009
