Catherine Cowles

Whispers of You Catherine Cowles,2023-01-31 One night—a single moment—cost me everything. My body, broken beyond repair. The boy I'd thought was my forever. The life I'd always dreamt of. Now, Holt's back. And he's no longer a boy, but a man with shadows in his eyes and demons haunting him. He says he's here to make things right. To get back a little bit of all we've lost. And he doesn't show any signs of leaving the small town that has been my refuge. As stolen moments turn to days, Holt's around every corner. With his burning stare and lingering touches. Before long, my walls come crashing down and I'm just hoping that taking this second chance isn't as reckless as it feels. But not everyone is happy that Holt has returned. As tragedy strikes again, I'm the one left in the crosshairs. And Holt might not be able to save me this time...

Echoes of You Catherine Cowles,2023-05-02 Nash Hartley has always been my everything: Protector. Partner in crime. Best friend. The person who was there for me in my darkest hour. But my heart wanted so much more. So, when I knew for certain Nash didn't feel the same about me, I tried to move on. What a mistake that turned out to be. Now, I'm back in our small town, desperate to escape my living nightmare, and the only person I want to see is him. As secrets are revealed, and Nash finds out what happened to me, he'll do anything to keep me safe. But there are those who will do anything to stop him, and this time neither of us may make out alive...

Shadows of You Catherine Cowles,2023-10-19 It was supposed to be a fresh start. A small town where I could hide my little girl from the shadows that haunted us. A place where I could keep us safe. The last thing I expected was him. A surly, broody mountain of a man who helps me save an injured deer in a snowstorm. Now, Roan Hartley, keeps showing up with his glowers and grimaces. But they just make his rare smiles and the gentle way he talks to my daughter mean that much more. When the forces from my past find us, Roan is the one determined to keep us safe-even if that means sleeping on my ancient couch each and every night. As days turn to weeks, his touch has my walls crashing down. But there's someone out there doesn't want me to find happiness. He doesn't want me left breathing at all...

Ashes of You Catherine Cowles, 2024-02-06 Five years ago, I nearly lost everything. But there was a glimmer of hope on that darkest night. There was him—a stranger I could never forget. Now, I'm finally getting the fresh start I've longed for. But when I show up to interview for a nanny position in the small mountain town, the single dad has startlingly familiar blue eyes. Eyes that have haunted my dreams for the past five years. Lawson Hartley is everything I know I can't have. Older, handsome, and my boss. Not to mention the shadows in his eyes that tell me he has demons, too. Still, he seems to understand me better than anyone I've ever met. So gentle and careful of my scars, yet somehow making me believe I'm stronger than I ever thought possible. And when his lips touch mine, I'm lost. We find what we've been missing in each other. But the terrors of my past aren't done with me yet, and this time, Lawson might not be able to save me...

Beautifully Broken Control Catherine Cowles, 2020-02-18 A woman trying to rebuild her life. Kennedy is doing all she can to escape, to prove that she's not the monster her father was. A simple life of peace and service is all she needs. A man haunted by a past he can't forget. Cain has buried his demons under layers of control and success. The only thing he needs is his company and his solitude. Certainly not a woman with captivating green eyes filled with ghosts so similar to his own. He's a reminder of the life she's left behind. And she's a threat to his tightly guarded control. As sparks fly between them, they discover that what they might need most is each other. But with pasts like theirs...you never know when darkness might descend.

Now, my only wish is for...normal. To know what it's like to have friends, a job, a home. The last thing I want is for my new roommate to see the scars I'm so desperate to keep hidden, especially not the ruggedly handsome man who steals my breath and sends my heart into overdrive. But something tells me that Beckett has demons, too. I see it in the shadows haunting his gorgeous eyes and the way he looks at me with gentle understanding. As our unlikely friendship becomes so much more, forces from my life slink out of the shadows. And we could both lose everything we've fought so hard for—down to our very last breaths...

Tattered Stars Catherine Cowles, 2022-01-31 Be brave. Just for sixty seconds. Twenty breaths. It took every ounce of my courage to return to the small town I fled all those years ago. But I should've known he'd hate me. How could he not when my father's blood still runs through my veins? Yet here I am, desperate for a chance to make things right. Even if it means facing the family my father almost destroyed and the boy with the dark eyes—now grown—who still haunts my dreams. I

never expected just how explosive things would turn between us. He's the last person I should want. Yet, somehow, I keep drawing closer—so close I know I'll end up burned. But Hayes is a good man, a noble one. Someone who channeled his pain into a career spent protecting those around him. So, when the threats begin, he steps in to keep me safe. And we discover that maybe neither of us knew the other at all. As the sparks between us ignite into something deeper, someone watches. And they'll do anything to tear it all apart...
