Broadway Sheet Music Donald J. Stubblebine,1995 Stubblebine, also the author of Cinema Sheet Music (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

Early Broadway Sheet Music Donald J. Stubblebine,2002 This work, a companion to Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (1996, \$75), provides information about sheet music published over the 75-year period from June 1, 1843, to May 31, 1918--the early days of modern American theatre. It covers all sheet music published from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway. Also included are all the major musicals from Chicago, which rivaled Broadway in original productions during that period. Each piece of sheet music has been assigned a number by the author, and the following information is given: production title (as listed on sheet music cover), year the production officially opened or tour began, name of the theatre (applicable only to New York productions), number of performances (applicable only to New York productions), performers, song titles, composer and lyricist, original publisher of each song, and cover description. Also included are comments from the author.

Sheltering Rain Jojo Moyes,2013-07-16 From the #1 New York Times bestselling author of Me Before You, the basis for the major motion picture, comes the touching, unforgettable story of three generations of Irish women faced with the fundamental truths of love, duty, and the unbreakable bond that unites mothers and daughters. Estranged from her mother

since she ran away from her rural Irish home as a young woman, Kate swore a future oath that she'd always be a friend to her daughter, Sabine. But history has a way of repeating itself, and Kate now faces an ever-widening chasm between herself and her daughter. With Sabine about to make her own journey to Ireland to see the grandmother Kate abandoned, Kate is left wondering how they ever made it here, and what she can do to close the gap between them. For Joy, seeing her granddaughter is a dream come true. After the painful separation from Kate, she's looking forward to having time with Sabine. Yet almost as soon as the young woman arrives, the lack of common ground between them deflates her enthusiasm. And when Sabine's impetuous, inquisitive nature forces Joy to face long-buried secrets from her past, she realizes that perhaps it's time to finally heal old wounds. "This perceptive...novel does the mother-and-daughter thing in page-turning style."--Elle
