

Life Is A Fuck

Lester A. Sobel

Damaged Hearts Jan St. Marcus, 2019-10-08 When 19-year-old military veteran Brandon Hawkins is attacked on Venice Beach by a gang of frat boys, he is saved by Michelangelo Curtis, a passerby. Michelangelo was roaming the boardwalk grieving the death of his twin brother six months earlier. The two men's unexpected encounter forges a strong bond between the damaged and lonely men. Inviting the homeless Bran to his place for some food and a shower, 25-year-old Michelangelo finds himself drawn to the younger man. Neither of the men is gay. But before long, their friendship morphs into something like love and takes them both by surprise. And they have something else in common: The frat boys are out for revenge.

How Now, Butterfly? Charity Lee, Brian Whitney, 2020-01-14 A mother recounts her unthinkable experience after her thirteen-year-old son murders his little sister—and her struggle to emerge from devastation. Losing a young daughter to murder is the worst nightmare that a mother could possibly imagine—but what if the killer was her son? Charity Lee was thrust into this unimaginable situation when her thirteen-year-old son, Paris, murdered her beloved four-year-old daughter, Ella. Charity goes through intense grief at the loss of her daughter, while at the same time trying to understand why her son would have done something as horrific as this, and how she could have missed the signs that Paris was a true psychopath. While barely holding herself together throughout her intense grief, Charity is still a mother and feels a need to advocate for her son to receive appropriate treatment while incarcerated, while at the same time trying to ensure he stays in prison so he can never hurt someone again. Charity still loves her son and craves a connection with him despite all he has done. Because of her experiences, she rebuilds her life and starts a non-profit to help other families of victims, as well as offenders. This book is a meditation on grief, loss, and forgiveness unlike any other. It's also an inspirational story of a true survivor. How Now, Butterfly? is a haunting memoir that no reader will soon forget.
