Peace Corps Volunteers and the Making of Korean Studies in the United States Seung-kyung Kim, Michael Robinson, 2020-08-01 The bonds forged in Peace Corps service shaped the field of Korean studies From 1966 through 1981 the Peace Corps sent more than two thousand volunteers to South Korea, to teach English and provide healthcare. A small yet significant number of them returned to the United States and entered academia, forming the core of a second wave of Korean studies scholars. How did their experiences in an impoverished nation still recovering from war influence their intellectual orientation and choice of study—and Korean studies itself? In this volume, former volunteers who became scholars of the anthropology, history, and literature of Korea reflect on their experiences during the period of military dictatorship, on gender issues, and on how random assignments led to lifelong passion for the country. Two scholars who were not volunteers assess how Peace Corps service affected the development of Korean studies in the United States. Kathleen Stephens, the former US ambassador to the Republic of Korea and herself a former volunteer, contributes an afterword.

The Catcher in the Loft Unyŏng : Chŏn, 2019-10-15 A novel of political intrigue and coming of age, centered in a torture operative who is a fugitive and his unsuspecting daughter who must shelter him.

Mina Kim Sagwa, 2018 Kim Sagwa is South Korea's young, brilliant, fearless writer. -- Don Mee Choi, author of *Hardly War* She doesn't know what to do, and that amounts to a state of torture. Crystal toils day and night to earn top grades at her cram school. She's also endlessly texting, shopping, drinking, vexing her boyfriends, cranking up her mp3s, and fantasizing about her next slice of cheesecake. Her non- stop frenzy never quite manages the one thing that might calm her down:

opening up about the pressures that are driving her to the edge. She certainly hasn't talked with her best friend, Mina, nor Mina's brother, whom she's developing a serious crush on. And Crystal's starting to lose her grip. In this shocking English debut, award-winning Korean author Kim Sagwa delivers an astonishingly complex portrait of modern-day adolescence.
