**Shirley Temple Biography: The 'Perfect Life' of the Child Star Shirley Temple During the Great Depression**

Chris Dicker, You are about to discover the astonishing and quite unusual success of Shirley Temple during the harsh times the United States has ever known - The Great Depression of the 1930s. While people struggle for survival, food, shelter, and money, Shirley Temple rocked the entertainment industry and prevented many of the film companies like Twentieth Century Fox from bankruptcy. Shirley Temple was shining light in the hearts of people during the difficult times in the United States and this turned her into a true icon, a child star. In this book, you'll learn how Shirley Temple was able to reach the hearts of so many people, how she shaped the entertainment industry and how she was able to become a star during the most

dangerous and scarce times in the American history where I doubt people were on the mood for films and entertainment, yet, she was able to influence so many people and bring light in the darkness. Shirley Temple remains the most famous child star of all time, but even this designation fails to reflect the magnitude of her popularity during The Great Depression. While it is true that she was not the first child actor to reach Hollywood fame, she was the first - and to this day, perhaps the only - star who rose to the very pinnacle of the Hollywood elite before she even turned 10 years old. Shirley Temple Rita Dubas,2006-10 (Applause Books). Shirley Temple was a phenomenon, a child star whose talent and personality earned her a permanent place in Hollywood history. The extraordinary six-year-old entertainer struck a chord with audiences all over the globe. Her career sparked a marketing sensation, spurring the production of anything and everything bearing her image-from dolls to tin whistles-in all corners of the globe, both authorized and unauthorized. Despite the decades-long interest in everything Temple, never before has there been a lavishly illustrated art book examining the phenomenon that was Shirley Temple as a child star in the 1930s. Many of the rare and unusual Shirley Temple collectibles have never been featured in print. Along with an informal, concise history of the childhood career of Ms. Temple (featuring film stills, many never-before-seen photographs, and personal snapshots of Shirley as well as several taken by her), this book is a visual treat befitting the magic of the most famous child star of all time, as well as the Golden Age of Hollywood.

Shirley Temple on the Movie Lot ,1936

**Shirley Temple** John Bankston,2004 One of the most beloved child actresses of all time, Shirley Temple continues to delight fans of all ages with her timeless classic films. Shirley made her movie debut at the age of three and became a star in the 1934 film *Stand Up and Cheer*. Her ability to draw an audience to her films some seventy years after they were made speaks volumes for this child star. Book jacket.
