**How to Make Love All Night (And Drive a Woman Wild)** Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on. It started in the shower with a slow massage and moved to the bedroom, where they have been having intercourse for the past ten minutes. Daniel knows that Allison needs at least another five minutes of intercourse before she can climax. Here's the problem: Daniel doesn't think he has five minutes left in him. If Daniel continues having intercourse the way he has for the past ten minutes, it may be only a matter of seconds before he has an orgasm. He thinks about slowing down or stopping, but to break the rhythm now would only make it more

difficult for Allison to climax. He knows that Allison is at that stage where any kind of change in his movement would only frustrate her. Besides, if he tried to stop or to change the rhythm, Daniel could lose strength in his erection, which would complicate matters even further. This dilemma is making the whole experience a lot less pleasurable for Daniel. The first few minutes of sex were pure excitement, but now he is worried and conflicted. It is hard to enjoy sex when you're fighting your own body. Truth is, you really can't enjoy sex when you're fighting your own body. And neither can your partner. What Daniel does not yet know is that he has another option: male multiple orgasm. The multi-orgasmic man has staying power. He doesn't have to hold back. He doesn't have to fight his own body and deny himself his own pleasure. He can enjoy all of the erotic sensations of intercourse, have a full orgasm, and keep going! If he wishes, he can have a second orgasm, and keep going! He can last as long as his partner wishes, experience all of the excitement and release, and keep going! For the multi-orgasmic man, the sky is truly the limit. Daniel is not the only man who has this exciting option. Today, techniques have been perfected to make male multiple orgasm an option for almost every man! Age doesn't matter. Previous experience doesn't matter. Young or old, virgin or veteran, all you need is the desire, your penis, and a few minutes a day. So don't stop now. Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner. Enjoy your ebook Sex - how to make love all night!

It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. *Bleating in Southern California* Yingtien A. Shih, 2014-05-04 As R. W. Emerson says, by necessity, by proclivity, and by delight, we all quote. As B. Disraeli says, the wisdom of the wise and the experience of the ages are perpetuated by quotations. Confucius and Lao-tzu are famous philosophers in ancient China, who still have a great influence over modern Chinese. Besides, many Chinese proverbs and idioms also keep swaying modern Chinese. A lot of Western proverbs and quotations also make a dent in modern Chinese. One of the main purposes of my book is to promote the understanding between the East and the West. My book consists of hundreds Chinese and Western quotations and proverbs, which are

witty, inspirational, self-improving, or humorous. As the Talmud says, a quotation at the right moment is like bread to the famished. G. B. Shaw says, I often quote myself. It adds spice to my conversation. As R. W. Emerson says, conversation is an art in which a man has all mankind for competitors. Pierre de Beaumarchais says, It isn't necessary to understand things in order to argue about them. Everyone has got a right to say or do whatever he or she prefers, which could honor or humiliate him or her, you know. Life is changeable. Don't grieve for the past. Learn from the past and improve. Don't fear the future. Challenging the present problems, you'll have a sweet memory and make a better preparation for the future. My book also shows the pronunciations of pinyin Chinese. The complete title of my book is A WINTER-BORN SHEEP BLEATING IN SOUTHERN CALIFORNIA because I was born in 1943, named yang2 nian2 meaning the year of sheep according to Chinese zodiac. In Southern California, a remarkably multicultural area where I've lived for more than 30 years, the grass flourishes in rainy winter. As F. Allen says, California is a fine place to live in--if you happen to be an orange.
