I swear to God I've already seen him in a Nike ad, and he's one of the top picks when he goes pro following our spring graduation. His life is on display for the world. Both his accomplishments and demons there for judgment. I'm a girl who likes to play roller derby from, of all places, Wisconsin. My own demons better concealed. And one day... He notices me. *Found by You* is a new adult contemporary romance.

*His Sweetest Song* Victoria H. Smith, 2022-05-27 A single dad seeking a fresh start. A woman, a house, and the town that never truly left her. After I receive word of an inheritance, I end up back in Kansas, red bottom heels and all to take ownership of a house and property I haven't set foot on in over a decade. My aunt Josephine chose me, the last of her living

relatives, and now I'm left to discover what she wants done with her legacy. It's a feat I'm willing to take on. But the man I find in her bathroom is another story. Grayden claims to be a handyman, previous help to my aunt in his well-worn jeans and smart attitude and as it turns out, he has a daughter who wants even less to do with me than I do with her father. She says absolutely nothing to me-zero words, which only slightly surpasses her elusive dad. The man known as Gray is guarded beyond anything else. He's cold, and I'm left wondering the reasons why. How did a man like that come to be such an important element to my late aunt's life? And why did my aunt Jo leave him, this house, and this town for me? His Sweetest Song is a standalone BWWM romance by Victoria H. Smith. If you like emotionally-charged romances set in small towns, this 78,000 word novel featuring a single dad looking for a second chance at love and the city-girl he attempts to wrangle is for you! It's also HEA guaranteed!

**Loved by You** Victoria H. Smith,2022-05-27 He's Miami's hottest new MVP. She's the woman who makes it all worthwhile. I brought us to Miami, my engagement ring on Roxie's finger and nothing feels better than this woman by my side. She keeps me home, keeps me grounded and having her with me on this new journey means everything. I'm well aware of what Roxie's given up to come to Miami with me, an entire other life, and any sacrifices I've made are none compared to that. This woman is made for me and me for her, and if we can get through what we dealt with in college, I think we'll be golden here. The celebrity that comes with this life is on a whole new level, parties, groupies, and paparazzi a given when being a professional athlete. The media has something to say about us being together, the people I'm surrounded by the same, but nothing's changed for me. She makes this whole thing worthwhile and always will. She sees me like the world doesn't see and I notice her in exactly the same ways. This new environment will try to change her, make her lose faith in me, us, and even herself, but I'll make sure she sees the truth. And hold on to that for us both if I have to. **Loved by You** is book two in the BWWM contemporary romance series **Found by You**. Everything is Great No Context Brits,2024-10-31 Great Britain is great, innit? To celebrate Britain achieving peak greatness - we don't seem to be getting any better, let's face it - the internet's favourite meme account No Context Brits is here to tell us that Everything is Great, despite the sneaking suspicion it isn't. Luckily, we've got the greatest cuisine, weather, drivers, graffiti artists (and vandals), police, language and citizens in the world to help us keep calm enough to carry on. Right? This hilarious meme-moir of modern Britain shines a light on all that is tasty and true about being British, without getting all weird and nationalistic about it. 'Whilst the biggest political figures and finest historians have struggled for over a century to truly define what being British is, No Context Brits manages to do it five times a week, easily, on Twitter' CAITLIN MORAN

Blake Victoria H Smith,2019-04-09 A chance encounter in rural Texas leads two strangers to a love over thirty years in the making.BlakeHer trip across the country led her to me, my town-my booth on my lunch break and I never forgot her. I never forgot our conversation or her... taste when I'd been fortunate enough to have it. She had me in a world where she was mine and, even though the experience of her had only been for a short while, I took that memory into the rest of my life, Anita... the girl who spoke of dreams. She reminded me of my dreams and that it was okay to have them. I made those desires into reality years later, after a fallen marriage and a lifetime of hesitance, but never once did Ann leave me. I never thought I needed anyone when the girl with talks of dreaming finally made it back into my life over three decades later, my family and the strong boys I raised into men all I needed. Anita sure proved me wrong, because not only did I need that woman, I lived for her once I had her back in my life. My sudden heart attack may have brought us back to each other, but

our history... It gave us both a second chance.Blake by Victoria H. Smith is a 20,000-word story created just for those who demanded to see and read more about Griffin's pop, the head of the Chandler brood who has a love story all of his own.
