**Crow Lake** Mary Lawson, 2006 Set in a rough-hewn heart of the Canadian Shield, Crow Lake brings us into the fold of the Morrisons, a family bound close by unexpected loss.

**Crow Lake** Mary Lawson, 2009-06-05 #1 NATIONAL BESTSELLER • The stellar debut novel from Mary Lawson (A Town Called Solace)—a shimmering tale of love, death and redemption set in a rural northern community where time stands still • Named a best book of the year by The Globe and Mail • The New York Times • The Sunday Times • The Washington Post A gorgeous, slow-burning story of family love and misunderstandings, of resentments harbored and driven underground. Set in the rough-hewn heart of the Canadian Shield, Crow Lake brings us into the fold of the Morrison family—four suddenly orphaned children bound close by loss. Young Kate Morrison worships her elder brother, Matt, whose passionate interest in the natural world consoles and inspires her. But as an adult, she feels estranged from her siblings—Matt, Luke, and the irrepressible Bo—who once composed her entire world, and she can't reconcile the heroic brother of her youth with the all-too-human individual he has become. Mary Lawson pays out their gripping, emotionally and morally subtle story with heartbreaking humor and consummate control, overturning one's expectations to the end. "I've been trying to tell everyone I know about Mary Lawson. . . . Each one of her novels is just a marvel." —Anne Tyler, bestselling author of *Three Days in June*

*The Essential Mary Lawson 2-Book Bundle* Mary Lawson, 2013-10-08 Mary Lawson's #1 internationally bestselling novels are stunning in their storytelling appeal, for their unforgettable characters who have become beloved to many thousands of readers, for their depth of feeling, and in their nuanced depiction of life in small-town rural Canada. Set in the rough-hewn heart of the Canadian Shield, Crow Lake brings us into the lives of a young family, orphaned and bound close by loss. Mary Lawson pays out their gripping, emotionally and morally subtle story with heartbreaking humour and consummate control, overturning one's expectations to the end. In *The Other Side of the Bridge*, Lawson weaves a slow-burning tale of two brothers' jealousy and rivalry, and also of the community they live in, decimated after World War II. Deeply engaging in its tenderness, this is a compellingly humane novel with a shocking climax.

**The Other Side of the Bridge** Mary Lawson, 2007-08-28 From the author of the beloved #1 national bestseller Crow Lake comes an exceptional new novel of jealousy, rivalry and the dangerous power of obsession. Two brothers, Arthur and Jake Dunn, are the sons of a farmer in the mid-1930s, when life is tough and another world war is looming. Arthur is reticent,

solid, dutiful and set to inherit the farm and his father's character; Jake is younger, attractive, mercurial and dangerous to know – the family misfit. When a beautiful young woman comes into the community, the fragile balance of sibling rivalry tips over the edge. Then there is Ian, the family's next generation, and far too sure he knows the difference between right and wrong. By now it is the fifties, and the world has changed – a little, but not enough. These two generations in the small town of Struan, Ontario, are tragically interlocked, linked by fate and community but separated by a war which devours its young men – its unimaginable horror reaching right into the heart of this remote corner of an empire. With her astonishing ability to turn the ratchet of tension slowly and delicately, Lawson builds their story to a shocking climax. Taut with apprehension, surprising us with moments of tenderness and humour, *The Other Side of the Bridge* is a compelling, humane and vividly evoked novel with an irresistible emotional undertow.

*Road Ends* Mary Lawson, 2014-06-17 He listened as their voices faded into the rumble of the falls. He was thinking about the lynx. The way it had looked at him, acknowledging his existence, then passing out of his life like smoke. . . It was the first thing—the only thing—that had managed, if only for a moment, to displace from his mind the image of the child. He had carried that image with him for a year now, and it had been a weight so great that sometimes he could hardly stand. Mary Lawson's beloved novels, *Crow Lake* and *The Other Side of the Bridge*, have delighted legions of readers around the world. The fictional, northern Ontario town of Struan, buried in the winter snows, is the vivid backdrop to her breathtaking new novel. *Roads End* brings us a family unravelling in the aftermath of tragedy: Edward Cartwright, struggling to escape the legacy of a violent past; Emily, his wife, cloistered in her room with yet another new baby, increasingly unaware of events outside the bedroom door; Tom, their eldest son, twenty-five years old but home again, unable to come to terms with the death of a friend; and capable, formidable Megan, the sole daughter in a household of eight sons, who for years held the family together but has finally broken free and gone to England, to try to make a life of her own. *Roads End* is Mary Lawson at her best. In this masterful, enthralling, tender novel, which ranges from the Ontario silver rush of the early 1900s to swinging London in the 1960s, she gently reveals the intricacies and anguish of family life, the push and pull of responsibility and individual desire, the way we can face tragedy, and in time, hope to start again.

**A Town Called Solace** Mary Lawson, 2021-02-16 NATIONAL BESTSELLER LONGLISTED FOR THE 2021 BOOKER PRIZE NAMED A BEST BOOK OF THE YEAR BY THE GLOBE AND MAIL, CBC BOOKS AND THE DAILY TELEGRAPH I've been telling everyone I know about Mary Lawson . . . Each of her novels is just a marvel —Anne Tyler New York Times bestselling author Mary Lawson, acclaimed for digging into the wilderness of the human heart, is back after almost a decade with a fresh and timely novel that is different in subject but just as emotional and atmospheric as her beloved earlier work. *A Town Called Solace*, the brilliant and emotionally radiant new novel from Mary Lawson, her first in nearly a decade, opens on a family in crisis. Sixteen-year-old Rose is missing. Angry and rebellious, she had a row with her mother, stormed out of the

house and simply disappeared. Left behind is seven-year-old Clara, Rose's adoring little sister. Isolated by her parents' efforts to protect her from the truth, Clara is bewildered and distraught. Her sole comfort is Moses, the cat next door, whom she is looking after for his elderly owner, Mrs. Orchard, who went into hospital weeks ago and has still not returned. Enter Liam Kane, mid-thirties, newly divorced, newly unemployed, newly arrived in this small northern town, who moves into Mrs. Orchard's house—where, in Clara's view, he emphatically does not belong. Within a matter of hours he receives a visit from the police. It seems he is suspected of a crime. At the end of her life, Elizabeth Orchard is also thinking about a crime, one committed thirty years previously that had tragic consequences for two families, and in particular for one small child. She desperately wants to make amends before she dies. Told through three distinct, compelling points of view, the novel cuts back and forth among these unforgettable characters to uncover the layers of grief, remorse, and love that connect them. *A Town Called Solace* is a masterful, suspenseful, darkly funny and deeply humane novel by one of our great storytellers.

**Between the Lines** Jessica Page Morrell, 2006-04-11 Effective storytelling stems from many elements, the most crucial of which are unseen or blended in so unobtrusively that they are difficult to spot and analyze. Still, they are necessary to the wholeness and coherence of a story—to create a work that lingers and resonates in the reader's imagination. In *Between the Lines*, author and writing instructor Jessica Page Morrell shows you how to craft a unified and layered novel or short story by mastering subtle storytelling techniques, such as:

- Using emotional bombshells, surprises, and interruptions to intensify cliffhangers
- Enlarging your story world through the use of layered subplots
- Building suspense one scene at a time to maximize the emotional payoff
- Anchoring your premise to your protagonist's character arc
- Transitioning into and out of flashbacks without interrupting the mood of your story

Detailed instruction combined with examples from well-known authors turn seemingly complex topics like subtext, revelations, misdirection, and balance into comprehensible techniques that will elevate your writing to the next level.

*Family Disintegration* Anton Purcell, 2002 The contemporary family is being distracted, disturbed and distraught by societal pressures from every direction. The nuclear family concept, believed crucial to child rearing, is becoming passé according to census data. Or has the wave of disruption to families crested? It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century.

*Sibling Identity and Relationships* Rosalind Edwards, Lucy Hadfield, Helen Lucey, Melanie Mauthner, 2006-09-27 Reviewing current literature on sibling relationships as well as proposing alternative theoretical perspectives, this book discusses who constitutes a sibling and explores how children understand their sibling relationships.

**Anne's World** Irene Gammel, Benjamin Lefebvre, 2010-01-01 The original essays in *Anne's World* offer fresh and timely approaches to issues of culture, identity, health, and globalization as they apply to Montgomery's famous character and to

today's readers.

*Road Ends* Mary Lawson, 2014-07-08 Leaving her dysfunctional family to start over in London, a young Canadian woman reflects on the dreamy mother, apathetic father and rambunctious younger brothers who wholly depend on her for their daily needs. 30,000 first printing.

**Character Parts** Brian Busby, 2010-11-05 Ever wondered where novelists get the inspiration for their characters? Why the hero or villain of your favourite book seems oddly familiar? Who inspired Mordecai Richler to create Bernard Gursky; Margaret Atwood to create Zenia in *The Robber Bride*? In which novel does Northrop Frye appear (as a character named Morton Hyland)? The answers can be found in *Character Parts*, Brian Busby's irreverent yet authoritative guide to who's really who in Canadian literature. The most original and entertaining reference book to be published in years, *Character Parts* is the behind-the-scenes look at CanLit we have all been waiting for. Brian Busby settles the suspicions that arise when a fictional character reminds you of a real-life one, listing the sources for characters from the whole of Canadian literature. His canvas stretches from the settlers who inspired 1852's *Roughing It in the Bush* to Glenn Gould's appearance as Nathaniel Orlando Gow in Tim Wynne-Jones' *The Maestro*, and beyond. But *Character Parts* is also chock-full of fascinating, less famous people who have been immortalized in Canadian books: seductive Alberta politicians, British army generals, anarchists, models, aristocrats -- and, of course, parents, siblings and ex-spouses. Authoritative, but presented with a light touch, *Character Parts* is as at home in a university library as on a bathroom shelf. It's that rare find: an exemplary reference book that is also an absolutely entertaining read in its own right.
