The 12 Zodiac Signs and Their Explanation of Why We Are Who We Are Dayanara Blue Star,2016-11-16 As humanity has spent more and more time on earth, we have begun to understand better, albeit in little bits, our world and its impact on us. Astrology is perhaps the most ancient of all arts, beginning in Babylon and enjoying, over time, some Hellenistic cultural edits, but its accuracy has never been in doubt, giving birth to the zodiac signs and their use in the classification of people. The zodiac signs are the relationship between celestial phenomena and human activities. Therefore, it is believed that things generally happen as above, so below. If you are reading this, you know what zodiac signs are, so we won't dwell too long on it. You've also maybe heard of the twelve signs and how they can be the key to deciphering why people behave the way they do, but haven't exactly seen this broken down before. Well, here it is. A person's zodiac sign just about describes who they are in relation to the universe. We are talking descriptions as superficial as favorite colors down to the deep, hidden details

like the nature of their individual souls. In this book, we will begin from Aries - where the sun begins its cycle at the spring equinox. So, buckle up.

**Love Lucky Love** Artemisia, Mirzia, You will discover all the secrets of love of the 12 Zodiac Signs, so you will easily conquer the person you like . Love is a wonderful alchemy that transforms you every time you fall in love. You will know also how she/ he wants to be loved and what is better to avoid doing. Love Lucky Love is a manual to read and remember, because you never know who you will meet. This e-book is also a journey through the Stars to understand vices, virtues and curiosities of the 12 Zodiacal Signs. You will understand the usefulness of Astrology because you will avoid mistakes. It will be like taking a trip and instead of knowing new places you will know yourself and the people you want to seduce, their way of loving, of living the passion and sexuality. In this ironic journey you will discover the hidden sides both yours and the person you like. For each Zodiac Sign I wrote a chapter, which is divided into several paragraphs: How you love - How she is - how he is - (astrological portraits of her and him) Your sensible part - How to conquer a woman or a man of any Zodiacal Sign Which Zodiacal Signs, in love, are more in harmony with you. There are also other chapters for each Zodiac Sign. Your symbol Your Planet Something more about you.... The decades with their characteristics. Talismans of the Sign: Flowers, Colors, Birthstones, Metal, Number and Day I suggest you to read not only the Zodiacal Sign but also the Ascendant. The seriousness of my work is proved by 40 years of study of Astrology and from many collaborations with several publishing houses, including the " Rizzoli" for the magazine of Astrology Astra. I have also published many books. But I think the most important thing is that I'm really passionate about Astrology and I have always loved it! And now I just have to wish you good reading and have fun!
