Blue Rage, Black Redemption Stanley Tookie Williams,2007-11-13 A gripping tale of personal revolution by a man who went from Crips cofounder to Nobel Peace Prize nominee, author, and anti-gang activist. When his LA neighborhood was threatened by gangbangers, Stanley Tookie Williams and a friend formed the Crips, but what began as protection became worse than the original gangs. From deadly street fights with their rivals to drive-by shootings and stealing cars, the Crips' influence—and Tookie's reputation—began to spread across LA. Soon he was regularly under police surveillance, and, as a result, was arrested often, though always released because the charges did not stick. But in 1981, Tookie was convicted of murdering four people and was sent to death row at San Quentin in Marin County, California. Tookie maintained his innocence and began to work in earnest to prevent others from following his path. Whether he was creating nationwide peace protocols, discouraging adolescents from joining gangs, or writing books, Tookie worked tirelessly for the rest of his life to end gang violence. Even after his death, his legacy continues, supported by such individuals as Archbishop Desmond Tutu, Snoop Dogg, Jesse Jackson, and many more. This posthumous edition of *Blue Rage, Black Redemption* features a foreword by Tavis Smiley and an epilogue by Barbara Becnel, which details not only the influence of Tookie's activism but also her eyewitness account of his December 2005 execution, and the inquest that followed. By turns frightening and enlightening, *Blue Rage, Black Redemption* is a testament to the strength of the human spirit and an invaluable lesson in how rage can be turned into redemption.

Gangland Laura L. Finley,2018-10-01 This two-volume set integrates informative encyclopedia entries and essential primary documents to provide an illuminating overview of trends in gang membership and activity in America in the 21st century. *Gangland: An Encyclopedia of Gang Life from Cradle to Grave* includes extended discussion of specific gangs; types of gangs based on ethnicity and environment (rural, suburban, and urban); recruitment and retention methods; leadership structure and other internal dynamics of various gangs; impacts of gang membership on extended family; the historical evolution of gangs in American society; depictions of gang life in popular culture; violent and nonviolent gang activities; and programs, policies, agencies, and organizations that have been crafted to combat gang activities. In addition, the encyclopedia includes a suite of primary sources that offer a look into the personal experiences of gang members, examine

efforts by law enforcement and public officials to address gang activity, and address wider societal factors that make eradicating gangs such a difficult task.

Life in Prison Stanley "Tookie" Williams, 2001-02-01 The true stories I've written in this book are my living nightmares. My greatest hope is that the lessons the stories offer will help you make better choices than I did. Stanley Tookie Williams, cofounder of the notorious Crips gang, is a death-row inmate. But in his two decades of incarceration, Williams has also become a respected author and activist whose dedication to ending gang warfare in the lives of inner-city children has earned him a 2001 Nobel Peace Prize nomination. In this award-winning book which has drawn praise from educators, government leaders, and families alike Williams describes the brutal reality of being an inmate. He debunks myths of prisons as gladiator schools with blunt, riveting stories of overwhelming homesickness, the terror of solitary confinement, and the humiliation of strip-searches. Williams' words are a frank challenge to adolescent readers to educate themselves, make intelligent decisions, and above all, not to follow in his footsteps.
