Blessings Sheet Music Laura Story,2011-09-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

**Blessings** ,2012-06 This Easy Piano arrangement of Laura Story's Blessings is easier to play than the original edition. Arranged by Carol Tornquist in the key of C major (rather than the album key of B major), it's easier to sight read and play--- plus, the melody is played by the right hand, making it an effective piano solo if a vocalist isn't present.

**Pinpricks in the Curtain** Isabella Flinn,2014-05 The sound of a massive drum was the first thing I noticed, when Juliet and I stepped out of the compact car. Each time the confident student struck the drum, the students that were lined up in neat rows facing him would expertly stand at attention then relax into the at-ease stance. With their little heads locked in position to face forward, only their curious eyes darted to appraise us, as we walked past them in flowing salwars toward their principal who stood waiting to greet us. We were the invited guests to teach in their school. And it was very apparent by the radiant smiles on the poised faces of these well-mannered children that this was going to be a wonderful experience we would never forget. I glanced at Juliet and realized that she, too, was barely containing her own enthusiasm, and why not? What seventeen-year-old American girl gets to teach alongside her mother in India? Yes, India was our home for the next few weeks, and we were keenly aware with the sights, smells, and sounds that home would be different than what we were accustomed to. However, one blaring similarity remained: children are precious in His sight no matter which half of the globe they call home. Our goal was to convey that pivotal message to each student we had the privilege of serving here in this unfamiliar part of the world.

**Blessings** Laura Mixon Story,2012-06-01 The beautiful piano-based ballad Blessings is among today's most sought-after Contemporary Christian sheet music titles. With this licensed edition, pianists and vocalists can play and sing one of the most memorable worship songs of our time. This piano/vocal/guitar edition is published in the same key as Laura Story's award-winning recording (B Major), and its piano arrangement faithfully reflects the accompaniment that's heard on the album. The vocal melody is notated on its own staff, along with complete lyrics and basic chord fingering grids for optional guitar accompaniment.

*Blessings* Laura Story,2011-11 (Songbooks and Folios). Consider it a great joy...whenever you experience various trials

(James 1:2) What if your blessings come through raindrops? What if your healing comes through tears? There's no denying some of the blessings in Laura Story's life. As the songwriter of the #1 Worship Hit, Indescribable, recorded by Chris Tomlin in 2004, she married her high school sweetheart, Martin Elvington the following year. She then began working in music and women's ministry at the 4,000-member Perimeter Church in Atlanta. After signing an artist deal with INO Records, her 2008 national debut won a Dove Award for Inspirational Album and earned Laura two consecutive nominations for Female Vocalist of the Year all blessings, indeed! But amidst that success, a brain tumor hospitalized her husband in 2006. They faced the strong chance their long-awaited bond might last just two years. The faith Laura sang about was put through the unexpected fires of fear and loneliness; most young newlyweds don't imagine being kept alive at one point by breathing machines or having to find their way through significant post-operative vision and memory loss. Could blessings really be found in such a life-altering struggle? Laura's song, Blessings, suggest that they can. Life is filled with things you don't expect, but the Bible tells us to respond by trusting God and continuing to worship Him, Story begins. Martin hasn't received complete healing and that can be hard at times when we view God as all-powerful and all-loving. But here we are now saying, 'Yes, this is how faith works. God has proven to be faithful. We have been truly blessed out of a circumstance that at first didn't seem like much of a blessing at all.' As Laura explains it, she believes she and Martin now have a voice that wasn't there prior to the suffering. I can hardly begin to tell you of the hundreds of hurting people we've prayed with, people going through more than we have. This is a chance to share the Gospel. Don't get the wrong idea. It hasn't been easy, Laura admits. Everyone wants to be a mature and equipped follower, but would I have signed up had I known what it would take? God has grown us up, deepened our faith, our awareness of our great need for Him as a Savior, daily. We knew it before, but we didn't see it. This is a good place to be. Her song, Blessings, reflects that hopeful place. Songs include: This Is the Day \* Friend of Sinners \* You Are Love \* What a Savior \* Blessings \* Your Name Will Be Praised \* One Life to Lose \* Prodigal Song \* Remember Me
