"Why, Gary, Why?" Jody Plauché, 2019 Deputy Mike Barnett asked Gary Plauché, Why, Gary? Gary, why? seconds after television cameras recorded Gary shooting and killing karate instructor Jeff Doucet, who had raped, molested, and kidnapped Gary's son Jody. Now, thirty-five years later, Jody Plauché answers the deputy's question on behalf of his late father and explores the story of his molestation, kidnapping, and survival. He unveils the sly tactics that child predators often use so that he can better inform parents of the potential signs that a person might harm their child. Through his own incredible story of using his past for good by helping others, he shares how any reader who has suffered great trauma can move on and not let the past define him or her. You have the potential to overcome negativity and redefine your own story--

Avenging Child Sex Abuse Joshua Long, Jason Vukovich, 2023-07-21 This book explores the subjects of child sex abuse, flaws in the justice system, cultural support for vigilantism, prison violence, and the socio-legal philosophy of punishment. Child sex abuse leaves a scar that lasts a lifetime. Can any legal punishment balance the scales of justice? Can sex offenders ever repay their debt to society, or more importantly, to the victim? For some victims of this traumatic abuse, the debt remains unpaid, and it accrues interest. Vigilantes seek to avenge child victims by hunting down sex offenders in the community. Sometimes prisoners in correctional facilities conspire with rogue correctional officers to mete out their own form of "convict justice" on people who hurt children. While their motives and methods differ, these outraged citizens seek retribution through violence because they are disgusted with a justice system they believe shows extraordinary leniency toward child sex abusers. Whether this violence occurs in the community or in jail cells across the country, the message these vigilantes broadcast is the same: if the government won't seek retribution, they will. The story is told through a series of case studies based on interviews with real-life vigilantes, most of whom are serving life sentences for their crimes. For the

first time, vigilantes have been given a chance to tell their own stories. Patrick Drum, Steven Sandison, Joseph Druce, Jeremy Moody, Jon Watson, James Fairbanks, and others have shared their personal insights to help us get inside the vigilante mind. For some readers, these accounts will humanize people considered to be simply murderers. For others, it will demystify the popular portrayals of vigilantes in our society.
