We Free the Stars Hafsah Faizal, 2021-01-19 A New York Times-Bestseller from the author of *A Tempest of Tea*! Lush and striking, hopeful and devastating, *We Free the Stars* is the conclusion to the *Sands of Arawiya* duology by New York Times bestselling author Hafsah Faizal. Darkness surged in his veins. Power bled from her bones. The battle on Sharr is over. The Arz has fallen. Altair may be captive, but Zafira, Nasir, and Kifah are bound for Sultan's Keep, determined to finish the plan Altair set in motion: restoring the hearts of the Sisters of Old to the minarets of each caliphate, finally bringing magic to all of Arawiya. But they are low on resources and allies alike, and the kingdom teems with fear of the Lion of the Night's return. As the zumra plots to overthrow Arawiya's darkest threat, Nasir fights to command the magic in his blood. He must learn to hone his power, to wield it against not only the Lion but his father as well, trapped under the Lion's control. Zafira battles a very different darkness festering in her through her bond with the Jawarat—it hums with voices, pushing her to the brink of sanity and to the edge of a chaos she dares not unleash. In spite of everything, Zafira and Nasir find themselves falling into a love they can't stand to lose . . . But time is running out, and if order is to be restored, drastic sacrifices will have to be made. Royalty in Twenty-First Century Children's and Young Adult Literature Amie A. Doughty, 2023-11-15 Doughty examines contemporary children's and young adult (YA) literature featuring royal characters through a folkloric lens and shows different ways authors transform the traditional royal characters from folktales and Disney films. She shows how princes and princesses are more progressive than their predecessors through expanding gender roles. She also demonstrates how different types of abdication work to transform readers' expectations of royals and how they reach a happy ending different from traditional folktales and Disney. Finally, employing Rudine Sims Bishop's ideas about mirrors, windows, and sliding glass doors, she explores how queer royals and royals of color offer new mirrors for children and young adults. Each chapter presents a typology of royal books related to the topic and explains how they work to transform the folktale tradition. Doughty concludes with a discussion of the transformational gaps remaining in royal children's and YA literature.

The Harrows of Spring James Howard Kunstler, 2016-07-05 The World Made by Hand postapocalyptic saga concludes with this "suspenseful tale spiked with suffering and violence, rough justice and love" (Booklist). The small town of Union Grove has adapted, struggled, and thrived in the new age of civilization. But early spring is full of hardships: Fresh food is scarce and the winter stores are almost gone. Despite the time of privation, young explorer Daniel Earle resurrects the town newspaper, and the town trustees ask him to help revive the Hudson River trade route. But even as the townsfolk strive forward, a group of visitors remind them that nothing is easy in the new world. They proclaim themselves as representatives

of the Berkshire People's Republic, spouting high-minded, near-fanatical rhetoric of social justice and absolute equality—all while demanding tribute from the citizens under slyly veiled threats. Now, the townspeople of Union Grove will have to decide just how far they are willing to go to keep the freedom and peace for which they have fought so hard . . . With this glimpse into a future that could become reality all too soon, James Howard Kunstler delivers “a slyly folksy, caustically hilarious, unabashedly proselytizing, and affecting finale in a keenly provocative saga.” (Booklist).
