

Gods Test To Abraham

Arno Clemens Gaebelein

The Lord Will Provide Dr. Lucius M. Dalton, 2011-02-25 Genesis 11:30 says, Now Sarai was barren; she had no children. It seems as if the family of Genesis has come to an end. Yet, God speaks directly into this situation. There is good news. Abram and Sarai will have a child. This journey from barrenness to childbirth begins with the faith of Abram. Barrenness is the condition of much of humanity today. There are many today who are empty and desolate. However, God is calling the barren by name. If the barren respond faithfully to Gods call, their barrenness will turn into fruitfulness. The Lord will provide! The Lord Will Provide traces the steps of Abraham from the time the Lord called him to leave home for a land that the Lord would show him (Genesis 12:1) to the time he proved his willingness to sacrifice Isaac on Mount Moriah (Genesis 22:1-14). It details Abrahams constant struggle with faith and doubt and then compares Abrahams faith and doubt with that of humanity. The Lord Will Provide was preached as a seven sermon series in 2010 to commemorate the 125th Anniversary of Mount Moriah Baptist Church.

Atheism, Morality, and the Kingdom of God David K. Clark, 2018-11-27 This treatise explores both the beguiling fancy that without God, moral virtue is not possible, and the dream that human fulfillment awaits the faithful in an afterlife Kingdom. It shows that Jesus' Parables of the Kingdom of God, once stripped of their deceptive theological overlay, reveal an account of real-time flourishing that is secular, constituted by virtue, and incompatible with the life of faith (total dedication to a deity). Part I establishes that morality and human virtue are indeed fully independent of God's very existence, while Parts II and III isolate the prized hermeneutical principle whereby the authentic words of Jesus are set in relief. What emerges is Jesus' own urgent testimony of a this-world kingdom which is the good-life for humans—the summum bonum. This vision, anchored in the very tradition of which Jesus was both participant and critic, reveals human fulfillment as an achievement which is possible only here and now—should we muster the courage to live it.

The Binding of Isaac, Religious Murders & Kabbalah Lippman Bodoff, 2005 In a series of evocative, groundbreaking articles, the author analyzes the Biblical and Rabbinic basis for what surely are now some of the most hotly debated topics in Jewish religious thought today. These include how the traditional interpretation of the Binding of Isaac has been misapplied in both Christian theology and Jewish martyrology, and how the centuries-long, and newly resurgent belief in mysticism and messianism, in kabbalah and Hasidism, has distorted classical Judaism and thwarted its national and cultural development.

The author counters the arguments of those who see Judaism's - and the world's - newfound obsession with mysticism and kabbalah as a natural outgrowth of a progressive trend within rabbinic Judaism, and warns of the impending danger of rejecting the very core of Jewish thought and opinion as it was expounded in the Torah and classical Jewish tradition (the Oral Law). Each section of this magnificent work will give the reader new insights into how different aspects of Judaism have evolved and why they have often been in contention with each other. Nor is he afraid to deal with some of the supercharged issues within Judaism, such as, what are the underlying premises of Jewry's claim to the Divinely Promised Land? And has this claim been affected by its failure to pursue an active program of nationalism? These highly acclaimed articles have been gleaned from today's leading Jewish journals and have stood the test of time. They contain valuable source material and are a ready reference to the many historical and religious topics that are the focus of discussion across all main Jewish denominations.

God at Work Bruce L. Taylor, 2022-10-21 God at Work continues Bruce Taylor's second series of sermons for the Common Lectionary (Revised), providing traditional and story forms of proclamation for the Sundays and feast days of the latter half of the liturgical year. As in his other collections published by Wipf and Stock, these theologically rich, sacramentally sensitive, and biblically centered offerings testify to God's love of the whole creation, Christian unity, and the deep implications of discipleship. His sermons testify to the indispensable relevance of the church as divine instrument in bringing about the complete fullness of God's purpose. Intended for use by preachers, educators, seminary students, and devotional readers, this book, like its predecessors, will be a welcome companion in probing the genius of the liturgical year and the usefulness of preaching from common texts as Matthew's Gospel and the accompanying lectionary readings shape and are explored in Christian worship. Along the way, the scriptural testimony to God's interaction with individuals and communities in and through events great and modest will help faithful readers detect the traces of God in their own lives and the workings of history.

The Life with God Bible NRSV--Old Testament Renovare, Richard J. Foster, Dallas Willard, Walter Brueggemann, Eugene H. Peterson, Bruce Demarest, Evan Howard, James Earl Massey, Catherine Taylor, 2010-07-06 The Life with God Bible combines the depth of a study Bible with the warmth of a devotional Bible, offering a new way to discover the full riches of the Scriptures. According to Richard Foster, bestselling author and the project's editor, the Bible is all about human life with God. As we read Scripture, we should consider how God is with us in each story and allow ourselves to be

spiritually transformed. Many people are looking for a new way to read the Bible, not as a text to be mastered. but as a story to enter into and a lifestyle to pursue. This unique Bible, previously published as *The Renovare Spiritual Formation Bible* and spearheaded by bestselling authors Richard Foster (*Celebration of Discipline*) and Dallas Willard (*The Divine Conspiracy*), introduces the concept of life with God - or the with-God life - a model for seeing the whole of Scripture as the unfolding story of God's plan for our loving relationship with the Creator. This central theme weaves throughout the essays, introductions, notes, and exercises, powerfully revealing how God is present to his people today and throughout history. Yet our relationship with God should not be passive. Concrete practices - Spiritual Disciplines - have been used throughout church history to guide disciples of Jesus. This Bible integrates the Spiritual Disciplines into the Christian life by showing how they are central to the Bible's teachings and stories. Abraham and Ruth, Moses and Deborah, Jesus and the disciples all provide amazing examples of the life-changing power of prayer, worship, fasting, celebration, and many other Spiritual Disciplines. Scripture thus becomes a primary means for the discovery, instruction, and practice of these disciplines as well as a tool for spiritual formation. Combining the highest possible biblical scholarship with the deepest possible heart devotion, this new Bible project seeks to nourish inner transformation by unlocking and revealing the profound resources within Scripture for changing our hearts and characters and bringing them in line with what God wants for our lives. The Life with God Bible will redefine what the Bible means for Christian discipleship.

Passing Life's Tests Rabbi Bradley Shavit Artson, DHL,2012-10-24 Challenges you to go beneath the brief, shocking story and ask: who is the tester, who is the tested and what motivates the test? Among stories so terrible they rend our hearts, so profound they touch the depths of our souls, and so exalted they reach to heaven, none is more poignant than the Bible story of Abraham's sacrifice of his son, Isaac. A story revered by Jews, Christians and Muslims, and turned over and over by great secular thinkers searching for meaning, this gripping tale shocks us into complete attention, then takes us—in nineteen short verses—on a roller coaster ride of emotion, challenge and hope. Rabbi Bradley Shavit Artson, known widely for making the Hebrew Bible relevant to our lives, draws on generations of Jewish sages, philosophers and scholars to explore this ancient story, known as the binding of Isaac or the test of Abraham. He invites us to use this powerful tale as a tool for our own soul wrestling, to transcend its words to confront our own existential sacrifices and our ability to face—and surmount—life's tests. By applying this tale's lessons to everyday events, Artson compels us to pay closer attention to our lives and, through our priorities, responsibilities, mindfulness and faith, ask ourselves if we are passing our own tests.
