Q and A Dennis C. Smolarski, 2003 Can a layperson preside at a blessing? Should a wedding always be celebrated during a celebration of eucharist? In this second volume of the Q&A series, Father Dennis Smolarski, SJ, answers these and more questions about the liturgy and its celebration--40 in all--posed by priests, liturgists, music directors, liturgy committees,

ministry coordinators and diocesan liturgy offices. As in the first volume, Q&A: The Mass, the answers are informed by both the author's legal expertise and his pastoral sensitivity. The answer to each question takes into account the latest edition of the General Instruction of the Roman Missal, as well as other official documents. At the same time, each answer is informed with the common sense and pastoral concern of an experienced presider and member of the assembly.

The Romanian Mass Media and Cultural Development David Berry,2017-07-05 This compelling book assesses the development of the mass media since the Romanian Revolution in December 1989 and the media's impact on cultural development, the public sphere, civil society and democracy. It controversially claims that Romania's failure to experience a thoroughgoing enlightenment project in its entire history remains a major obstacle for producing democratic ownership of the media and democratic development of society. Analyzing both the print and broadcast media and their respective effects on development, the book also discusses the effects of Romanian law on media and societal development, ethics, and media responsibilities. It concludes, however, that far from having an absolutely negative impact on Romanian post-communism, the media has helped produce a contradictory empirical form that equally contains positive moments in terms of subjective cultural development.
