Reid Mayne

A Touch of Fate Cora Reilly,2025-06-24 From international bestselling author Cora Reilly comes a new standalone arranged marriage mafia romance. When Emma Mancini finds out the news of her impending arranged marriage to Samuel Mione, a future Underboss and one of the Outfit's most sought-after bachelors, she is hopeful for their future despite their age difference. However, the never-ending gossip surrounding their union and Samuel's cold attitude extinguish that hope. After an unfortunate decision made in the past, guilt and bitterness are Samuel's constant companions. He doesn't have time for emotional nonsense, and a bond to a woman only adds another unwanted obligation. Nevertheless, Emma isn't someone who resigns herself to her fate. She's overcome much greater obstacles than a cold husband determined to keep her at arm's length. Can Emma break through Samuel's impenetrable walls? And if she does, can she live with what she discovers?

Live Without Regret K. L. Grayson,2016-02-12 Everyone talks about how great love is, with all the flowers and the butterflies, but that wasn't my experience at all. Love wasn't something I wanted or even needed. But then Connor Jackson came into my life. I want Connor. The only problem--Connor wants forever. But forever doesn't exist. It can be taken away in the blink of an eye, and this is one heartbreak I know I wouldn't be able to survive.

not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Mystery of Fate Arlene Uslander,Brenda Warneka,2009-12-01 An anthology of real stories by real people. FATE is a universal concept - destiny, luck, kismet or coincidence - whatever you want to call it. The common thread in this fascinating anthology is the presence of fate in everyday lives, a force that intervenes. The stories in this book will make you laugh, some will make you cry, some will amaze you, while still others will inspire and motivate you. But each true account carries the imprint of its author, allowing his or her perspective to light the way to a unique interpretation of fate. The ancient Greeks believed that fate was more powerful than the gods. What do you believe?

Fate Audrey Carlan,2017-08-22 Not many can say they were burned by fate. I'm the exception. Scalded figuratively, emotionally, and physically... I have the scars running down my arm, ribs, and side to prove it. The doctors have done what they can to heal me by smoothing the abraded skin using other parts of my body. But they can only do so much. Sometimes, what can't be seen can't be healed. The fire that night took more than a pound of flesh. It obliterated my talent, beauty, and most importantly, seared the connection I had with the man I loved. Sure, it was me who pushed him away, but I had my reasons. I did what any woman would do in my situation. I gave up everything so that one day he'd find happiness and peace. Now I've healed a bit on the outside, and on the inside, but I still crave the one I let go. To this day he looks at me with fire in his eyes, a heat so bright in his being he glows with it. I fear the light, the flames that could consume me whole. The problem now is, he's not mine anymore. I just may have waited too long to fight for him, for us, for a future together. There's only one thing I can do. Let fate decide.
