The Winners Fredrik Backman, 2022-09-27 Return to the close-knit, resilient community of Beartown with this “engrossing page-turner” (Woman’s World) about first loves, second chances, and last goodbyes—from the #1 New York Times bestselling author of *Anxious People* and *A Man Called Ove*. Over the course of two weeks, everything in Beartown will change. Two years have passed since the events that no one wants to think about. Everyone has tried to move on, but there’s something about this place that prevents it. The destruction caused by a ferocious late-summer storm reignites the old rivalry between Beartown and the neighboring town of Hed, a rivalry which has always been fought through their ice hockey teams. Maya Andersson and Benji Oovich, two young people who left in search of a better life, come home and joyfully reunite with their closest childhood friends. There is a new sense of optimism and purpose in the town, embodied in the impressive new ice rink that has been built down by the lake. Maya’s parents, meanwhile, are caught up in an investigation of the hockey club’s murky finances, and Amat—once the star of the Beartown team—has lost his way after an injury and a failed attempt to get drafted into the NHL. Simmering tensions between the two towns turn into acts of intimidation and then violence. All the while, a fourteen-year-old boy grows increasingly alienated from this hockey-obsessed community and is determined to take revenge on the people he holds responsible for his beloved sister’s death. He has a pistol and a plan that will leave Beartown with a loss that is almost more that it can stand. Discover what it means to forgive with this “hell of a conclusion to an outstanding series” (Booklist, starred review). A poignant and moving read perfect for fans of *Friday Night Lights*.

The Beartown Trilogy Ebook Collection Fredrik Backman, 2022-12-27 Rediscover this “lyrical look at how a community heals, how families recover, and how individuals grow” (The Washington Post) with the complete Beartown trilogy in one unputdownable ebook from the #1 New York Times bestselling author Fredrik Backman. In the “beautifully told” (The New York Times Book Review) Beartown—which inspired the HBO series of the same name—a small town obsessed with the local junior hockey team is rocked by a shocking act of violence. As accusations and rumors fly, the town must grapple with its identity as never before. Tensions rise when it’s rumored that the Beartown hockey team will be disbanded in *Us Against You*. The entire future of the team and the town hinges on an upcoming game that could change everything forever. Finally, the series that “deftly explores recovery and rebirth” (Us Weekly) comes to an evocative conclusion with *The Winners*. In the two years since the events of Beartown, the residents must face difficult questions and determine just what they are willing

to sacrifice for their home.

The Winners Fredrik Backman, 2022-10-04 'I utterly believed in the residents of Beartown, and felt ripped apart by the events in the book' JOJO MOYES WHAT DOES IT TAKE TO STAND TOGETHER? 'It's often said that winners write history, but there are no winners here' This is a small story about big questions. It's a story about family, community, life. It starts with a storm - and a death. But how does it end? Two years have passed since the events that no one wants to think about. Everyone has tried to move on, but there's something about this place that prevents it. The residents continue to grapple with life's big questions: What is a family? What is a community? And what, if anything, are we willing to sacrifice in order to protect them? As the locals of Beartown struggle to overcome the past, great change is on the horizon. Someone is coming home after a long time away. Someone will be laid to rest. Someone will fall in love, someone will try to fix their marriage, and someone will do anything to save their children. Someone will submit to hate, someone will fight, and someone will grab a gun and walk towards the ice rink. So what are the residents of Beartown willing to sacrifice for their home? Everything. PRAISE FOR THE BEARTOWN BOOKS: 'This is a stunning read that plunges you into another world. Backman writes with incredible sensitivity and insight. Every one of the characters is real and multi-faceted, having you breathlessly turning the pages, following their fears and hopes, fretting for their futures. This is storytelling at its best: Emotional, vivid, wise and utterly brilliant' HAZEL PRIOR 'Surrounded by impenetrable forests, Beartown recreates the stifling atmosphere of a dying community. A mature, compassionate novel' SUNDAY TIMES 'Backman can tickle the funny bone and tug on the heart strings when he needs to, and is a clever enough storyteller to not overindulge in either' INDEPENDENT 'As popular Swedish exports go, Backman is up there with ABBA and Stieg Larsson' THE NEW YORK TIMES BOOK REVIEW 'Backman is a masterful writer' KIRKUS REVIEW

My Friends Fredrik Backman, 2025-05-06 INSTANT NEW YORK TIMES BESTSELLER A Most Anticipated Book of 2025: Goodreads • USA TODAY • Marie Claire • BookPage • Literary Lifestyle • Book Riot • Sunset Magazine • Totally Booked with Zibby Owens #1 New York Times bestselling author Fredrik Backman returns with an unforgettably funny, deeply moving tale of four teenagers whose friendship creates a bond so powerful that it changes a complete stranger’s life twenty-five years later. Most people don’t even notice them—three tiny figures sitting at the end of a long pier in the corner of one of the most famous paintings in the world. Most people think it’s just a depiction of the sea. But Louisa, an aspiring artist herself, knows otherwise, and she is determined to find out the story of these three enigmatic figures. Twenty-five years earlier, in a distant seaside town, a group of teenagers find refuge from their bruising home lives by spending long summer days on an abandoned pier, telling silly jokes, sharing secrets, and committing small acts of rebellion. These lost souls find in each other a reason to get up each morning, a reason to dream, a reason to love. Out of that summer emerges a transcendent work of art, a painting that will unexpectedly be placed into eighteen-year-old Louisa’s care. She embarks on a surprise-filled cross-country journey to learn how the painting came to be and to decide what to do with it. The closer she gets to the painting’s birthplace, the more nervous she becomes about what she’ll find. Louisa is proof that happy endings don’t always take the form we expect in this stunning testament to the transformative, timeless power of friendship and art.

By the lake in Beartown is an old ice rink, and in that ice rink Kevin, Amat, Benji, and the rest of the town’s junior ice hockey team are about to compete in the national semi-finals—and they actually have a shot at winning. Los ganadores Fredrik Backman, 2025-03-11 Regresa a la unida y resiliente comunidad de Beartown con este apasionante libro (*Woman's World*) sobre primeros amores, segundas oportunidades y últimos adioses. Del autor de *Gente ansiosa* y *Un hombre llamado Ove*, bestsellers del New York Times. En el transcurso de dos semanas, todo cambiará en Beartown. Han pasado dos años desde aquellos sucesos que nadie quiere recordar. Todos han intentado seguir adelante, pero hay algo en este lugar que lo impide. La destrucción causada por una feroz tormenta de finales de verano reaviva la vieja rivalidad entre Beartown y el pueblo vecino de Hed, una rivalidad que siempre se ha librado a través de sus equipos de hockey sobre hielo. Maya Andersson y Benji Oovich, dos jóvenes que se marcharon de Beartown en busca de una vida mejor, vuelven a casa y se reencuentran con sus mejores amigos de la infancia. En el pueblo se respira una nueva sensación de optimismo y determinación, encarnada en la nueva e impresionante pista de hielo que se ha construido junto al lago. Los padres de Maya, por su parte, se ven envueltos en una investigación sobre las turbias finanzas del club de hockey; y Amat—quien fuera la estrella del equipo de Beartown— ha perdido el rumbo tras una lesión y un intento fallido de entrar en la NHL. Las tensiones latentes entre los dos pueblos se convierten en intimidación y violencia. Mientras tanto, un chico de catorce años se aleja cada vez más de esta comunidad obsesionada con el hockey y está decidido a vengarse de las personas a las que considera responsables de la muerte de su querida hermana. Tiene un arma y un plan que dejará a Beartown con una pérdida que es casi más de lo que puede soportar. ----- Return to the close-knit, resilient community of Beartown with this “engrossing page-turner” (*Woman’s World*) about first loves, second chances, and last goodbyes—from the #1 New York Times bestselling author of *Anxious People* and *A Man Called Ove*. Synopsis Of The Winners Oliver Andrew, 2022-08-20 This is not a book by Fredrik Backman nor is it affiliated with them. It is an Independent publication that summarizes Fredrik's book in details. About the Original Book It starts with a storm, a death, and two funerals on the same day. One person's life is being celebrated by all of Beartown. One person's life is being forgotten. Maya Andersson and Benji Ovich, two young people who left in search of a life far from the forest town, come home and joyfully reunite with their closest childhood friends. They can see how much Beartown has changed. There is a sense of optimism and purpose in the town, embodied in the impressive new ice rink that has been built down by the lake. Two years have passed since the events that no one wants to think about. Everyone has tried to move on, but there's something about this place that prevents it. The destruction caused by a ferocious late-summer storm reignites the old rivalry between Beartown and the neighboring town of Hed, a rivalry which has always been fought through their ice hockey teams.

Maya's parents, Peter and Kira, are caught up in an investigation of the hockey club's murky finances, and Amat—once the star of the Beartown team—has lost his way after an injury and a failed attempt to get drafted into the NHL. Simmering tensions between the two towns turn into acts of intimidation and then violence. All the while, a fourteen-year old boy grows increasingly alienated from this hockey-obsessed community and is determined to take revenge on the people he holds responsible for his beloved sister's death. He has a pistol and a plan that will leave Beartown with a loss that is almost more than it can stand. As it beautifully captures all the complexities of daily life and explores questions of friendship, loyalty, loss, and identity, this emotion-packed novel asks us to reconsider what it means to win, what it means to lose, and what it means to forgive.

Britt-Marie Was Here Fredrik Backman, 2016-05-03 The New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You She's Sorry*, and *Anxious People* captivates readers with this “warm and satisfying” (People) story “about a woman rediscovering herself after a personal crisis...fans of Backman will find another winner in these pages” (Publishers Weekly). Britt-Marie can't stand mess. A disorganized cutlery drawer ranks high on her list of unforgivable sins. She is not one to judge others—no matter how ill-mannered, unkempt, or morally suspect they might be. It's just that sometimes people interpret her helpful suggestions as criticisms, which is certainly not her intention. But hidden inside the socially awkward, fussy busybody is a woman who has more imagination, bigger dreams, and a warmer heart than anyone around her realizes. When Britt-Marie walks out on her cheating husband and has to fend for herself in the miserable backwater town of Borg—of which the kindest thing one can say is that it has a road going through it—she finds work as the caretaker of a soon-to-be demolished recreation center. The fastidious Britt-Marie soon finds herself being drawn into the daily doings of her fellow citizens, an odd assortment of miscreants, drunkards, layabouts. Most alarming of all, she's given the impossible task of leading the supremely untalented children's soccer team to victory. In this small town of misfits, can Britt-Marie find a place where she truly belongs? Funny and moving, sweet and inspiring, *Britt-Marie Was Here* celebrates the importance of community and connection in a world that can feel isolating.
