

Made For Living

Oscar James Campbell,Justine Van Gundy,Caroline Shrodes

Made for Living Linda Faltin,2012-09 Based on newspaper columns written by the author between 1980 and 1985, this compilation of personal reflections brings to the reader a fresh and open perspective on those days and times. Incredibly timely, this book offers inspiration, encouragement, and the recognition of the beauty and wonder of ordinary, everyday life. From celebrating high school graduations to ruing the deterioration of good manners, from cherishing friendships to looking honestly at both the joys and difficulties of parenting, Linda's eye and voice are uniquely hers as a woman of faith, inviting the reader in with both common sense about and delight in everyday living.

Made for Living Amber Lewis,Cat Chen,2020-10-27 NATIONAL BESTSELLER • The trendsetting designer known for her effortless style shares the secrets of the art of layering, with more than 250 gorgeous photographs of her signature interiors. "Livability is my true north. The materials I use time and again all change with age and wear. Not only is that okay, it's how you achieve more than a re-creation of what you've already seen, or what somebody else has done. You can do this, too—I promise."—from the introduction Designing a room with all the vibes comes down to how you layer your décor. The more you can mix the elements of your room—your pillows, objects, patterns, and lighting—the more finished it'll feel: not too new, not too old, but just right. Known for her eclectic approach that stems from her California cool, Amber Lewis trains your eye in *Made for Living*, offering friendly advice on everything from nailing that perfect shade of paint to mismatching patterns with wild abandon to choosing a stone finish for new countertops. These pages will help you design a home that's made to be lived in.

Call It Home Amber Lewis,2023-10-17 NATIONAL BESTSELLER • Through gorgeous photography and heartfelt essays, the interior designer and author of *Made for Living* reveals her detail-oriented approach to renovating, decorating, and building a beautiful home. The details can make a room. The bullnose edge of a marble countertop. The wood grain and color of the flooring. The particular pleat of the drape. Amber Lewis, the esteemed designer known for her signature California-inspired style, obsesses over the tiniest of features to create her eclectic, laid-back look. In *Call It Home*, she shares her secrets to choosing and applying fabric, paint, finishes, tile, flooring, and more for a beautifully designed home, shortcutting the often-overwhelming decision-making process. Amber walks you through eight new homes she designed—including her own—and the thought processes behind every major choice. Whether you're decorating one room, renovating your entire house, or planning new construction, she shares how to approach a project from start to finish, guiding you on how to find the right team so you can get the perfect results. Then she takes you through mountain retreats and surfside homes, dreamy escapes she's created by pulling inspiration from the surrounding property for a look that's unique to each home. Through personal essays, you'll learn how she set about the project, what challenges her team faced, and the materials she used to achieve the finished result. With more than 200 gorgeous images of living rooms, kitchens, dining rooms, entryways, bedrooms, and baths, you'll have photographs of Amber's details on hand when you're ready to create your own collection of stunning spaces—and call it home.
