Trusting God Jerry Bridges, 2016-11-18 Over 500,000 copies sold “Why is God allowing this? What have I done wrong?” Many of us have asked these questions when life hits us hard. When our circumstances defy explanation, it is difficult to untangle our emotions from the truth. Before long, we feel confused and frustrated. We doubt His care for us. We wonder how He could allow these struggles at all, or if He is really in control. During a time of darkness and adversity in his own life, Jerry Bridges dug deep into the Bible for theological answers on God’s sovereignty. What he learned changed his life—and it will change yours too. Find the answers to some of your most heartfelt questions, such as: Is God in control? Can I trust God? What is our responsibility when things are hard? How can I grow through adversity? And more Explore the scope of God’s care and control over nations, nature, and the tiny details of your life. You’ll find yourself inspired to trust Him more completely—moving through heartache and into hope even when life hurts. Now with an added study guide for personal use or group discussion, you can dive deeper and experience spiritual growth with this staple of Jerry Bridges’s classic collection. “The writings of Jerry Bridges are a gift to the church. He addresses a relevant topic with the wisdom of a scholar and the heart of a servant.” —Max Lucado, pastor and bestselling author

Trusting God Jerry Bridges, 2014-05-10 In an effort to strengthen his own trust in God during a time of adversity, Navigator author Jerry Bridges began a lengthy Bible study on God’s sovereignty. The revelations changed his life.

Trusting God Jerry Bridges, 2016-11-18 Why is it easier to obey God than to trust Him? Because obeying God makes sense to us. In most cases, His laws appear reasonable and wise, and even when we don’t want to obey them, we usually concede that they are good for us. But the circumstances we find ourselves in often defy explanation. Before long, we begin to doubt God’s concern for us or His control over our lives. We ask, “Why is God allowing this?” or “What have I done wrong?” During such a time of adversity, Jerry Bridges began a thorough Bible study on the topic of God’s sovereignty. What he learned changed his life, and in *Trusting God* he shares the fruit of that study. As you explore the scope of God’s power over nations, nature, and even the details of your life, you’ll find yourself trusting Him more completely—even when life hurts. This new edition replaces both *Trusting God* (paperback ISBN 9781600063053) and the study guide (paperback ISBN 9781600063060) by combining both resources into one volume!

31 Days toward Trusting God Jerry Bridges, 2017-04-03 It’s easy to trust God when everything is going well. But when

adversity strikes—a school shooting, a cancer diagnosis, a financial setback—do you wonder if God cares or if He’s even there at all? In this 31-day devotional, author Jerry Bridges tackles the doctrine of God’s sovereignty. These daily readings set the biblical foundation for the essential goodness of His character. In a clear and warm manner, Bridges explains how you can and should choose to trust God no matter what happens in life.

Biblical Counsel, 1993

Living Victoriously Peter Okereke Jr., 2012-10-30 Living Victoriously is a true experience, walking with Christ. It is the unadulterated employment of God’s word into my daily living. The truth is that God is real, all-powerful and all-merciful. He performs for Himself every promise made to man, regardless the shortfall. In this book, we intend to jumpstart the faith of many who think that God has abandoned them. When you begin to see God as your solution to the problem, He will make you see praise as an instrument that enables you to download the spiritual blessings and endowments God has prepared for His people, and at the same time empowers you to delete most of the fiery darts of your enemy, and regain strength, authority and power. Meditate on these words for it is true. To get the best out of this book, I suggest that it is read alongside a Bible. The King James Version is used unless identified in parenthesis. As you read, you will master the techniques that equip you for the battle ahead. Also, you will confirm some spiritual truths, and expand your knowledge on God’s faithfulness. Pass it along, and stay blessed.

Unpacking Forgiveness Chris Brauns, 2008-09-03 Helps readers move beyond the wounds and baggage of bitterness, disagreements, and broken relationships. True or false: most Christian pastors and counselors agree on what forgiveness is and how it should take place. This question is part of Chris Brauns’s Forgiveness Quiz that draws readers into his book and gets them thinking about the subject of forgiveness. The truth is, pastors and counselors disagree profoundly on this subject. Unpacking Forgiveness combines sound theological thinking and honesty about the complicated questions many face to provide readers with a solid understanding of biblical forgiveness. Only God’s Word can unpack forgiveness. The wounds are too deep for us to find healing on our own, and the questions are too complex to be unraveled by anything but the wisdom of

God. This book goes beyond a feel-good doctrine of automatic forgiveness, balancing the beauty of God's grace and the necessity of forgiveness with the teaching that forgiveness must take place in a way that is consistent with justice.

Truth Aflame Larry D. Hart, 2010-02-23 "Larry Hart's Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read. An important contribution to the contemporary renaissance in systematic theology!" Timothy George Dean of Beeson Divinity School of Samford University, Executive Editor of Christianity Today As the Pentecostal/charismatic movement continues to grow, so does the need for solid theological resources for its members. While there are many volumes of systematic theology available, very few are written from a distinctly charismatic perspective. Truth Aflame seeks to meet that need. While academically sound, Truth Aflame is written with a practical, pastoral flavor. Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge. His passion for the subject is evident: he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative. This Truth, then—liberating, enlivening, and transforming Truth—becomes central to the ongoing renewal of the church that we are seeing in our day. Dr. Hart treats each of the traditional categories—revelation, God, creation, humanity, sin, Christ, salvation, the church, and last things—from a Pentecostal/charismatic perspective. He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal. Further, he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition. Clear, succinct, and readable, this revised and updated edition of Truth Aflame is well-suited not only for students, but for anyone desiring a greater understanding of Pentecostal/charismatic theology.

Trusting God Discussion Guide, 2008

When Life Hurts Philip Yancey, 1999 Pain calls our most basic beliefs about God into question. Philip Yancey's When Life Hurts addresses five major questions brought on by pain: Is God competent? Is He really so powerful? Is He fair? Why doesn't He seem to care about pain? And where is God when I need Him most? Yancey provides thought-provoking answers to questions faced by believers in their darkest moments and reveals that even in suffering and pain -- and sometimes because of them -- God's competence, power, wisdom, and love still shine through.

When Heaven is Silent Ron Dunn, 2008-01-01 Gradually gaining new perspectives on suffering as he journeyed toward healing, Dunn shares insights found along the way. Moving from darkness into light, he encourages us to believe that our pain and sorrow are carried in the nail-scarred hands of a sovereign God who purposes to bless us, even when heaven is silent.
