Experiencing the Blessings and Good Fruit of Cancer Judy J. Stamey,2013-11-20 Praise for Experiencing the Blessings and Good Fruit of Cancer Oh, how I searched for a book just like this one when I was diagnosed with breast cancer

two and a half years ago. Experiencing the Blessings and Good Fruit of Cancer is an insightful and uplifting look into dealing positively with all aspects of cancer from a patients perspective. Expect to be blessed and to grow spiritually as you read this incredible book written by a woman with an inspirational attitude like no other. Kristi Evans, breast cancer survivor and lay navigator, Baylor All Saints Medical Center, Fort Worth; Joan Katz Breast Center Judy has written a beautiful record of her journey through cancer. It carefully describes all that a cancer patient might experience, but is written in such a way as to bring hope and encouragement to not only the patient, but the family and friends who stand with them. There is hope even through the darkest days; and Judy identifies clearly the source of all hope: our Lord, Jesus Christ. Thank you for sharing your journey with us! Nan Dean, first lady at Travis Ave Baptist Church; Fort Worth, Texas Dr. Stameys heartfelt gratitude for the blessings that cancer has bestowed upon her speaks to the resilient character that cancer patients have. Her story is even more remarkable because she truly feels blessed despite losing her own daughter to cancer. It has been my blessing as a radiation oncologist to be touched by individuals such as Dr. Stamey. Dr. Kathryn Shide, MD, radiation oncologist, Texas Oncology; Fort Worth, Texas

The Twisting Tide of Leadership Dennis Robinson, 2019-03-27 Great leaders are like rare diamonds, and great leadership is in high demand but short supply. Good leadership is desperately needed if we are to survive the ever-changing, twisting tide of leadership. Have we lost our way in a sea of questionable tactics and attitudes about genuine leadership? Does moral authority fit in with our quest to become great leaders in our world today? Dr. Robinson will be unleashing some powerful truths of leadership and the many facets thereof. Utilizing past and present, good and bad examples of what leadership is and is not. With the use of secular and biblical stories and scriptures, the murky waters become much clearer as to what great leadership can be and looks like in today's contemporary society. This book is for all who aspire to become a great leader.

Send My Roots Rain Kim Langley, 2019-04-01 Langley offers comfort and encouragement to those struggling with recent loss or grief, helping them find language for complex emotions, and open their hearts through poetry. *Send My Roots Rain* is a companion full of stories—sometimes wry and funny, always observant and accepting—for letting grief unfold and teach us. Langley invites a keen awareness that the passage through grief is the navigation of a narrow strait, requiring patience, skill, and worthy companions. These poems can be those companions on the journey. Langley has carefully selected 60 poems and arranged them in a meaningful arc, beginning with the shock of early grief, leading through a sensitive exploration of a new inner space. She introduces each section, encouraging the ongoing embrace of the healing power of poems, writing, and entry into the grieving process. Each poem is followed by a brief meditation and quotation, with questions for contemplation, journaling, or group discussion.
