Shatter Me Tahereh Mafi, 2011-11-15 The gripping first installment in global bestselling author Tahereh Mafi's epic, romantic Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. Includes a special sneak peek of *This Woven Kingdom*, the first book in Tahereh Mafi's bestselling fantasy series inspired by Persian folklore! And don't miss *Watch Me*, the first book in a new series in the Shatter Me universe set ten years after the fall of The Reestablishment, on sale in April 2025!

Our Violent Ends Chloe Gong, 2024-06-04 An instant #1 New York Times bestseller! Shanghai is under siege in this "tightly paced" (School Library Journal, starred review) and searingly romantic sequel to *These Violent Delights*, which New York Times bestselling author Natasha Ngan calls "deliciously dark." The year is 1927, and Shanghai teeters on the edge of revolution. After sacrificing her relationship with Roma to protect him from the blood feud, Juliette has been a girl on a mission. One wrong move, and her cousin will step in to usurp her place as the Scarlet Gang's heir. The only way to save the boy she loves from the wrath of the Scarlets is to have him want her dead for murdering his best friend in cold blood. If Juliette were actually guilty of the crime Roma believes she committed, his rejection might sting less. Roma is still reeling from Marshall's death, and his cousin Benedikt will barely speak to him. Roma knows it's his fault for letting the ruthless Juliette back into his life, and he's determined to set things right—even if that means killing the girl he hates and loves with equal measure. Then a new monstrous danger emerges in the city, and though secrets keep them apart, Juliette must secure Roma's cooperation if they are to end this threat once and for all. Shanghai is already at a boiling point: The Nationalists are marching in, whispers of civil war brew louder every day, and gangster rule faces complete annihilation. Roma and Juliette must put aside their differences to combat monsters and politics, but they aren't prepared for the biggest threat of all: protecting their hearts from each other.

Broadway Plays and Musicals Thomas S. Hischak, 2009-04-22 New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The

productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

Monte Hellman Brad Stevens, 2010-06-28 I just did it, and I probably made more mistakes than the average person who makes a first film. I didn't really have any help, and I wouldn't take any help. I had to do it on my own. Once I made my first film I considered myself a film-maker. I lost all interest in the theater and never went back--Monte Hellman In 1970, an LA Times headline described Monte Hellman as Hollywood's best kept secret. More than thirty years later, Hellman and his work are still secrets, his genius recognized only by a small but passionate group of admirers. This book is both a biography of Hellman and a critical study of his films, which include *The Shooting*, *Two-Lane Blacktop* and *Ride in the Whirlwind*. It also covers films to which Hellman has contributed as an editor, actor and producer, as well as those on which he has worked, in various capacities, without onscreen credit, such as *Shatter* and *Robocop*. Attention is focused on the hallmarks of Hellman's work, including his dominant themes and obsessive characters, and all the films are subjected to close stylistic analysis.
