The Last Mrs. Parrish Liv Constantine, 2017-10-17 A REESE WITHERSPOON HELLO SUNSHINE BOOK CLUB PICK • NATIONAL BESTSELLER • MORE THAN ONE MILLION COPIES SOLD! “Will keep you up. In a ‘can’t put it down’ way. It’s ‘The Talented Mr. Ripley’ with XX chromosomes.” —The Skimm Read The Last Mrs. Parrish before you pick up the new, instant New York Times bestseller, The Next Mrs. Parrish! A mesmerizing debut about a coolly manipulative woman and a wealthy golden couple, from a stunning new voice in psychological suspense. Amber Patterson is fed up. She’s tired of being a nobody: a plain, invisible woman who blends into the background. She deserves more—a life of money and power like the one blond-haired, blue-eyed goddess Daphne Parrish takes for granted. To everyone in the exclusive town of Bishops Harbor, Connecticut, Daphne—a socialite and philanthropist—and her real-estate mogul husband, Jackson, are a couple straight out of a fairy tale. Amber’s envy could eat her alive . . . if she didn’t have a plan. Amber uses Daphne’s compassion and caring to insinuate herself into the family’s life—the first step in a meticulous scheme to undermine her. Before long, Amber is Daphne’s closest confidante, traveling to Europe with the Parrishes and their lovely young daughters, and growing closer to Jackson. But a skeleton from her past may undermine everything that Amber has worked towards, and if it is discovered, her well-laid plan may fall to pieces. With shocking turns and dark secrets that will keep you guessing until the very end, The Last Mrs. Parrish is a fresh, juicy, and utterly addictive thriller from a diabolically imaginative talent.

The Force of Such Beauty Barbara Bourland, 2023-05-09 “This is not your grandma’s fairy tale... Brilliant.” —The Washington Post “The Force of Such Beauty grips with the strength of an Olympian and holds it with the endurance of a marathoner ... [to] an ending that actually caught my breath, not once, but twice in quick succession.” —The Associated Press One sunny afternoon in an idyllic kingdom by the sea, a princess named Caroline pretends to sleep. When her keepers strike up a card game, Caroline sneaks into her maid’s car, turns the key, and drives right out of the palace. Alone for the first time in years, she gets on the next flight—only to land in the waiting arms of her guards. As she’s forcibly escorted back to her marble prison, something in Caroline breaks for good. It’s not her first failed attempt, and it won’t be her last. Caroline suspects that she’ll never escape. But she might find a way to be free. Barbara Bourland’s stunning third novel, a

phantasmagorical fable of love and marriage, is her most ambitious and inventive book to date. Inspired by the alleged escape attempts of real-life princesses, *The Force of Such Beauty* is both the story of an idealistic young woman trapped by a corrupt promise, and a deeply moving reminder that power structures around the world ultimately rest on the subjugation of women's bodies. "A fascinating novel about bodies, the way we use them, and the way we break them. It's one of several works to come out this year concerned with the appropriation of female beauty by powerful men, and examines a harsh choice in the lives of women dubbed desirable by the patriarchal state: do you participate, or do you say no?...Bourland is skilled at finding the noir in the everyday, and illustrating the mechanisms of control that keep us in our place."—Crime Reads, Best Books of the Year (So Far)

The Last Time I Lied Riley Sager, 2023-08-01 THE INSTANT NEW YORK TIMES BESTSELLER From the author of *Survive the Night* and *Final Girls* comes a tense and twisty thriller about a summer camp that's impossible to forget—no matter how hard you try. Two Truths and a Lie. Vivian, Natalie, Allison, and Emma played it all the time in their cabin at Camp Nightingale. But the games ended the night Emma sleepily watched the others sneak out into the darkness. The last she—or anyone—saw of the teenagers was Vivian closing the cabin door behind her, hushing Emma with a finger pressed to her lips.... Fifteen years later, Emma is a rising star in the New York art scene, turning her past into paintings—massive canvases filled with dark leaves and gnarled branches over ghostly shapes in white dresses. When the paintings catch the attention of the wealthy owner of Camp Nightingale, she implores Emma to come back to the newly reopened camp as a painting instructor. Despite her guilt and anxiety—or maybe because of them—Emma agrees to revisit her past. Nightingale looks the same as it did all those years ago, haunted by a midnight-dark lake and familiar faces. Emma is even assigned to the same cabin she slept in as a teenager, although the security camera pointed at her door is a disturbing new addition. As cryptic clues about the camp's origins begin to surface, Emma attempts to find out what really happened to her friends. But her closure could come at a deadly price.

Everyone Is Watching Heather Gudenkauf, 2024-03-26 Big Brother meets Clue in this utterly original and incredibly tense locked-room mystery. —May Cobb, author of *A Likeable Woman* A mysterious high-stakes game proves life-threatening in this twisty thriller from the New York Times bestselling author of *The Overnight Guest* *The Best Friend*. *The Confidant*. *The Senator*. *The Boyfriend*. *The Executive*. Five contestants have been chosen to compete for ten million dollars on the game show *One Lucky Winner*. The catch? None of them knows what (or who) to expect, and it will be live streamed all over the world. Completely secluded in an estate in Northern California, with strict instructions not to leave the property and zero contact with the outside world, the competitors start to feel a little too isolated. When long-kept secrets begin to rise to the surface, the contestants realize this is no longer just a reality show—someone is out for blood. And the game can't end until

the world knows who the contestants really are... And don't miss these other enthralling thrillers by Heather Gudenkauf: *The Weight of Silence* *These Things Hidden* *Little Mercies* *Missing Pieces* *Not a Sound Before She Was Found* *This is How I Lied* *The Overnight Guest*

Complicit Winnie M Li,2023-06-20 “Like the best filmmakers, Li draws you to the edge of your seat and keeps you there.” —The New York Times Book Review After a long-buried, harrowing incident, a woman whose promising film career was derailed contemplates revenge in this thriller about power, privilege, and justice “that is compelling, courageous, and brutal in the best possible way” (Liz Nugent, author of *Little Cruelties*). A Hollywood has-been, Sarah Lai’s dreams of success behind the camera have turned to ashes. Now a lecturer at an obscure college, this former producer wants nothing more than to forget those youthful ambitions and push aside any feelings of regret...or guilt. But when a journalist reaches out to her to discuss her own experience working with the celebrated film producer Hugo North, Sarah can no longer keep silent. This is her last chance to tell her side of the story and maybe even exact belated vengeance. As Sarah recounts the industry’s dark and sordid secrets, however, she begins to realize that she has a few sins of her own to confess. Now she must confront her choices and ask herself, just who was complicit? Bold and hypnotic, *Complicit* transports us “into the film industry’s dark and deep-seated culture of rampant sexism and unbridled male ego...and the terrible cost of staying silent. An utterly compelling read” (Liv Constantine, author of *The Last Mrs. Parrish*).

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him.
