SUCCEED AGENDRA RANA,2023-09-30 Success is an excellent acquired quality of a person to sustain a strong spirit which can willfully overpower the dictums of mind. Even if a person possesses good physical strength, treasures of wealth and other resources, recognition among prominent personalities, but lack of self confidence, fails to provide the desired success. Every person, belonging to any age, religion or caste has an earnest desire to seek the achievements of the topmost level to command respect in the society. Perfection in any task is difficult but it requires prolonged efforts. Winning isn't about finishing in first place. It isn't about beating the others. It is about overcoming yourself, overcoming your body, your limitations, and your fears. Winning means surpassing yourself and turning your dreams into reality. Success hugs you in private but failure slaps you in public. Better learn and determine to succeed in life.

Tempted & Taken Rhenna Morgan,2017-11-20 Come hell or high water, the Men of Haven always ride or die for one of their own. There's no code Knox Torren can't break. He knows no limits when it comes to uncovering intel, especially on anyone who crosses his family. But a skip tracer with a sketchy history presents a puzzle he can't solve. When he finally meets the statuesque blonde with the intoxicating Russian accent, he'll try anything to unearth her secrets. Darya Volkova has been living under an assumed identity for years. Searching for a job that will take her out of the dangerous life she's built, she has her sights set on Knox: the best hacker in the business. From their first meeting, though, something far more intimate than a professional connection develops. Darya must overcome still-healing wounds to trust that Knox will take care of her in all the ways she needs. And Knox will do whatever it takes to make sure whatever—or whomever—she's running from never touches his woman again. The Men of Haven: fierce passion, unyielding loyalty. Especially when it comes to their women. Men of Haven Book 1: Rough & Tumble Book 2: Wild & Sweet Book 3: Claim & Protect Book 4: Tempted & Taken

Melody of the Heart Joji Valli, 2016-05-01 Melody of the Heart is an attempt to connect each of our heart to the Universal Heart. The moment we get connected to the Universal Heart, we experience the melody and tranquility in life. The divine melody then becomes a source of energy and inspiration in our lives. To listen to the melody of the heart you need to be awake. A bird doesn't stop singing because no one listens to it. The bird sings because it has a song and enjoys singing. Melody of the Heart emerges when the divine melody touches our hearts and like the bird we do have a song to sing - a melodious song - Melody of the Heart to inspire and motivate the other birds as we ourselves enjoy the song. Melody of the Heart unravels the secrets empowering to sing the melodious song which you love to sing in your very life too. Imagine Gina Renée Misiroglu, Misiroglu, 2002-06 Over the course of the twentieth century. Americans have made great strides in science, created new forms of artistic expression, given women the right to vote, and fought for civil rights legislation. They were inspired by the sermons of Martin Luther King Jr., cheered the exploits of Muhammad Ali, and witnessed such activists as Dolores Hueria and Gloria Steinem win hard victories for human rights. Our Spirits soared as men took the first steps on the moon, developed extraordinary new technologies, and crafted lasting peace treaties. These events - and the leaders behind them -- have shaped who we are as a nation, and challenged how we, as Americans think. This magnificent collection of photographs and essays celebrates more than fifty of our nation's greatest heroes. Imagine captures the words and ideas of famous and not-so-famous leaders, artists, entertainers, business pioneers, scientists, and philosophers -- from Amelia Earhart and John F. Kennedy to Sally Ride and Albert Einstein -- all illuminated by the portraits of renowned photographers such as Carl Van Vechten. Yousuf Karsh, and Michael Collopy. As we embark on a new century, imagine pays tribute to the greatest individuals of the last century, with the hope that their inspiring examples will help us imagine more fulfilling lives and a better world for all.
