Ambassador Elliston Rahming ,Briana Louise Cacuci

Greatest Blacks Ever Ambassador Elliston Rahming ,Briana Louise Cacuci,2017-06-16 From an article entitled "History's Black Hole" from the January 10, 2016 global edition of the New York Daily News, Arthur Browne opines, "Across every field of endeavor, from the ministry to medicine and from education to entrepreneurship, book merchants balk at memorializing black experience and accomplishments." Essentially, this book is a celebration of black accomplishments—over centuries and across continents—and seeks to fill a portion of that "black hole." Of the roughly 7 billion people who inhabit this planet, some 1.5 billion are classified as white, and blacks account for 1.1 billion. The remaining over 4 billion are somewhere in the middle. Yet, throughout the years, a paucity of written materials have recorded the positive influences and myriad contributions that the great number of black citizens have made toward global peace, progress, prosperity, and pleasure.

Radicalism and Cultural Dislocation in Ethiopia, 1960-1974 Messay Kebede,2008 A provocative investigation into the root causes of the Ethiopian political upheavals in the second half of the twentieth century.During the 1960s and early 1970s, a majority of Ethiopian students and intellectuals adopted a Marxist-Leninist ideology with fanatic fervor. The leading force in an uprising against the imperial regime of Emperor Haile Selassie,they played a decisive role in the rise of a Leninist military regime. In this original study, Messay Kebede examines the sociopolitical and cultural factors that contributed to the radicalization of the educated elite in Ethiopia, and how this phenomenon contributed to the country's uninterrupted political crises and economic setbacks since the Revolution of 1974. Offering a unique, insider's perspective garnered from his direct participation in the student movement, the author emphasizes the role of the Western education system in the progressive radicalization of students and assesses the impact of Western education on traditional cultures. The most comprehensive study of the role of students in modern Ethiopian political history to date, Radicalism and Cultural Dislocation in Ethiopia, 1960-1974 opens the door for discussion and debate on the issue of African modernization and the effects of cultural colonization. Messay Kebede is Professor in the Department of Philosophy at the University of Dayton and is author of Survival and Modernization -- Ethiopia's Enigmatic Present: A Philosophical Discourse [1999].

Quote ,1963

Positive Vibrations Stuart Borthwick,2022-05-09 From Marcus Garvey and Rastafarianism to today's ubiquitous dancehall riddims, a comprehensive and impassioned exploration of reggae. *Positive Vibrations* tells of how reggae was shaped by, and in turn helped to shape, the politics of Jamaica and beyond, from the rudies of Kingston to the sexual politics and narcotic allegiances of the dancehall. Insightful and full of incident, it explores how the music of a tiny Caribbean island has worked its way into the heart of global pop. From Marcus Garvey's dreams of Zion, through ska and rocksteady, roots, riddims, and dub, the story closes with the Reggae Revival, a new generation of Rastas as comfortable riding rhythms in a dancehall style as they are singing sweet melodies from times gone by. Impeccably informed, vibrant, and heartfelt, *Positive Vibrations* is a passionate and exhaustive account of the politics in reggae, and the reggae in politics.

Jahmaica: Rastafari and Jamaican society, 1930 - 1990 Frank Jan van Dijk,1993 This book is a historical study of the Rastafarian movement and its changing relationship with the 'wider' Jamaican society. It is an account of a people's dream of salvation in Zion and their quest for recognition in Babylon, of repeated failures of prophesy and unshakable faith in the power of the Almighty, of unconcealed hatred and growing admiration, of persecution and shrewd political manipulation, an account of a movement's worldwide appeal and its inevitable decline in Jamaica.--Back cover.
