**Life Driven Purpose** Dan Barker, 2015-04-01 Every thinking person wants to lead a life of meaning and purpose. For thousands of years, holy books have told us that such a life is available only through obedience and submission to some higher power. Today, the faithful keep popular devotionals and tracts within easy reach on bedside tables and mobile devices, all communicating this common message: Life is meaningless without God. In this volume, former pastor Dan Barker eloquently, powerfully, and rationally upends this long-held belief. Offering words of enrichment, emancipation, and inspiration, he reminds us how millions of atheists lead happy, loving, moral, and purpose-filled lives. Practicing what he preaches, he also demonstrates through his own personal journey that life is valuable for its own sake—that meaning and purpose come not from above, but from within.

The Purpose Driven Life is more than a book; it's a road map for your spiritual journey. Combining thoughtful verses from Scripture with timely stories and perspectives from Warren's own life, The Purpose Driven Life will help you discover the answer to one of life's most important questions: What on earth am I here for? Throughout The Purpose Driven Life, Warren will teach you to spend time getting to know yourself and your creator in order to live your life to the fullest. Every chapter of The Purpose Driven Life provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Each copy of The Purpose Driven Life also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.

Rick Warren and the Purpose that Drives Him Richard Abanes, 2005 In a book that includes an exclusive interview with Rick Warren, Abanes--a bestselling author and former staff member at Warren's church--takes a balanced and positive look at issues that have been raised about the purpose-driven concepts.

**God Betrayed** Jerald Finney, 2008-08 God Betrayed explains: (1) the biblical principles concerning government, church, and separation of church and state which one needs to know in order to understand the First Amendment and why it was adopted; (2) the history of the theological warfare in the colonies that eventually resulted in the adoption of the First Amendment; (3) how and why, soon after the ratification of the Constitution and the First Amendment, many churches subjected themselves to the state; (4) how the Supreme Court has used the First Amendment religion clause to remove God from practically all civil government affairs; (5) how civil government entices many churches to abandon their Supernatural and First Amendment freedoms; and (6) how churches in America can operate totally under God and free from any control by civil government. After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict, Jerald Finney worked for the railroad and then started and operated a photography studio in Fort Worth, Texas. He was saved in 1982. God called him to enter the legal profession. He entered the University of Texas School of Law in 1990, and was licensed to

practice law in 1993. Since that time, the Lord has guided his career. In 2005, he became lead counsel for the Biblical Law Center. This book is the result of his in depth studies of the issue of separation of church and state, the main issue which is addressed by the Biblical Law Center.

**The Purpose-Driven Life Prayer Journal** Rick Warren, 2002-11-07 The perfect companion to The Purpose Driven(R) Life! Features include Scriptures and quotes by Rick Warren, taken from the bestselling trade book, plus space to record reflections, prayers, and goals while seeking God's plans for life.

**The Purpose Driven Life** Rick Warren, 2016-07-08 You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you - both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century - a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, disciple.

**From Apostle to Apostate** Catherine Dunphy, Richard Dawkins, 2015-07-21 What happens when your entire life and career are constructed around a religious faith that you no longer possess? Do you continue to promote a gospel that you have intellectually and emotionally rejected to maintain your livelihood and the support and respect you receive from your community? Or do you renounce your faith to your congregation and the public at large, putting yourself and your family at risk? From Apostle to Apostate offers a comprehensive introduction to the Clergy Project, established in 2011 to provide a safe space where clergy who have lost their faith can connect with others facing the exact same questions—often alone and in isolation. Charting the origins, growth, and goals of the project, the book draws on the author's own experience as a founding project member and on interviews with its founders. It also reveals the troubles and triumphs experienced by many of its members, whose numbers have grown from just over 50 to more than 500 in a few short years. As the book movingly demonstrates, despite the substantial personal and professional challenges nonbelieving clergy face, for many, a loss of faith has turned out not to be a loss at all—but a gain of newfound community, self-respect, and honesty with themselves and

others.
