Living in Harmony with the Universe ,Cindy,2019-08-26 I discovered that when God spoke to great men in the Bible, they were always seen to be in nature. Adam and Eve was in the beautiful garden. God spoke to Moses in the burning bush. Abram's promised vision was looking at the stars. Even the beautiful earth foundation stands firm. What is it about nature? We should stay in harmony with the universe. Then the Lord God formed a man from the dust of the ground and breathe into his nostrils the breath of life, and the man became a living being (Genesis 2:7). Is God in nature (our body) traveling through the universe? All my insights and downloads came from spending time in the sun. God said, Look at the birds of the air they do not sow or reap, yet I fed them. Are you not much more valuable than them? (Matthew 6:26). The most intelligent species on earth are humans because of the powerful mind that vibrates back into the universe. Why are they working so hard and

living in poverty? People were out of order and brought chaos to the earth! We should learn to live back in harmony. When intellect and intuition is in balance, then we are connected and whole!
