In My Father's House Corrie Ten Boom, 1999-10-21 This is perhaps the most revealing of all her books, as Corrie introduces us to her life before the dramatic events of the war. It focuses on her family home - a narrow, three-storey watchshop in Haarlem, Holland. Here she was born in 1892, and she shares her memories of family life and the unforgettable characters who shaped her early years. In everything, God was preparing her family for what lay ahead.

In My Father's House Corrie Ten Boom, 2011 When Corrie ten Boom was in her early fifties, she and her family joined the Dutch Underground Christian Resistance movement during World War II. Carrie's autobiography *The Hiding Place*, describing those war years, is a book (and movie) that millions of people worldwide are familiar with. *In My Father's House* is the story of Corrie's years prior to the commencement of World War II. Corrie was a timid girl when she was young, growing up in a busy household with three older siblings, several aunts, and a mother and father wholly devoted to God and their family. From an early age, Corrie felt sympathy and compassion for those who were hurting. With a solid foundation in God's word instilled by her father Casper ten Boom (a watchmaker), Corrie spent her life reaching out to others with God's love and the Gospel message. *In My Father's House* is a testament to how God prepared one family through a father's faithfulness to his Savior and the Word of God for the most sacrificial service a family could do. Beginning in the years before Corrie was born, the book paints a beautiful picture of family from which today's families can glean valuable and eternally-lasting lessons. Featuring Many Family Photos as well as Scriptures that Father Ten Boom Shared with his Wife and Children. Book jacket.

Seven Men and Seven Women Eric Metaxas, 2018-10-02 Two beloved Metaxas classics in a single, compact edition. In this new, one-volume edition that brings together two of his most popular works, #1 New York Times bestselling author Eric

Metaxas explores the question of what makes a great person great? *Seven Men and Seven Women* tells the captivating stories of fourteen heroic individuals who changed the course of history and shaped the world in astonishing ways. George Washington led his country to independence yet resisted the temptation to become America's king. William Wilberforce led the fight to end the slave trade, giving up his chance to be England's prime minister. Susanna Wesley, the mother of nineteen children, gave the world its most significant evangelist and its greatest hymn-writer, her sons John and Charles. Jackie Robison endured the threats and abuse of racists with unimaginable dignity and strength. Corrie ten Boom risked her life to hide Dutch Jews from the Nazis in World War II and survived the horrors of a concentration camp--and forgave her tormentors years later. And Rosa Parks's God-given sense of justice and unshakable dignity helped launch the twentieth century's greatest social movement. These and other lives profiled in *Seven Men and Seven Women* reveal how reveal the secret to a life of greatness--by responding to call to live for something greater than oneself.

Eighteen Years in the Khyber, 1879-1898 Sir Robert Warburton,1900 Sir Robert Warburton (1842-99) was a British army officer who served for 18 years as the political officer, or warden, of the Khyber Pass, the most important of the mountain passes connecting Afghanistan and present-day Pakistan. He was born in Afghanistan, the son of a British officer and his wife, a noble Afghan woman who was the niece of Amir Dost Mohammad Khan. Warburton was educated in England, commissioned an officer, and served at posts in British India and in Abyssinia (present-day Ethiopia) before being appointed, in 1879, to his post in the Khyber. Home to the fiercely independent Pushtun Afridi people who resisted external control, the pass frequently had been blocked by the Afridis or by fighting among the hill tribes. Warburton is credited with keeping the frontier peaceful and the pass open, mainly through diplomacy rather than force. He drew upon his Afghan background and his fluent Persian and Pushto to gradually win the trust of tribesmen whose traditions made them deeply suspicious of outsiders. In August 1897, one month after Warburton's retirement, unrest broke out among the Afridis, who seized the pass and held it for several months. Warburton was called back into service and participated in the Tirah expedition of 1897-98, in which Anglo-Indian forces reopened the pass. Warburton was especially proud of the role played in the expedition by the Khyber Rifles, a paramilitary force recruited from Afridi tribesmen that he had raised and commanded. *Eighteen Years in the Khyber, 1879-1898* is Warburton's account of his education and career. It touches upon virtually every individual and event

that played a role in relations between Afghanistan and British India during the last quarter of the 19th century. Long in poor health, Warburton returned to England and died before the book was completed. Posthumously published, it is illustrated with a number of striking photographs and includes a detailed fold-out map of the Khyber.

Women Under the Third Reich Shaaron Cosner, Victoria Cosner, 1998-10-30 Traditionally, the story of the Third Reich has been a story of men, yet women participated in all aspects of the war and on both sides of the Nazi flag. This dictionary, with entries on more than 100 women, shows the diversity of their roles in this turbulent and disturbing period. It includes entries on resistance fighters, nurses, entertainers, writers, filmmakers, spies, and prisoners with exceptional spirit and courage. The women represented here came from all the countries involved with the Third Reich and from many different occupations before their involvement in the war—housewives, secretaries, singers, film stars, pilots, and athletes. This volume reveals the women's perspective on the history of the Third Reich. Despite the vast number of women who supported or fought against the Third Reich, historians have often neglected them and their contributions. Researchers checking the index of a book on the Third Reich might see one or two female names—usually Anne Frank or Eva Braun. This book is the first to provide biographical information on the vast number of women who helped shape the era. It offers an opportunity to reclaim a small sampling of the women who fought against or supported the Third Reich.

Great Women of Faith Daniel Partner, 2000 *Great Women of Faith* provides summaries of the life, labor, and legacy of thirty-one women in Christian history. Includes Susanna Wesley, Fanny Jane Crosby, Catherine Booth, Corrie Ten Boom, and many more.
