**James Laster**

Leading Us Out of Darkness Garry McGiboney, 2016-11-15 The lives that shaped the songs that shape our faith Their stories and lives are seldom considered or known, yet their works and influence are felt almost every day somewhere in the world and have been for centuries. They are the hymnists and their gift to the world for centuries and for the future are found in the beautiful words of their hymns. Hymnists are the poets of the spirit, the leaders of light who pull us from the dark and who help show the way back to clarity and purpose in our lives based on faith and redemption. Their hymns have survived wars, famines, plagues, the Dark Ages, revolutions, the rise and decline of church attendance, contemporary debasement of religion and anything related to worship, and many other follies and frailties of mankind. The hymns survived because of dedicated hymnists and the meaningfulness of their words to a world that always faces turmoil and challenges to faith and family. This book explores the lives of many of our favorite hymnists. The reader will find almost 400 biographies of hymnists, including their compelling stories. The reader will rejoice in the hymnist's inspirational stories, find redemption in their despair and heartbreak, and experience reassurance in their faith. The words of the hymnists help us cope with fear, search for hope, and find inspiration. When a reader explores hymns more closely and overlays the themes of the hymns with the lives of the hymnists a pattern emerges. There are numerous references to fear, hope, and inspiration, just like in the Bible. These themes are so pervasive that they need to be studied and in studying them consideration should be given to how they interconnect. Consequently, this book explores the impact that fear, hope and inspiration have on our lives and how they are linked.

**Catalogue of Music for Organ and Instruments** James Laster, 2005 This book presents music titles in which the organ is part of a chamber ensemble. Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or description, as well as information on the level of difficulty, timing, mood, fingerings/pedalings, and other performance aids. The selections are suitable for concerts and religious services and are written in a variety of styles, from Baroque to contemporary. This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many others.--BOOK JACKET. *Burning Center, Porous Borders* Eleazar S. Fernandez, 2011-10-17 *Burning Center, Porous Borders* articulates what the church is and is called to be about in the world, a world now globalized to the point that the local is lived globally and the global is lived locally. The church must respond creatively and prophetically to the challenges-economic disparity, war and terrorism, diaspora, ecological threat, health crisis, religious diversity, and so on-posed by our highly globalized world. It can do so only if the church's spiritual center burns mightily. Conversely, it can burn mightily in the spirit of Christ only if its borders are porous and allows the fresh air/spirit of change to blow in and out. While there is much rhetoric about change, the most common response to change is to continue doing business as usual. This is particularly the case in the face of perceived global threats. In spite of the hoopla and euphoria of the global village, walls of division and exclusion are rising, hearts are constricting, and moral imagination shrinking. In response to this context, *Burning Center, Porous Borders* proposes alternative ways or images of being a church: burning center and porous borders, wall-buster and bridge-builder, translocal (glocal), mending-healer, radical hospitality, community of the earth-spirit, household of life abundant, dialogians of life, and community of hope. In *Burning Center, Porous Borders* congregational vitality and progressive praxis kiss and embrace!

*Ever the Leader* William G. Bowen, 2017-11-07 *Ever the Leader* gathers together selected speeches and writings from one of the great scholars and commentators of higher education. William G. Bowen's career at Princeton University—from economics professor to provost to a sixteen-year tenure as president—was marked by extraordinary accomplishments during times of great change, both at the university and in the country. But it was in Bowen's second act, as president of the Andrew W. Mellon Foundation and founding chairman of ITHAKA, that he took the lessons he learned as a highly productive leader of one of the nation's most esteemed universities and applied them to a broader set of problems in higher education. This volume of work from Bowen's later career captures this expansion of his thought and influence. Comprising remarks and articles on the subjects of university values, educational opportunity, college sports, technology, and colleagues and peers in higher education leadership, *Ever the Leader* is more than just a concise distillation of Bowen's research and thinking on some of the most urgent issues of the day—it is a portrait of leadership in action. The selected papers, talks, and articles exemplify Bowen's commitment and singular ability to communicate strong, persuasive arguments for change, and to motivate others to engage with the truly hard questions facing higher education leaders. Filled with formidable insights, *Ever the Leader* will be required reading for university presidents, policymakers, and all those who carry on the struggle for equity and excellence in higher education.

**Song, Struggle, and Solidarity** Mark Abendroth, 2019-11-05 The New York City Labor Chorus (NYCLC) was the first group of its kind when it formed in 1991 with members of different unions joining together in song. *Song, Struggle and*

Solidarity: The New York City Labor Chorus in Its Twenty-fifth Year is the product of Mark Abendroth's ethnography on the NYCLC during its calendar year from fall 2016 to spring 2017. Abendroth was in his sixth year as an active member of the chorus at that time. He kept field notes of nearly every NYCLC performance and weekly rehearsal during the year. He also interviewed twenty-eight of the approximately eighty-five members and studied documents in the group's history. Chapters include a history of singing in the labor movement in the United States, a history of the NYCLC in its first twenty-four years, and a focus on developments during the group's twenty-fifth year. The book ends with the author's conclusions on the NYCLC's accomplishments, challenges, and possibilities.

Bowing Toward Babylon Craig Watts, 2017-03-08 What is being done in worship when national holidays are celebrated, the American flag is displayed and honored, and songs are sung that extol the nation? Are these benign gestures? Or could they actually be idolatrous? In this insightful and persuasively argued study Craig M. Watts contends the inclusion of elements of American nationalism in worship is detrimental to the integrity of Christian worship. He maintains that in faithful worship the story of Jesus must be re-presented and performed in such a way that the only affections and loyalty that are fostered are those Christians everywhere rightfully share. To do otherwise opens the door to idolatry and leaves the church doing what Watts calls bowing toward Babylon. He reviews the development of the symbols, songs, and gestures that celebrate America and how they were introduced into worship. Watts concludes that the spirituality of American Christian nationalism does not complement the faith of the church but distorts it, hindering global Christian unity and the peaceable witness of the church in a divided world.

**The Heart of Christianity** Marcus J. Borg, 2009-03-17 In *The Heart of Christianity*, bestselling author Marcus J. Borg shows how we can live passionately in today's world by practicing the vital elements of Christian faith. For the millions of people who have turned away from many traditional beliefs about God, Jesus, and the Bible, but still long for a relevant, nourishing faith, world-renowned Jesus scholar Borg shows why the Christian life still makes sense today. Emphasizing the critical role of daily practice, he explores how prayer, worship, Sabbath, pilgrimage, and more can be experienced as authentically life-giving experiences. Borg reclaims terms and ideas once thought to be the sole province of evangelicals and fundamentalists. He demonstrates that terms like "born again" have real meaning for all Christians, that the "Kingdom of God" is not a bulwark against secularism but instead is a means of transforming society into a world that values justice and love, and that the Christian life is essentially about opening one's heart to God and to others. Marcus J. Borg is Hundere Distinguished Professor of Religion and Culture at Oregon State University and author of the bestselling *Meeting Jesus Again for the First Time*, *Reading the Bible Again for the First Time*, *The God We Never Knew* (with N. T. Wright), and *Jesus: A New Vision*. He was an active member of the Jesus Seminar when it focused on the historical Jesus and he has been chair of the Historical Jesus section of the Society of Biblical Literature. "With great clarity and pastoral genius, Marcus Borg offers

questioning Christians a way to keep the faith without shutting down the search for truth.” - Barbara Brown Taylor, author of *When God Is Silent*

**Great Composers** Lulu Britz Gmoser, 1997-08 Briefly introduces the greatest composers over the centuries and the contributions they made to the development of music.

**Hymntune Index and Related Hymn Materials** DeWitt D. Wasson, 1998-10-01 Hymns are a vital part of worship in most denominations. Congregational song has developed through the ages to include plainsong melodies, psalm settings, folk melodies, composed hymn tunes, gospel songs, sacred choruses, spirituals, and canons. All of these categories are included in this work. Wasson's index, by focusing itself exclusively upon hymntunes, is the most comprehensive collection of hymns and hymn materials that has been created to date. It also provides new information about the many hymns that have been written during the hymnal explosion of the last twenty-five years. Hymntune Index and Related Hymn Materials is an extraordinary resource for organists, church musicians, and librarians. Cataloging over 33,000 melodies sung by congregations world-wide, it provides the source of each and lists related materials. Included are incipits of the hymntune in the Tonic Sol-fa system, alternate titles for the same tune, hymnals by code and hymn numbers where the tune may be found, catalog reference numbers to the index key which lists material on the hymn tune, other references (such as sheet music), and Concertatos on the hymntune. Hymn materials include composer or arranger, publisher and publisher's catalog number, and the title. The index is helpful when looking for tunes by a particular composer or arranger, and also for noting the variations of a particular tune. It provides a broad range of hymntune based music, and allows the reader to compare tunes of similar melodic contours. An essential work for organists, pastors, and libraries with music collections.

Grace Sufficient Jean Miller Schmidt, 1999 Schmidt has tried to achieve a balance between the chronological description and thematic interpretation of Methodist women's history and a more intimate portrait of individual women in this tradition.

There are powerful stories of faith here that are part of the shared history of Methodist people, both women and men. As contemporary women struggle with their own sense of call, they often resonate in powerful ways with the faith stories of these religious foremothers.--BOOK JACKET.
