Human Resource Management Gary Dessler, 2000 For Human Resource Management (HRM) and Personnel courses. The #1 best-selling HRM book in the market, Dessler's Human Resource Management provides a comprehensive review of personnel management concepts and practices in a highly readable form. This edition focuses on the high-performance organization building better, faster, more competitive organizations through HR; while continuing to offer practical applications that help all managers deal with their personnel-related responsibilities.

Principles of Operations Management Jay H. Heizer, Barry Render, 2004 In this textbook, Heizer (business administration, Texas Lutheran U.) and Render (operations management, Rollins College) provide a broad introduction to the field of operations management. A sampling of topics includes operations strategy for competitive advantage, forecasting, design of goods and services, human resources, e-commerce, project management, inventory management, and maintenance. The CD-ROM contains video case studies, lecture notes, Excel OM and Extend software, and additional practice problems. Annotation copyrighted by Book News Inc., Portland, OR
