Alexander Gordon Smith

Execution Alexander Gordon Smith, 2012-11-13 Alex Sawyer has escaped his underground nightmare to discover that the whole world has become a horrible prison run by his nemesis, Alfred Furnace, and only Alex can stop him, even if that makes him the executioner.

Death Sentence Alexander Gordon Smith, 2011-08-02 Alex's second attempt to break out of Furnace Penitentiary has failed. This time his punishment will be much worse than before. Because in the hidden, bloodstained laboratories beneath the prison, he will be made into a monster. As the warden pumps something evil into his veins--a sinisterly dark nectar--Alex becomes what he most fears . . . a superhuman minion of Furnace. How can he escape when the darkness is inside him? How can he lead the way to freedom if he is lost to himself?

Solitary Alexander Gordon Smith, 2010-12-21 Alex Sawyer and his mates should have known there was no way out of Furnace Penitentiary. Their escape attempt only lands them deeper in the guts of this prison for young offenders, and then into solitary confinement. And that's where a whole new struggle begins—a struggle not to let the hellish conditions overwhelm them. Because before another escape attempt is even possible, they must first survive the nightmare that now haunts their endless nights.

Lockdown Alexander Gordon Smith, 2009-10-27 When fourteen-year-old Alex is framed for murder, he becomes an inmate in the Furnace Penitentiary, where brutal inmates and sadistic guards reign, boys who disappear in the middle of the night sometimes return weirdly altered, and escape might just be possible.

Fugitives Alexander Gordon Smith, 2012-02-28 In the heart-pounding sequel to the Escape from Furnace series, Alex must confront his greatest fears and uncover the truth behind the man who built the prison. Forever altered by his experience in Furnace Penitentiary, Alex has done the impossible and escaped. But the battle for freedom is only just beginning. Charged with his superhuman abilities, Alex must uncover the last of Furnace's secrets—the truth about the man who built the prison, the man known as Alfred Furnace. To do that, he must stop running and finally confront his greatest fears. In this thrilling installment of the dark fantasy series, Alex faces creatures more terrifying than ever as he fights for the innocent and seeks to expose the warden's true motives. Will Alex triumph over the horrors of Furnace, or will he be forever imprisoned by his own terror? *Fugitives* is a gripping tale of perseverance, bravery, and the power of truth that will keep readers on the edge of

their seats. Perfect for fans of dystopian YA adventures.

Execution Alexander Gordon Smith, 2013-06-25 First published in the United Kingdom by Faber and Faber Limited, 2011.

The Night Children: An Escape From Furnace Story Alexander Gordon Smith,2011-09-21 It is December 1944 and Europe is still gripped by war. In the densely forested mountains of Belgium one of the conflict's most brutal battles is raging. Cut off from the front, a ragtag group of young British and American soldiers finds itself being hunted by a patrol of elite German Special Forces, including a newly commissioned officer called Kreuz—a teenage boy who will grow up to become Warden Cross (the fearsome prison director who will one day rule Furnace Penitentiary, the terrifying underground prison specially built for teen offenders). As both sides fight for their lives in the unforgiving terrain, however, they start to realize that there are worse things hiding in the snow than soldiers. There are creatures out there with gas masks and piggy eyes (ancestors of Furnace prison's wheezers)—demonic entities that cannot be killed by guns and grenades, monsters who do not care what uniforms their victims are wearing so long as they bleed, and so long as they scream . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Fugitives Alexander Gordon Smith,2010 I am no longer trapped in the darkness. But the darkness is still trapped inside me. We did it. We cracked the gates, escaped from Furnace. We're out, but we're not free. Not yet. Now the whole city is in lockdown ♦- the roads sealed, the police scouring every building. And there are worse things here - creatures of unimaginable fury hunting us down. An unholy army, sent by Alfred Furnace himself. Now a war is raging as he tries to bring the world to its knees. I can still feel the warden's poison inside me. It's the only thing keeping me alive, but it's turning me into one of them, into a monster. I don't know how much longer I can fight it before the rage takes over. If I don't find a cure soon then it will be me out there tearing this city apart, me feasting on blood. If I ever want to be truly free then I have to travel into the heart of the darkness. I have to find Alfred Furnace before he finds me. We made it out but the nightmare followed us, and soon the whole world will be our prison... Prison Break meets Darren Shan in one of the most addictive, terrifying and surprising series ever to have been published. With huge appeal to Anthony Horowitz and Darren Shan fans, it will leave the heart racing for days.
