

I Like Your Christ Gandhi

S Ben Porath

Rediscovering Gandhi Wolfgang Sternstein, 2014-01-01 Gandhi and Jesus are brothers in spirit in spite of the great distance in space, time and cultural sphere that separates them. This is the thesis of this book. A completely new view of Jesus' life and teaching derives from Gandhi's religious thinking. It coincides to a vast extent with the findings of the Life-of-Jesus Research (which was unknown to Gandhi), but it also goes beyond it in crucial points. To the various things they have in common belongs their rejection of any kind of fundamentalism and its underlying basis, the absolute truth claim of the Abrahamic religions.

The Humanistic Philosophy of Gandhi Dr. Mahesh Kumar Singh, 2022-01-22 The Humanistic Philosophy of Gandhi Gandhi's great contribution to humanism consists in conceiving a religion that centres almost wholly around man and his life here in this world. Religion, according to him, should pervade all our activities, it cannot and ought not to be pursued in seclusion from one's fellow beings and in separation from life's other activities. The equivalent for Religion is "Dharma" in Sanskrit which means moral obligation and connotes individual's integrity as well as social solidarity. Gandhi understood religion completely from that point of view. His Humanism is integral, discussing all the aspects of human life and has rationalist attitudes that differ from Romantic Humanism as well as Radical Humanism and yet synthesizes the two. Gandhian philosophy is not only simultaneously political, moral and religious, it is also traditional and modern, simple and complex. It embodies numerous Western influences to which Gandhi was exposed, but being rooted in ancient Indian culture and harnessing eternal and universal moral and religious principles, there is much in it that is not at all new. This is why Gandhi could say: "I have nothing new to teach the world. Truth and nonviolence are as old as the hills." Gandhi is concerned even more with the spirit than with the form. If the spirit is consistent with truth and nonviolence, the truthful and nonviolent form will automatically result. Despite its anti-Westernism, many hold its outlook to be ultra-modern, in fact ahead of its time - even far ahead. Perhaps the philosophy is best seen as a harmonious blend of the traditional and modern. The multifaceted nature of Gandhi's thought also can easily lead to the view that it is extremely complex. The book is intended to assist students and teachers who are interested in knowing about Gandhian Philosophy. Contents: • Gandhian Ideas in Philosophy • World and God • Swaraj • Relevance of Gandhi in the Political World Today • Gandhian Philosophy in the 21 Century • The Essence of Gandhi • Is Gandhi Relevant Today • Immortality of Gandhian Philosophy • Rediscovering the Mahatma's Way • Gandhi's Dialogue on Civilization

Tell Them About My Love Milly McDaniel, 2016-10-12 Have you ever had trouble with the idea of the angry God of the Bible? Have you ever heard an echo from long ago, whispering in your heart... You are loved...you are Mine...and there is none other like you.? Within the pages of this complex yet beautifully simplistic book you will find answers to many of the questions you have had about life and its meaning and why the key to it all is, and always has been...Love. According to the Bible, God IS Love, and Jesus says that there are only two groups of people walking the planet...the good trees, the wheat,

the children born of Love, born of His Father, and the bad trees, the tares, the offspring of darkness and evil. The line of demarcation between these two groups is not intellectual decision but the innate ability to love and receive love, and you will know each group by the fruit that they bear towards their fellow man. Join Milly McDaniel for this decidedly non-religious view of life on the planet in this created dimension of time and space. Come along on the whimsically delightful journey through the Bible to discover things you may never have seen before as you return to your childlike heart. The map of God's plan has been in plain view the whole time but we could not see the forest through the trees, or through the religious haze. The secret keys and hidden treasures of the Kingdom of Heaven have been cleverly tucked away in front of our faces, just waiting for His children of Light to find. Most likely you will be challenged, as it is probably not what you have been taught...or, is it? Jesus said, This is my commandment, that ye love one another, as I have loved you.

Defending Our Faith Bert E. Park, MD, 2016-06-08 Have you ever felt a bit like the troubled man who professed to Jesus: Lord, I believe. Help me overcome my unbelief!? Do you want to dig deeper into your faith so as to become more sure of what you hope for, and certain of what you cannot see? Havent you questioned whether there is any scientific support for the Genesis creation account or historical evidence to confirm the ministry, crucifixion and, yes, post-resurrection of a man named Jesus? Will you not be challenged in the future by either a skeptical critic or genuine seeker to defend Christianity with facts and not simply faith? If you answered yes to any of these questions, then this handbook written in succinct outline form is just what youve been looking for!
