*Camera Shy Kay Cove*,2024-05-14 A man is going to treat you how you treat yourself. So please, for the love of God, act like a queen. I was expecting a ring on my thirtieth birthday. What I didn't see coming was my boyfriend and business partner dumping me because he couldn't bear the idea of our bland sex life for the rest of our lives. When an opportunity arises to spend my summer in Las Vegas, I stumble upon my hot new neighbor and his photography studio. We strike a simple deal. He's the teacher, and I'm his student. My lesson is learning to love the body I have. In exchange, I'm going to save his business. I have exactly one summer to unearth the most confident version of myself before I go home and return to reality. But after a passion-fueled summer, I'm not sure of who I am anymore, and it's clear that the worst heartbreak of my life might still be yet to come.

*Camera Shy: Special Limited Edition Hardcover Kay Cove*,2024-11-12 In this special limited edition hardcover, a body positive, neighbors-to-lovers romance about a curvaceous beauty who strikes an unlikely bargain with the handsome photographer next door. A man is going to treat you how you treat yourself. So please, for the love of God, act like a queen. I was expecting a ring on my thirtieth birthday. What I didn't see coming was my boyfriend and business partner dumping me because he couldn't bear the idea of our bland sex life for the rest of our lives. **Snapshot Kay Cove**,2024-09-10 A steamy marriage of convenience romance about two friends striking a deal to save a billion-dollar company, and quickly find themselves blurring the lines between pretending and real love as they unravel the scandals set to tear them apart. Be loud. Lean in. Take your seat at the head of the table. I want the whole room to know that when my wife speaks, it's time to sit down and listen. Thanks to my reckless roommate, I'm about two skips away from being homeless. Temp jobs aren't paying the bills, and now I have to cancel the scuba diving trip I can no longer afford. At least I'll be spared from my instructor's tempting smile and rock-hard abs. Dex is wonderful, but he's only ever treated me like a

friend...a really good friend. In fact, when he hears I'm having money problems, he comes up with a way we can help each other. In a clever scheme to ensure her jaded, love-doubting grandson didn't end up alone, Dex's grandma left her company to Dex's...wife. Except he isn't married. Until me, that is. Now I'm suddenly the CEO and majority shareholder of a billion-dollar cruise corporation. I'm unprepared, and the sharks in the boardroom are scarier than the great whites in the water. But the plan is simple. Play the part for a year, hand the company back over to Dex, then get divorced. Easy. In exchange, I'll never have to worry about money again. But it's not long before I realize the company is in danger and a lot of people need my help. And now that I'm acting like the boss, there's a look in Dex's eyes I've never seen before. Something more than friendly... Because when he calls me "wife" lately, it doesn't seem like it's for show.

Selfie Kay Cove,2025-06-17 A captivating enemies-to-lovers workplace romance about a woman who, in order to settle a family debt, must face off with her infuriatingly handsome billionaire boss and navigate the fine line between lust and hate. Spencer's story coming soon.

Gray Area Kay Cove,2026-05-12 Experience a sizzling, age-gap romance where passion knows no boundaries and second chances are just the beginning. Two decades designing couture for the elite, and building a billion-dollar fashion brand, should feel like success. Instead, I have an empty mansion, a fresh divorce settlement, and the sinking feeling that I traded everything meaningful for a life that looks better on social media than it does in the mirror. When my practically estranged best friend passes away, she leaves me with the one thing my ex-husband never gave me a chance to have—a baby. Well, a soon-to-be baby, currently residing in a surrogate's belly. Surprise! Guilt-ridden, and scared to face this alone, cue my desperate funeral plus-one hire: Saylor, an escort with bedroom eyes and a smile that makes me forget I'm supposedly "past my expiration date." He's over a decade younger and shouldn't give me a second glance after the check clears. Only he does. And while I'm spiraling over surprise motherhood and the thoughts of launching a new fashion empire, away from the clutches of my ex, this way-too-young-for-me man has the audacity to look at me like I'm the only woman in the world. "Too old" is what society whispers about women my age starting over. Too old for babies. Too old for new beginnings. Definitely too old for Saylor's salacious advances that make me feel like a teenager in lust. But what if the happily ever after isn't lost, just fashionably late? And what if the unattainable escort couldn't care less about earning his money, because he's making a play for my heart?

Role Play Kay Cove,2025-09-09 When a desperate author hires an escort to inspire her next book and the chemistry turns real, she must decide if their love story is a plot twist or a happily-ever-after... She wanted to write a bestseller. She wasn't ready for the plot twist. Being an indie romance author was supposed to be a dream come true. But after publishing umpteen books, I still haven't "made it" and now I'm just waiting for the dark cloak of insignificance to completely snuff out my career. I decide to roll the dice on a marketing guru who swears he can yank me out of obscurity. But after a frantic search for "book

boyfriend material” and an unexpected bar encounter, I accidentally blow my entire budget on an escort. Forrest is a charming single dad by day and hotter-than-sin escort by night. But before I can fire him and ask for a refund, he reminds me how I got here in the first place... I’m in desperate need of inspiration. He might be a walking red flag, but Forrest is ready to be my muse, which means spending the next three months helping me “research” my next bestseller. (Hey, I’m manifesting here.) Our game plan? Act out all the romance novel tropes that make a bingeable love story: brooding billionaires, masked men, cowboys in small towns, and even swoon-worthy green flags. Forrest plays all the book boyfriend parts perfectly. So perfectly I’m starting to wonder if his feelings for me might be real, or if he’s just earning his paycheck. I’m not sure if I’m trying to write a love story or live one out. After all, there is no such thing as happily ever after with a professional escort...right?

Whistleblower Kay Cove, 2023-11-10 Eden Where I come from, there's no forgiveness for a whistleblower, even if I saved countless lives. Unemployed, with a wrecked reputation, my only option is a pity job as a leadership consultant for a secret, government-employed team of assassins. After moving clear across the country, I thought I'd feel safe from the ones who want revenge for my so-called valor, but then I meet him. Linc. The ghost in the shadows, who will never be seen for the hero he is. I should probably be intimidated by the most lethal assassin PALADIN employs, except the monster has the kindest eyes when he's looking at me. Still, the question remains of who I should fear more... The ones who are after me or the ones who promised to protect me. Linc I love the way she screams my name, but I like how she whispers it too. I vowed to never get attached, but Eden has a hold on me that no one has before. She's the light and until her, I didn't realize how lonely the darkness is. Forget PALADIN's rules. I refuse to let her go. I've finally found what's precious to me and now I have to keep her close, defend her fiercely. She's mine to pleasure and protect. And whoever keeps threatening Eden's life, is going to lose theirs.

Paper Hearts Kay Cove, 2026-01-20 Amidst paparazzi and public lies, a starlet navigates fake relationships and real feelings in a quest to reclaim her music and her heart. A pop princess with her career in ruins is forced into a fake PR relationship with Hollywood actor, Grayson, to save her image. Except her new fake boyfriend is less than charming, and she seeks companionship elsewhere. She ends up hiring an escort, convinced losing her virginity is the way to elicit a sexy spark into her music, which the industry desperately wants from her. Except the escort, Taio, isn't interested in rushing her first time. Instead, they build a friendship and strike up a bedroom lessons arrangement. When they are caught by the paparazzi spending time together after hours, she's forced to feed out a lie to the tabloids that Taio is her bodyguard. With a new male threat prevalent, Grayson begins to show Charlie attention (out of competitiveness), and Taio, who has been hurt before and is convinced he'll never settle down and leave escorting. Now Charlie is caught in a bizarre fake love-triangle while trying to revive her dwindling music career, doing her best to figure out what an actual happily ever after looks like and whether that

might be off-stage.

*Camera shy* Kay Cove,2025-09-30 'Een man zal je behandelen zoals je jezelf behandelt. Dus alsjeblieft, gedraag je als een verdomde koningin.' \*\*\* Ik hoopte op een verlovingsring voor mijn dertigste verjaardag. Wat ik niet had verwacht, was dat mijn vriendje en zakenpartner me zou dumpen omdat hij het idee niet kon verdragen dat we de rest van ons leven een saai seksleven zouden hebben. Dus wanneer ik de kans krijg om mijn zomer in Las Vegas door te brengen, grijp ik die met beide handen en ontmoet ik daar mijn knappe nieuwe buurman en zijn fotostudio. We sluiten een eenvoudige deal. Hij is de leermeester en ik ben zijn leerling. Mijn lessen bestaan uit het leren liefhebben van mijn lichaam. In ruil daarvoor ga ik zijn bedrijf redden. Ik heb precies één zomer om de meest zelfverzekerde versie van mezelf te vinden voordat ik naar huis moet en het echte leven weer begint. Maar na een zomer vol passie weet ik niet meer zeker wie ik echt ben, en het is duidelijk dat het ergste liefdesverdriet van mijn leven nog moet komen. \*\*\* *Camera Shy* is een spicy hedendaagse neighbors-to-lovers standalone en eindigt met een HEA (Happily Ever After). Aanbevolen voor lezers van 18 jaar en ouder.

*Tattletale* Kay Cove,2026-07-14 From viral romance phenom Kay Cove comes a darkly addictive blend of danger, devotion, and desire. They say forgiveness sets you free. But I don't want freedom... I want revenge. CRICKET We loved each other under the guise of friendship, but we always knew it was more. I thought our bond was unbreakable. Until he broke it. Lance betrayed me when I needed him most, all just to become our boss' golden boy. Now, all I want is to escape him and the heartbreak of his betrayal. So when an opportunity outside of our team arises, I volunteer. My mission is simple: seduce the secrets out of the handsome billionaire, then report back to headquarters. Except his unexpected charming smile has me thinking... Maybe it's time to disappear into a new life. LANCE I'll only ever love one woman. And I only betrayed her to save her. The mistake Cricket seemed determined to make would've cost her life, and I could not let that happen. Now she hates me. Her blood boils when we're in the same room. But I know one day she'll forgive me. In the meantime, her spiteful rage is kind of a turn-on. The problem is her uncover assignment. Her new boss is a threat I never saw coming. He's extra dangerous. All his games are psychological and she's falling for every single trick. When Cricket goes missing, I start crossing lines and breaking rules I never thought I would. All to get answers. Just hoping... Somewhere deep down, my best friend is still there. \*\*\* *Tattletale* is book 2 in the PALADIN Series. It is a spicy, best friend to enemies to lovers, with an unhinged FMC who has her eyes set on revenge. Throw in a dash of love triangle and an obsessive jilted lover and this romantic suspense is guaranteed to be explosive. Intended for audiences 18+. Please check the trigger warnings prior to reading.

He asked the universe for a chance at real love and is confident that Noa is his swift delivery. The only problem? It's near impossible to move forward when there is still a spotlight on the skeletons of his past. Noa's focused on one thing and one thing only-and it does not involve a whirlwind summer romance with megastar actor Chase Ford. Armed with a paintbrush and a new blank canvas, she's determined to paint the perfect family picture for her and her four-year-old son. It only takes one chance encounter. One tabloid picture. One publicity scheme to set the record straight. Their ruse turns real. Knowing he found the girl of his dreams, Chase is ready to fight for their chance at forever, but he's about to face the cruel reality Noa already knows too well-not all loves are created equal, and sometimes perfect isn't enough.
