Now, the warlock clans are looking to their new queen for guidance, or waiting for her to falter. To keep her throne, Lilly will have to prove she's worthy of it, or risk losing more than just her title. The last thing the queen needs in her grief-stricken state is to start hallucinating... Murderer. Traitor. Outlaw. These are just a few of the words that describe, Myanin, the disgraced djinn warrior. And for a time, those words didn't bother her. But as the djinn becomes more acquainted with the inner workings of the Order of the Burning Claw, she begins to understand how truly evil her fellow supernaturals can be. Is that really the person she wants to be? Is that the life she wants to lead? Not long ago, Myanin would have done anything to get back at her former lover, Thadrack, including murder. But an encounter with her Creator has the djinn questioning everything, including whether she is beyond redemption. Two women, both suffering loss, both languishing in their misery, both faced with impossible choices. Is it possible the queen and the djinn could find salvation in one another?

The Burning Claw Quinn Loftis, 2016-09-10 Jacques's mind wandered as she hovered somewhere between life and death. Her body longed to let go, to sink into the peaceful abyss, to the place where she didn't have to worry about rabid, child-snatching vampires and the carnage they'd caused to so many innocent families. But something kept her here, tethered to this world, something she couldn't quite remember hovered just on the edge of her consciousness, something vital. It wasn't Fane, he would be with her on the other side, she knew that. If she died, he died too and he wouldn't have it any other way. She could feel Peri's presence in her body. The fae was fighting, expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacques's survival? Jacques was starting to remember someone else—someone that depended on her. A brand new life, precious and perfect...her son. Costin's best friend lay as if sleeping, clinging to life by a mere thread, held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown-eyes, the only thing that keeps the darkness at bay, was gone. Simply vanished. Costin didn't know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral would at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her the huge dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant, who had no idea who or what she was, didn't stand a chance.

Tears of the Moon Quinn Loftis, 2018-12-07 A talented songwriter, Shawn Gallagher spends his days lost in reverie and wonder, oblivious to the wiles of women and the ways of the world. He claims that he's content with his life, but his music tells a different story?one of loneliness and desperate longing? No one understands why Shawn doesn't put his musical gift to profitable use?least of all Brenna O'Toole, a fiercely independent tomboy who has been secretly in love with him for years. But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician?as the song in his head keeps time with the beating of a woman's heart.

The Forbidden Bond Quinn Loftis, 2024-03-31 Vampires and werewolves. Eternal enemies. But one vampire wants to change that by creating something nature, or the Great Luna, never intended. Alice Douglas, a brilliant geneticist, has

devoted her life to helping others through science. But when her powerful father coerces her to take a job at a secret government facility, she discovers helping people is nowhere in the job description. Instead, Alice is forced into assisting Cain, the vampire king, in his frenzied quest to create a race of super-soldiers-werewolf vampire hybrids, a mission that has already claimed the lives of dozens of dormant werewolves. When Cain realizes that Alice is actually one of the highly coveted gypsy healers-something she didn't even know herself-he suspects her blood might be the key to bringing his plan to fruition. There's only one problem-a bond is forming between the pair. Another unholy union, one between a creature of pure light and a creature of pure darkness. Before Alice can fully grasp her new supernatural reality, she is brutally attacked by a rogue vampire named Claude. Desperate to save her life, Cain makes the fateful decision to turn Alice into a hybrid by giving her his blood. But her soul, one of pure goodness, cannot abide Cain's blood within her. Now it is fighting against itself, threatening to kill her if it cannot be stopped. Enter Perizada of the fae, the one charged with keeping all gypsy healers safe. Peri soon finds out that the key to saving Alice is her true mate, Maxim, who happens to be a rogue werewolf on the other side of the world. Maxim will do anything to find and rescue his mate, including teaming up with the Alpha of alphas, Fane Lupei. But rescuing Alice won't be easy, especially since she's developed complicated feelings for her captor. Alice thinks there is good in the vampire king, and she is determined to bring it out. The king is determined to never let Alice go, no matter the cost. Together, new allies must find a way to break Cain's lethal blood-bond over Alice and prevent the vampire from unleashing upon the earth a force of abominations so powerful that no army could stand against them.

The Hunt Begins Quinn Loftis, 2022-04-26 How much heartbreak can one person take? Perizada, high fae, ambassador, mate, and friend to those in the Romanian pack, has lost her way. Everything about the fae is in question: her loyalty, her love, even her very existence. Still, her friends refuse to give up hope. The Order's compound has been brought to the ground, reduced to ash, but can Perizada's attack even be considered a victory given the sacrifice made to achieve it? What of the innocents trapped within the compound's walls? Were any of those lives spared? Even with all they have faced, the challenges, the loss and pain, Fane, Jacque, their pack, and allies remain steadfast in their fight against evil. Past experiences give them hope that not all is as it seems. Perhaps there are hearts that still beat where others perished. And always with them is their Creator, the Great Luna, an ever present help in trouble. She offers light when there is only darkness, love when the heart is broken, and forgiveness when transgressions overwhelm them. Their battle is far from over, but there is no victory without sacrifice. There is no light without darkness. There is no joy without sorrow. There are no miracles without faith.

Den Of Sorrows Quinn Loftis, 2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace. One of their own, Sally Miklos, the young and powerful gypsy healer, aids Perizada in her quest to defeat Volcan, a long forgotten nightmare returned to our world. These two packs watch as their brothers across the world, wolves from Spain, Ireland, and

America, join their own forces in the battle against the evil dark fae. At the same time, the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers. While Jacque and Jen miss Sally, their longtime best friend, they have bided their time dealing with their own domestic issues. Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant. Both girls are eagerly awaiting Sally's return, and have Perizada's word that she will be back in time for the birth of Jacque's baby. Vasile and Alina, the Alpha pair of the Romanian pack, are enjoying this time of peace. But Vasile did not become the most powerful Alpha in centuries by being a fool. He has lived long enough to know that there is always another battle on the horizon. As long as evil exists in this world, his race must step forward and stand in the gap, shielding those who cannot protect themselves. But the battle he is anticipating is bigger than he could have ever imagined. As Perizada has recently discovered, creatures of the night that have for so long remained hidden from the human realm, have slithered from their underground lairs and begun preying on the young and innocent. The high fae has declared war, and she expects Vasile and his wolves to be the ones to carry out the attack. The Alpha is more than happy to oblige. But with his first grandchild on the way, and the gift of five vulnerable healers coming under the wolves' protection, he understands that he must be very careful not to place any of them in harm's way. Such is the job of the Alpha, protector, and provider. He and those he leads must stand as sentinels and warriors to safeguard those they love, and the humans who know nothing of the supernatural world. It will be their job to destroy the creatures that threaten to expose them all. And if they fail, the world as they know it, both human and supernatural, will never be the same.

The Wolves Descend Quinn Loftis, 2021-12-29 The fight for dominance begins. The period of mourning for the great alphas, Vasile and Alina, is over. But some refuse to move on. The high fae, Perizada, vows never to experience the loss of her friends--her family--again. She knows the only way to do this is to take on the Order of the Burning Claw herself. But her mate would never allow it. So, she does the only thing she can, severing all ties with her allies. Peri's decision could destroy her enemies, the Order, but it could also destroy everything she holds dear. The end of mourning also marks the beginning of challenges to the new alpha of alphas, Fane Lupei. Rogue wolves who desire to rule in his stead attempt to stake their claims. Though Fane abides by pack law when facing his opponents, others aren't so honorable. Fane soon realizes the threats he faces aren't just against him, but against his entire pack. Skender and the fae, Tenia, fight against the mate bond drawing them closer. They both know they cannot be together, but the bond is more powerful than either expected. Meanwhile, Skender has promised to keep Tenia's son, Torion, safe--a promise he's willing to die to keep. Skender soon finds out that there's more to the boy than meets the eye, and Skender's ability to keep the boy safe could be the key to saving them all.

Luna Of Mine Quinn Loftis, 2014-06-29 We've watched the Romanian Grey Wolves find their true mates, fight against evil and reunite with the other Canis lupis in the world. Now we will see just how the most powerful Alpha in their history

met his match with the woman who became his mate, and helped him become the man he needed to be in order to lead. Every life leaves behind a legacy. Every story has a beginning and an end. The Alpha of the Romania Grey Wolves knows this better than most. He also knows it's the things that transpire to create that legacy and the experiences, triumphs and failures that happen in the middle of the story that matter. His story began a century ago and now a tragedy has led him to his rightful place as Alpha of the Eastern Romania pack. Before he led hundreds, he had to learn to lead a few. Before he sacrificed for all, he had to be willing to sacrifice for any. Before he could be the man destined to save his race he had to be willing to serve them. In order to be raised up he had to first be torn down. There was only one who could do this and live, only one who could light his way when the darkness closed in; his mate, his Luna. This is the building of their legacy, the middle of their story. Their triumphs, their failures, and their tragedy's that would one day make them strong enough to restore a race torn apart by greed, envy, and fear.

Alpha Rising Quinn Loftis, 2020-12-08 Supernatural war is on the horizon, and no one will escape unscathed. Enemy after enemy, foe after foe, has fallen before the combined might of the Romanian grey wolves and their allies among the supernatural races. But now the alliance doesn't fight a single supernatural threat. It's no longer a single coven of vampires, a lone deranged warlock, or a rogue pack that threatens their safety. Now, the wolves face a unified force of evil--the Order of the Burning Claw. The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their enemies hold captive the pack's greatest treasures. Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

Fate And Fury Quinn Loftis, 2013-03-13 The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacque Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness, deep inside Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces.

A Grey Wolves Howliday Quinn Loftis, 2021-07-25 The Romania Grey Wolves have been through hell and back. A month remains of the mourning period decreed by the Great Luna, and Jen has decided it's time for the pack to celebrate the many blessings they've missed over the years because of all the battles they've faced. As usual, there's a little crazy, a lot of funny, and most of all the loyal love of the pack as they deal with all the chaos that comes with the holidays. Up on the rooftop

werewolves hide, Jen's to-do list is miles wide. All through the years, so much they've missed "Let's celebrate them all!" Jen insists. Ho, ho ho! All better go! Ho, ho, ho! Don't be slow! Up on the rooftop Click, click, click, The claws are out on the Crazy wolf chick. First comes the stocking Of little Slate, Watch out Santa You might get ate. Thia needs some soap, And her mouth washed out. Oh' jingle hell, Is her favorite shout. Ho, ho, ho! Titus says to go! Ho, ho, ho! He's a hunting pro! Down through the halls, Sneak, sneak, sneak. All around the corners so, Aunt Jen will freak. Up in the night sky, the moon shines down. The Great Luna's love is all around. Her wolves have learned what they never lack, Hope, grace, and lots of love. For the pack.

The Grey Wolves Novella Collection Quinn Loftis, 2021-01-13 A pack is made up of many members. And each of those members has his or her own story to tell. The following is a collection of four stories of the Romanian Greys and their allies. Sacred Silence I thought nothing could be eviler than Desdemona, or Reyaz, or any other villain we've faced down. I was wrong. I read all the books I could devour on the beauty of parenthood. I thought I was ready. But nothing could have prepared me for the hurricane of jacked-up emotional chaos otherwise known as post-partum hormones. ~Jen Resounding Silence Duty, sacrifice, service, and discipline. These were the characteristics that described Cyn, the warrior fae. Though love was out of her reach, she thought this life was all she needed. She had never been more wrong. A chance meeting with the Prince of the Elves turns her carefully structured world upside down. Piercing Silence It's been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates, wondering if they would ever see their mates again. Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack. Six months of peace and quiet...other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun. When she isn't complaining about that, she spends her time commenting on how Jacque's butt is getting wider by the minute. Jacque doesn't know it, but the reprieve was about to be over. Forgotten Silence Filthy. Disgusting. Unworthy trash. The same thoughts keep swirling in Sally's mind. She's broken and no one can fix her--not her friends, try as they might, and not her beautiful mate. She'd thought when Costin had rescued her from Jericho's clutches, broken the spell the rogue werewolf had cast on her, and left the cur lying in bloody pieces on the floor of an Ocean Side bar, that one day she might find some peace. Perhaps, with time, she could forget the horrible things she'd done. Perhaps she could forget how she had betrayed her one true mate. Now, several weeks later, the memories and the nightmares have only grown stronger.

Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Already pressed on all sides, the wolves' allied forces must race to uncover a deadly secret being kept by one of their own. If they fail, even their combined strength won't be enough to stop the evil forces hellbent on nothing less but a complete annihilation of humankind.
