Clever Jack Takes the Cake Candace Fleming, 2024-11-12 Take a bite out of this deliciously funny original fairy tale, which received four starred reviews and was named a Best Book of the Year by Booklist, School Library Journal, Kirkus Reviews, and the Bank Street College of Education. What would you do if you were invited to the princess's tenth birthday party but didn't have money for a gift? Well, clever Jack decides to bake the princess a cake. Now he just has to get it to the castle in one piece. What could possibly go wrong? Candace Fleming and G. Brian Karas, creators of the bestselling picture book *Muncha! Muncha! Muncha!*, have teamed up again to bring us a modern fairy tale starring a determined boy and a story-loving princess with a good sense of humor. While girls will fall for a story featuring a princess's birthday party, Jack's adventures with trolls, bears, and gypsies make this the perfect read for young boys as well—and ideal for storytime.

Craft Moves Stacey Shubitz, 2023-10-10 How do you choose mentor texts for your students? How do you mine them for the craft lessons you want your students to learn? In *Craft Moves: Lesson Sets for Teaching Writing with Mentor Texts*, Stacey Shubitz, co-founder of the Two Writing Teachers website, uses twenty recently published picture books to create more than 180 lessons to teach various craft moves that will help your students become better writers. Each of the 184 lessons in the book includes a publisher's summary, a rationale or explanation of the craft move demonstrated in the book, and a procedure that takes teachers and students back into the mentor text to deepen their understanding of the selected craft move. A step-by-step guide demonstrates how to analyze a picture book for multiple craft moves. Shubitz introduces picture books as teaching tools and offers ways to integrate them into your curriculum and classroom discussions. She then shares different routines and classroom procedures designed to help students focus on their writing during the writer's workshop as well as focusing how teachers can prepare for small group instruction. Using picture books as mentor texts will help your students not only read as writers and write with joy but also become writers who can effectively communicate meaning, structure their writing, write with detail, and give their writing their own unique voice.
