

5 Centimeters Per Second Manga

Makoto Shinkai, Yukiko Seike

5 Centimeters per Second Yukiko Seike, Makoto Shinkai, 2016-03-08 Love can move at the speed of terminal velocity, but as award-winning director Makoto Shinkai reveals in his latest comic, it can only be shared and embraced by those who refuse to see it stop. Takaki Tohno quickly befriends Akari Shinohara when she transfers to his school. They grow closer to each other due to similar interests and attitudes; for instance, they both prefer to stay inside during recess due to their constitutions. As a result, they form a strong bond. Upon ending their school year, Akari moves to Tochigi, due to her parents' jobs. The two keep in contact by writing letters, but eventually begin to drift apart. SEE LESS

5 Centimeters per Second: one more side Makoto Shinkai, 2019-02-26 A contemporary classic, 5 Centimeters per Second won animator Makoto Shinkai international renown as a rare talent. Indeed, he just might be one of the most powerful bards of romantic longing and thwarted love working today in any medium. This official novelization narrates from the other side—for instance, from the point-of-view of the girl rather than the boy in the legendary first segment, “Cherry Blossoms”—to tell a story that is both deeply engaging for first-timers and astonishingly fresh for fans of the film. The author of fantasy novels based on the Shining videogame series, Arata Kanoh is best known for his imaginative prose adaptations of the masterpieces of Japan's hottest animator. Most recently, his take on Your Name was the #1 Kindle bestseller at Amazon Japan.

5 Centimeters per Second + Children Who Chase Lost Voices Makoto Shinkai, Asahi Akisaka, 2021-04-27 5 Centimeters per Second When Takaki meets Akari in elementary school, they are as thick as thieves. She always teaches him the important things, while he does his best to protect her. After they are separated in middle school, though, they have to find their paths in life without each other... Director Makoto Shinkai delicately depicts the internal landscapes of his characters through three chapters in the life of one boy. Children Who Chase Lost Voices Asuna is a shy and diffident girl who lives in the mountain town of Mizunofuchi. One day, she meets Shun, a boy who claims to be from a mythical land known as Agartha. However, just as a bond is beginning to form between them, Shun vanishes. As Asuna wishes she could see him again, she encounters Shin, another boy who looks just like Shun, and Morisaki, a teacher searching for Agartha. The three of them set out for the legendary country, each with their own goal in mind and their own lessons to learn along the way.

Directory of World Cinema: Japan John Berra, 2010-06-01 From the revered classics of Akira Kurosawa to the modern

marvels of Takeshi Kitano, the films that have emerged from Japan represent a national cinema that has gained worldwide admiration and appreciation. *Directory of World Cinema: Japan* provides an insight into the cinema of Japan through reviews of significant titles and case studies of leading directors, alongside explorations of the cultural and industrial origins of key genres. As the inaugural volume of an ambitious series from Intellect documenting world cinema, the directory aims to play a part in moving intelligent, scholarly criticism beyond the academy by building a forum for the study of film that relies on a disciplined theoretical base. It takes the form of an A-Z collection of reviews, longer essays and research resources, accompanied by fifty full-colour film stills highlighting significant films and players. The cinematic lineage of samurai warriors, yakuza enforcers and atomic monsters take their place alongside the politically charged works of the Japanese New Wave, making this a truly comprehensive volume.

Japanese Cinema in the Digital Age Mitsuyo Wada-Marciano, 2012-05-31 Digital technology has transformed cinema's production, distribution, and consumption patterns and pushed contemporary cinema toward increasingly global markets. In the case of Japanese cinema, a once moribund industry has been revitalized as regional genres such as anime and Japanese horror now challenge Hollywood's preeminence in global cinema. In her rigorous investigations of J-horror, personal documentary, anime, and ethnic cinema, Mitsuyo Wada-Marciano deliberates on the role of the transnational in bringing to the mainstream what were formerly marginal B-movie genres. She argues persuasively that convergence culture, which these films represent, constitutes Japan's response to the variegated flows of global economics and culture. With its timely analysis of new modes of production emerging from the struggles of Japanese filmmakers and animators to finance and market their work in a post-studio era, this book holds critical implications for the future of other national cinemas fighting to remain viable in a global marketplace. As academics in film and media studies prepare a wholesale shift toward a transnational perspective of film, Wada-Marciano cautions against jettisoning the entire national cinema paradigm. Discussing the technological advances and the new cinematic flows of consumption, she demonstrates that while contemporary Japanese film, on the one hand, expresses the transnational as an object of desire (i.e., a form of total cosmopolitanism), on the other hand, that desire is indeed inseparable from Japan's national identity. Drawing on a substantial number of interviews with auteur directors such as Kore'eda Hirokazu, Kurosawa Kiyoshi, and Kawase Naomi, and incisive analysis of select film texts, this compelling, original work challenges the presumption that Hollywood is the only authentically "global" cinema.

Specifications and Drawings of Patents Issued from the United States Patent Office United States. Patent Office, 1905

A History of Japanese Anime Aishik Dutta, Delve into a meticulously researched exploration of Japanese animation that unveils the cultural, technological, and artistic innovations behind a global phenomenon. This scholarly work presents a comprehensive narrative tracing the evolution of anime—from its early roots in traditional visual storytelling and pioneering

cinematic experiments to its transformation during times of social and political change. By interweaving historical context with incisive analysis, the book reveals how indigenous creative traditions and cross-cultural influences converged to form a distinct visual language that redefined entertainment in Japan and beyond. With keen attention to detail and historical nuance, readers will gain insight into the dynamic interplay between art and society, as well as the innovative techniques that propelled the art form into the modern era. Whether you are a student of cultural history, a media scholar, or an ardent fan of animated storytelling, this volume offers a compelling and in-depth study of the forces that have shaped one of the most influential cultural exports of our time.

Visions of Precarity in Japanese Popular Culture and Literature Kristina Iwata-Weickgenannt, Roman Rosenbaum, 2014-11-27 Recent natural as well as man-made cataclysmic events have dramatically changed the status quo of contemporary Japanese society, and following the Asia-Pacific war's never-ending 'postwar' period, Japan has been dramatically forced into a zeitgeist of saigo or 'post-disaster.' This radically new worldview has significantly altered the socio-political as well as literary perception of one of the world's potential superpowers, and in this book the contributors closely examine how Japan's new paradigm of precarious existence is expressed through a variety of pop-cultural as well as literary media. Addressing the transition from post-war to post-disaster literature, this book examines the rise of precarity consciousness in Japanese socio-cultural discourse. The chapters investigate the extent to which we can talk about the emergence of a new literary paradigm of precarity in the world of Japanese popular culture. Through careful examination of a variety of contemporary texts ranging from literature, manga, anime, television drama and film this study offers an interpretation of the many dissonant voices in Japanese society. The contributors also outline the related social issues in Japanese society and culture, providing a comprehensive overview of the global trends that link Japan with the rest of the world. *Visions of Precarity in Japanese Popular Culture and Literature* will be of great interest to students and scholars of contemporary Japan, Japanese culture and society, popular culture and social and cultural history.

5 Centimeters Per Second, 2011

your name., Vol. 1 (manga) Makoto Shinkai, 2017-06-20 A story of two people determined to hold on to one another. Mitsuha, a high school girl from a town deep in the mountains, dreams of an unfamiliar life in Tokyo. Taki, a high school boy from Tokyo, dreams that he is a girl living in the mountains. As the two begin swapping lives, a miraculous story is set in motion.

15th International Film Festival of Kerala, 10-17 December 2010, Thiruvananthapuram, 2010

Weathering With You Makoto Shinkai, 2019-12-17 Longing to escape his island home, a boy named Hodaka runs away during his first summer of high school to find a new life in Tokyo. As rain falls for days on end and Hodaka struggles to adjust, he meets a girl named Hina who holds a mysterious power: With a single prayer, she can part the clouds and bring

back the sun. But her power comes at a price, and as the weather spirals further and further out of control, they must choose what future they truly want for themselves. Written concurrently with production of the 2019 film *Weathering With You*, this novel comes straight from director Makoto Shinkai, the mind behind 2016's hit *Your Name*!

your name. Another Side:Earthbound, Vol. 1 (manga) Makoto Shinkai,2018-12-11 During the events of *Your Name*., Mitsuha and Taki's miraculous encounter forever changed their lives. But they weren't the only ones affected by their body swapping -- Mitsuha's friends and family have their own sides of the story to tell!
